Sir,

SUB:- Hostels = Opening of a Hostel attached to each of the Government Training Schools for Masters, Tiruchirapalli, Palghat and Badagara = Proposal Submitted:

In connection with the Part II of the Budget Estimate for 1949--50, I have the honour to submit for favourable consideration and sanction of Government the following proposal for the opening of a Hostel to be attached to each of the Government Training Schools, for Masters, Tiruchirapalli, Palghat and Badagara.

2. It is reported that the pupil-teachers in the Government Training School for Masters, Tiruchirapalli, Palghat and ~~Palghat~~ Badagara are experiencing much difficulty for boarding and lodging as no hostels are attached to the schools. At present the pupil-teachers are residing in unsuitable rooms and messing in hostels which are not quite good. The existing condition cannot, therefore, be said to be conducive to the health of the pupils or to their studies. I, therefore, consider that the opening of a hostel attached to each of the schools under reference is necessary in the interest of efficiency of instruction, of discipline and the health of the students.

3. The number of sections in each of the Government Training Schools for Masters, Tiruchirapalli, Palghat and Badagara is furnished below:

Name of the School.	No. of Sections.			
	Higher Elementary.	Senior Junior.	Secondary.	Junior.
1. Govt. Training School for Masters, Tiruchirapalli.	2.	2.	..	..
2. Govt. Training School for Masters, Palghat.	3.	3.	1.	1.
3. Govt. Training School for Masters, Badagara.	4.	4.	..	..

About 100 students are likely to join the hostel in each school.

A private building will be taken up for rent for the hostel.

In the circumstances, I request that Government may be pleased to sanction the opening of a hostel attached to each of the Government Training Schools for Masters, Tiruchirapalli, Palghat and Badagara.

4. The financial effect of the proposal is as follows:

In connection with the Part II of the Budget Estimate for 1949-1950, I have the honour to submit for favourable consideration of Government the proposal for the opening of a hostel attached to the Government Training School for masters, Bellary.

A Higher Elementary Section and a Secondary Section are attached to the School and about 80 pupils are likely to join the hostel.

In the circumstances I request that Government may be pleased to sanction the opening of a hostel attached to the Government Training School for masters, Bellary with effect from the next school year.

The financial effect of the proposal is as follows:-

EXPLANATORY NOTE

The Director of Public Instruction has reported that the pupil-teachers in the Govt. Training Schools for Masters at Tiruchirapalli, Palghat, Badagara and Bellary, are experiencing much difficulty for boarding and lodging, as no hostels are attached to the schools and that they are compelled to mess in hotels which are not quite good and reside in unsuitable rooms. The existing conditions are reported to be not conducive to their health or their studies. In the interest of efficiency of instruction, of discipline and the health of the pupils, the Director considers the opening of a hostel attached to each of these Training schools at an early date quite essential. About 100 students are likely to join the hostel in the first three schools and 80 in the Bellary School. Private buildings will be taken up for rent for the

hostels.

As the net ^{recurrent} extra cost is only Rs. 4,000/- and the advantages of hostels for the students will be very great, this Department accept the proposal of the Director and recommend that provision may be made in the next year's Budget Estimate as shown in the Summary at the top.

 Hotels - Govt. Try. Schools for Masters -
 Opening of.

The D.P.S. has proposed that
 as a part II scheme for 1949-50 ~~that~~ a
 hotel be opened in each of the following
 Govt. Try. Schools for Masters:-

- 1) Govt. Try. School for Masters, Tiruchirappalli
- 2) " " " " Palghat
- 3) " " " " Badagara
- 4) " " " " Bellary.

The expenditure involved in the proposal is
 given at pp 3 & 5 of.

2/ The D.P.S. has said on a
 former occasion that the opening of
 a hotel is necessary in the interests of
 efficiency of instruction, of discipline and
 health of students. In this view the present
 proposal may be considered as absolutely
 essential for the proper running of the
 hotels training schools concerned.

The proposal is supported for the reason that the
 joint teachers in the schools are experiencing
 much difficulty for boarding and lodging and
 that their stay in unsuitable rooms and
 messing in hotels are not conducive to health of
 the joints or to their studies. E.P.H. dept support
 the proposal.

Submitted that the arguments given
 in support of the proposal are not peculiar
 to these places alone and will apply with
 equal force to many other educational institutions
 in the province. It cannot also be said to satisfy
 the criteria laid down in G.O. 765 Fin & B. 8.48
 for Part II schemes. Further in view of the present
 financial stringency, this dept may advise that
 the proposal be deferred.

Finance advise that the proposal may
 be deferred. The net extra cost is only Rs. 4000
 and the advantages of hostels for students will far
 outweigh this modest addl. cost. It is ruled that
