Kind attention is invited to the Assembly question on p 1 of and the letter from the D.P.I. on p 7 of. The only College in Salem is the Municipal College, Salem. There is no College in North Salem. In north Salem there are only five

High Schools at present. For the first part of the question the answer may be, "yes."

Hosur, Krishnagiri and

P.T.O.

and Dharmapuri are the three northern taluks and there are 5 board high schools in this area. Of the total number of 216, 11th form students who appeared for S.S.L.C. in March 1948, only 89 were declared eligible for University Course of Studies. Hence it will not be expedient to open an Arts College in this area as it may be difficult even to maintain the economic strength. ~~The reply for the second part of the question may be that there is no proposal to start a college in North Salem.~~

The draft answer & below are submitted for approval.
May be circulated to H.M (edu).

QUESTIONS AND ANSWERS

11th August 1948]

(b) whether the Government intend starting an Arts college in that area for the benefit of the number of students that pass the S.S.L.C. examinations in the various high schools in that area?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

(a) Yes.

(b) Hosur, Krishnagiri and Dharmapuri are the three northern taluks and there are five high schools in this area, in which 216 students appeared for S.S.L.C. Examination in March 1948 and 89 were declared eligible for University courses of studies. A separate college is not necessary for this number. The college at Salem is intended to serve the needs of the whole district."

Starting of a college at North Salem—Supplementary Questions.

* 96 Q.—MR. SPEAKER:—"The hon. Member Sri Nagaraja Manigar came to me now and explained his absence at the time the question was called. I will now take up question No. 96."

SRI S. NAGARAJA MANIGAR:—"Is it not a fact, Sir, that Harur is also one of the taluks in Northern Salem and there are more high schools than now mentioned in the reply in North Salem including Denkanikota and Kaveripatnam?"

11th August 1948]

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

"It is quite possible that one or two high schools may have been started recently but that does not alter the figures very much."

SRI G. RAJAMANNAR CHETTY:—"Is it not a fact that the Hon. Rajagopalachari who is now the Governor-General and who has risen to that position because of his intellectual calibre belongs to that area and is it not proper on the part of the Government to assume that the people of that locality by their intellectual calibre require a college for that area?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
"He rose to eminence without a college being there and other people can rise to eminence without a college being started in Dharmapuri."

SRI S. NAGAPPA:—"May I know what is the policy of the Government in opening colleges, for how many miles radius they have prescribed one college?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
"The Government have not prescribed any upper-limit regarding the radius within which colleges should be opened."

SRI S. NAGARAJA MANIGAR:—"Considering the backwardness and the large extent of the area, will not the Hon. Minister come forward to open a college there?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
"If a private college is started and aid is asked for, the Government will give whatever help they can to it."

4
SRI K. BOKKAI GOWDER:—"Is it the policy of the Government to have a college for each district?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—"Yes, Sir. One college in each district normally."

SRI K. BOKKAI GOWDER:—"If so, have they got a college in Nilgiris district?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—"That question does not arise out of this question."

MOHAMED ABDUL SALAM SAHIB BAHADUR:—"Arising out of the answer that there is no need for a college as only eighty students were declared eligible for college course, may I know, Sir, what according to the Government is the number required to warrant a college being opened?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—"The Government did not prescribe any number of students. They simply said that the need for a college that has been suggested has not been established."

SRI V. I. MUNISWAMI PILLAY:—"May I know from the hon. Minister whether the subject was placed before the

Retrenchment and Reorganisation Committee and whether it was the recommendation of that Committee not to have a college for this portion of the Salem District?

The Hon. Sri T.S. Avinashilingam Chettiar - This is no proposal to be put before the Retrenchment and Reorganization Committee at ~~xxxx~~ all".
