Re.2100B2/48 dated 22nd March '49

Sir,

Sub:--Elementary Education--Aided Schools in Pudukottai
Payment of arrear grant--minimum attendance not
maintained--relaxation of rule--Order requested.

An arrear payment of Rs.1,069/- has to be made towards the payment of Teaching grant and D.A. to certain Schools in Pudukottai for the period from 1-1-48 to 30-6-48. These Schools did not maintain the minimum attendance prescribed in Rule 4(1) of the Rules relating to Aid. The Special Officer, for Education, Pudukottai requests to be informed whether arrear grants can be claimed on behalf of these schools at Madras rates from 1-1-48 to 30-6-48. Copies of the letters from the Special Officer, 1659/48 dated 13-10-48 and 9-12-48 furnishing the names of the Schools and the average attendance are submitted herewith. I request that the said rule may kindly be relaxed in respect of Schools in Pudukottai area as a special case for the period from 1-1-48 to 30-6-48 and the minimum attendance of 13 fixed by the state may be accepted in these cases and Teaching grant and D.A. permitted to be assessed at Madras rates.

Yours faithfully,

S. O. Pantanali

Copy of the letter Rc.No.1659/48 dated 13-10-48 from the Spl.
Officer for Education, Pudukkottai to the Director of Public
Instruction, Madras.

Sub:--Arrear grant of D.A. to aided school teachers from
1-1-48 Pudukkottai territory.

While calculating the arrear teaching grant and D.A.
from 1-1-48 to aided schools in the territory as per Madras rates
certain cases of schools which have only an average attendance of
15-20 per month have been paid grant as per State Scales of grant
on account of the introduction of compulsory education. The average
monthly attendance demanded in the Madras province is 20. As this
payment of grant relates to the period of 1-1-48 to 30-6-48 may we
claim the arrear grant and Dearness allowance for these schools
at Dominion rates from 1-1-48 to 30-6-48 irrespective of Madras
rules till that date?

After the joining duty of my Asst. Special Officer on 31-7-48
the monthly returns from July '47 have been scrutinised and assessed
grant only as per dominion rules viz., insistence of an average
attendance of 20 per month.

I solicit early orders on this point as the arrear teaching
grant statement is ready and has to be sent to the Dist. Edl.
Officer, Tiruchi for passing.

Copy of letter No.A3-1659 dated 9-12-48 from the Special Officer,
Pudukkottai to the Director of Public Instruction, Madras.

Sub:--Aided Schools--Arrear grant to Schools not having the
minimum attendance of 20--List furnishing of--

Director's Rc.2100-B2/48 dated 26-10-48

1. The names of the relevant schools and the actual average
attendance of each school are given in the tabular column attached

2. The amount of arrear grant involved for each school
with details for its calculation is also shown in column 6 of
table herewith attached.

3. The minimum attendance prescribed by the State rules for
payment of grant is 18. This rule was framed as early as 1920
and revised in 1936 but after the introduction of compulsory Edn.
Scheme this rule was waived in special cases at the discretion of
the Director of Public Instruction in view of compulsion being
introduced in those areas and in isolated and specially backward
areas like Nos.14,15,16,17,18,19,20,21,22,23 even though they fell
below the prescribed minimum of 18.

4. I would suggest that in cases where the minimum
attendance was below 18 the enhanced Madras rates of grant and D.A
need not be paid for those months. The grants at State rates
may be allowed as a special case. In other cases Madras rates of
grant and D.A. may be ordered to be given. I am preparing the
arrear grant list on this assumption for passing by the Dt. Edl.
Officer, Tiruchi.

5. From July '48 when the monthly returns were scrutinised
by the Asst. Special Officer, the Madras minimum of average attendance
of 20 has been adhered to.

I presume that "days", the last word in the G.O. occurring
after the No. 18, is an error and may be deleted. The number 18 in
the context refers to "pupils" and not "days."
