Scheme for establishing a Karnataka University.

* 653 Q.—H. S. HUSSAIN SAHIB BAHADUR: Will the Hon. the Minister for Education be pleased to state—

(a) whether it is a fact that the Karnataka University Committee approached the Hon. the Minister for Education, Madras, for supporting the establishment of Karnataka University;

(b) what kind of assistance was desired by the aforesaid committee and what the reply given by the Hon. the Minister for Education, Madras, was; and

Postponed from the list of 26th January 1949.

[4th February 1949]

(c) whether the Madras Government have any scheme for establishing a Karnataka University for the benefit of the Kannada regions within the Province?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

(a) Yes; the Chairman of the Karnataka University Committee had a discussion with Hon. the Minister for Education in December 1947 on the subject.

(b) The Chairman of the Committee suggested—

- (1) that the colleges in Kannada areas in the Province may be affiliated to the Karnataka University even before the formation of the new Karnataka Province on a linguistic basis;
- (2) that this Government should recognize for purposes of employment in Government service graduates of the Karnataka University domiciled in the Province of Madras;
- (3) that the Government should continue to spend the amounts they are at present spending on the colleges in those areas; and
- (4) that the Government should sanction some initial grant for the establishment of the Karnataka University.

The Hon. Minister for Education replied to him stating that it was then too early for the Government to take a decision in the matter and that it would become a live issue only after the University was started.

(c) No.

11-15 a.m. H. S. HUSSAIN SAHIB BAHADUR:—"Is the Hon. Minister for Education aware that the University of Bombay is offering easier terms of affiliation to colleges in that Province and may I know whether this Government would consider the question of permitting new colleges to be started in the Kannada areas to be affiliated to the University of Bombay till a Karnataka University is established in this Province?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—"I don't think it will be either possible or feasible or good for the colleges themselves."

SRI V. M. RAMASWAMI MUDALIYAR:—"May I know where the Karnataka University will be located?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—"The question is in a nebulous stage. The Government of Bombay want to establish a Karnataka University and they have constituted a committee to examine the matter under the chairmanship of Mr. Lokur. The Chairman had a talk with me and I wrote to him a formal letter on the lines indicated in my reply. I don't think they have come to any final conclusions in the matter."

H. S. HUSSAIN SAHIB BAHADUR:—"If and when the Government of Bombay establish a Karnataka University, will this

in the matter of the establishment of the Karnataka University, the Government of Madras should consider the question of permitting new colleges to be started in the Kannada areas to be affiliated to the University of Bombay till a Karnataka University is established in this Province?

4th February 1949]

Government consider the question of allowing the colleges in the Kannada-speaking areas to be affiliated to that University?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
"May I say that this question is very premature? The Karnataka University has not yet come into existence, and we do not know what its standards will be. I hope the standards will be very high. But without knowing the position definitely, I cannot say anything."

ABDUL HAMEED KHAN SAHIB BAHADUR:—"As this Government are interested in the development of regional languages, may I know whether they approve the policy of having a University for Kannada?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
"Bombay Government is interested in establishing a Karnataka University. When their scheme takes a final shape, this Government will certainly consider the matter."

H. S. HUSSAIN SAHIB BAHADUR:—"In view of the fact that we have got the Andhra University and the Annamalai University to serve the Telugu and Tamil areas, will this Government take up the question of starting a University for the Kannada area?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
"I am afraid the population of Kannadigas in this Province who are living mostly in one district, namely, the district from which my hon. Friend hails—part of that district is also covered by another language—may not be sufficient to warrant the establishment of a Karnataka University."
