Advisory Committees for admission of students in colleges.

* 124 Q.—SRI B. BHIMA RAO: Will the Hon. the Minister for Education be pleased to state—

(a) whether the Government have issued any instructions to the Principals of Aided Colleges to constitute Advisory Committees with regard to admission of students into their colleges and to

[24th November 1948]

abide by such instructions as may be issued from time to time by the Government with regard to such admissions, or any other circular or communication of a similar nature;

(b) if so, to place the instructions or circulars that the Government sent on the table of the House; and

(c) whether the Government have received any replies thereto from the Principals of the Aided Colleges, and if so, to lay the same on the table of the House?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“(a) & (b) A copy of the G.O. No. 404, Education, dated 2nd March 1948, is laid on the table of the House. It may be observed that the Advisory Committees are only expected to advise the management, *inter alia*, on framing rules for the admission of students.

“(c) No reply is expected by the Government from the Principals of Aided Colleges. But a report has been called for from the Director of Public Instruction on the action taken by the various institutions in the matter and also on the working of the committees wherever they have been formed. This report can be expected only in December 1948.”

SRI B. BHIMA RAO:—“Are these rules mandatory where the aided institutions are advised to follow these rules, especially, rule No. 1 mentioned in the Government Order?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“The order itself says they are advisory and there is no question of anything being mandatory. The hon. Member may read the order properly.”

SRI B. BHIMA RAO:—“I want to know what the object is when you say ‘framing of rules for admission of students consistent with the rules laid down by Government in this regard.’ Does the Government want that aided institutions also should follow the policy of the Government with regard to admission of students in Government colleges?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“No, Sir; In regard to certain matters, the Government have sent instructions, e.g., reservation of ten per cent for Harijan students—that has been sent to the aided institutions and the Government expect that aided institutions will fall into line in this respect. With regard to other things, it is entirely left to them to do whatever they like.”

SRI B. BHIMA RAO:—“I put the question with reference to some of the colleges in Madras City in which admissions are made on the ground of merit and nothing else; does the Government propose to interfere with that principle?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“Not at all; I know a college in which 200 admissions were

24th November 1948]

made and about 150 or 160 of them belong to a certain community. The Government did not interfere and do not want to interfere with such institutions; but only with regard to the Harijan students, they have said there may be ten per cent reservation, if they are forthcoming.”
