Sir,

Sub: Teaching Grant 1947-48 - Concordia High School,
Ambur - Payment in the current year.

Concordia High School, Ambur is enjoying permanent recognition. Till the year 1943-44 the school was submitting its Financial Statements applying for fee compensation and the same was being sanctioned. But, from the year 1943-44, no claim was received. Now the management has submitted an audited Financial Statement of the School for the year 1947-48 and has requested for the sanction of compensations under rule 92 M.E.R and military concessions. It is stated that ~~only~~ owing to the default on the part of the then Principal and Correspondent of the school who is reported to have since been replaced, claims were not being regularly submitted. It may be mentioned in this connection, that the School is also eligible for maintenance grant under Rule 32(1) Grant-in-aid Code but the grant of fee compensation only has been applied for. As the payment of compensations under rule 92 M.E.R. and Military Concessions is obligatory, I am sanctioning the sum of Rs.6075/- from the current year's appropriation on the representation of the management. Although, no specific provision was made for this school, I may state, that the School is retained in the Aided list and it is possible to meet the expenditure from the current year's appropriation.

I therefore request that my action, in having sanctioned the grant, may be approved. At the same time, I may be permitted to sanction a similar claims for 1948-49 if applied for, in the year 1949-50 notwithstanding that no token provision has been made in the Budget.

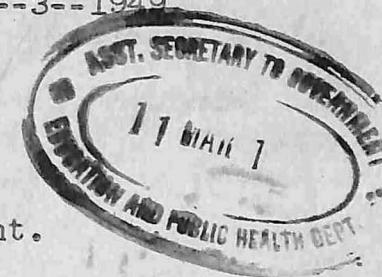

Yours faithfully,
