25th January 1949]

Admission of Harijans in the Pachaiyappa's College.

* 622 Q.—SRI V. I. MUNISWAMI PILLAY (on behalf of Sri A. Vedaratnam Pillai): Will the Hon. the Minister for Education be pleased to state whether the Pachaiyappa's College has admitted Harijans to an extent of 10 per cent of their admissions?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“All Harijan students who applied for admission into the various classes in the Pachaiyappa's College have been admitted without any restriction this year.”

SRI N. M. R. SUBBARAMAN:—“May I know, Sir, whether the Government are aware of the fact that one Harijan student who applied for B.Com. course was not admitted into the College?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“The information available with the Government is that three students applied for the B.Com. course; all of them have been admitted; and one student applied for the B.Com. (Hons.); he has also been admitted into the College.”

MUHAMMAD ANWAR SAHIB BAHADUR:—“Is it a fact, Sir, that there is a ban on the admission of Muslims and Christians into this College, and if so, what action have the Government taken with regard to the aid and recognition of this College?”

MR. SPEAKER:—“This question does not arise; anyhow, if the Hon. Minister is prepared to answer it, I have no objection.”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“The question does not strictly arise. Anyhow I would like to satisfy my hon. Friend's curiosity over that matter. The Government have put it to them that they must take steps to admit all communities in their College. In fact, the grant that has been promised to them for a building will be subject to their making alterations suitably to implement the above. I believe that the authorities of the College are also moving in that direction.”

SRI S. C. BALAKRISHNAN:—“What is the total number of Harijan students who have applied for admission into this College, and how many have been selected?”

MR. SPEAKER:—“All were selected; that is the answer given by the Hon. Minister.”

MOHAMED ABDUL SALAM SAHIB BAHADUR:—“Do not the Government wish to honour the wishes of the donor who has laid down that only a particular community should be admitted into that College?”

MR. SPEAKER:—“The hon. Member is going away from the main question. I have told the House already that if the Hon. Minister is prepared to answer it, he can answer it. Just now, as a special case, he has answered one such question. But if that is continued, I do not know where it will lead to.”
