Where such/other than those to which the ordinary printing work of the Board or Council is given on contract. Under the rules, sealed tenders have to be invited and publication made in papers. Sir,

SCHOOLS - Secondary -Printing examination question papers.

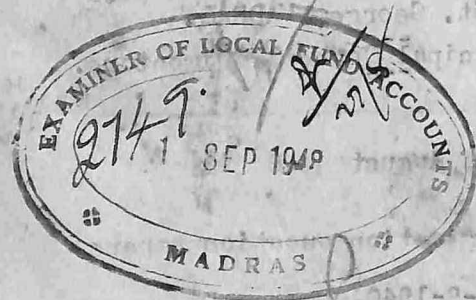

Ref: G.O.No.Ms.1714, Edn. dated 4-9-1940.

The Government in their order referred to above have authorised municipal councils to entrust the work of printing question papers for examination in High Schools where such printing is considered necessary to presses other than those to which the ordinary printing work of the Council is given on contract. As per rules sealed tenders have to be invited and publication made in papers. The total cost will exceed Rs.1,000/- in respect of the four Secondary Schools maintained by the Council. It is doubtful whether the Press which offers the lowest quotation would maintain secrecy and do the work in time and to the Council's satisfaction. I therefore request that Government may be pleased to permit this Municipality to dispense with the procedure of calling for sealed tenders and entrust the work confidentially to any Press considered suitable. This will be decided by the Commissioner in consultation with the Headmasters on calling for sealed quotations from some standard presses confidentially.
