Cl. No. 1/49 dated 4th January 1949.

Sir,

Sub: Madras Edl. Service - Appointment of Principal,
College of Engineering, Anantapur - Consequen-
tial arrangements - Proposals submitted.

Consequent on the deputation of Major B.H. Marley, Offi-
ciating Principal, College of Engineering, Anantapur to the
United States of America for training in Geodesy, the post of
Principal of the college is vacant. He was relieved on 11-12-48
forenoon and the seniormost Professor of the college is now in
additional charge of the Principal's duties. The Professors
who have to be considered for promotion as Principal in the
vacancy in question are:-

1. Sri N.S. Krishnaswami Ayyangar (Appointed as Professor 4-8-46)
Offg. Professor of Civil Engineering, College of Engineering,
Guindy, and
2. Sri R. Natesan (appointed as Professor 26-10-1946) Offg. Profes-
sor of Mechanical Engineering, College of Engineering,
Kakinada.

The other Professors, except two, are officiating in the category
of Professors under emergency provisions, and these two are Dr.K.
Sukumaran and Sri R.C. Advani, Professors of Electrical Engineer-
ing, who have been appointed on contract from 28-10-48 and
14-6-48 respectively.

2. Sri N.S. Krishnaswami Ayyangar is a regular probationer
in the category of Professors and he completed the probation of
two years on duty on the afternoon of 12-8-1948. Recommenda-
tions have been made in my letter R.O.C.No.2995 C1/48 dated
20-12-48 to declare him to have satisfactorily completed his
probation. Sri R. Natesan is also a regular probationer in the
category, his appointment as Professor having been regularized
with effect from 26-10-46 in G.O.No.3255 Edn., dated 20-12-48.
Of the two, Sri N.S. Krishnaswami Ayyangar is the senior, his
work has been satisfactory and he is suitable for promotion as
Principal. I, therefore, recommend that he may be appointed to
officiate as Principal, College of Engineering, Anantapur
temporarily under rule 31(a) of the General Rules for the Madras
Provincial and Subordinate Services. The question of regulari-
zing his temporary appointment as Principal can be considered
only after the suitability of Major B.H. Marley for Principalship
is decided upon and his temporary appointment is regularized.

3. The post of Professor of Civil Engineering in the
college of Engineering, Guindy, will fall vacant consequent on
the promotion of Sri N.S. Krishnaswami Ayyangar as Principal.
As there is no qualified and suitable person available for regu-
lar appointment as Professor, the vacancy may be filled up by
promoting temporarily an Instructor in Civil Engineering. Among
the Instructors in Civil Engineering, Sri N. Viswanatha Ayyar,
B.A., B.E.(Civil), Assistant Engineer in the Public Works Dept.,
and officiating in the Madras Edl. Service as Instructor in
Hydraulics, College of Engineering, Guindy from 20-12-1945 is the
seniormost and the only regular probationer. All the other
Instructors are holding their appointments under emergency provi-
sions. Sri N. Viswanatha Ayyar has completed the prescribed
period of probation in the Madras Edl. Service but the necessary
necessary declaration in this behalf has not yet been issued.
He is suitable for temporary promotion as Professor and I recommend
that Government may kindly appoint him as Professor of Civil
Engineering, College of Engineering, Guindy, under rule 31(a)
of the General Rules.

4. If the recommendations made in para 3 above is accepted, the resultant vacancy in the post of Instructor in Hydraulics, College of Engineering, Guindy may be filled up by the appointment of an Assistant Engineer (Public Works Department). The approved list of candidates considered fit for appointment to this post contains the names of Sri R. Sankaran and Sri T.P. Gopala Menon (Assistant Engineers, Public Works Department) - vide G.O.No.Ms. 219 Edn., dated 7-2-1947. I recommend that Sri R. Sankaran or if his services cannot be spared for any reason, Sri T.P. Gopala Menon may be appointed to officiate as Instructor in Hydraulics, College of Engineering, Guindy, vice Sri N. Viswanatha Ayyar.

5. As the post of Principal, College of Engineering, Anantapur has to be filled up soon, I request the urgent orders of Government on this reference.

R.Cl.No.1/49 dated 4th January 1949. 3

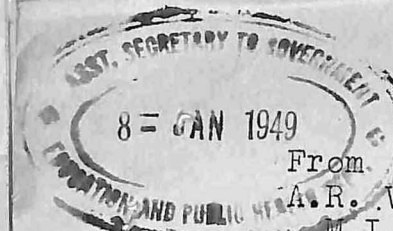

S i r,
Sub: Madras Edl. Service - College of Engineering,
Guindy - Appointment of Instructor in Hydraulics.

Sri N. Viswanatha Ayyar, officiating Instructor in Hydraulics, in the college of Engineering, Guindy, has been recommended to Government for temporary appointment as Professor of Civil Engineering in the same college. For the resultant vacancy in the post of Instructor in Hydraulics, I have proposed the appointment of Sri R. Sankaran, or if his services cannot be spared, Sri T.P. Gopala Menon, whose names are in the approved list of candidates considered fit for appointment by transfer as Instructor in Hydraulics - vide G.O.No.Ms.219 Education dated 7-2-1947. I, therefore, request you to be good enough to report to Government as to which of the two officers may be appointed to the vacancy and also to make early arrangements for his relief on receipt of the orders of Government.

LETTER No. 85 E-1/49-1 dated 6-1-1949.

Sir, Madras Educational Service - College of Engineering, Guindy -
Appointment of Instructor in Hydraulics -
Ref: Your letter No.R.C.1./49 dated 4-1-1949.

Sri R. Sankaran is already an Executive Engineer in the
Electricity Department. The services of Sri T.P. Gopala Menon
have also been placed at the disposal of the Director of Industries
and Commerce for appointment as an Assistant Engineer in that
department. Hence, both these officers are not now available for
posting to the Engineering College, Guindy, as Instructor in
Hydraulics. If you agree, I shall examine the cases of a few
other Assistant Engineers who have offered to serve as Instructors
in the Engineering Colleges and propose a suitable one for the
purpose.
