Roc.No.B-1-14/1949.
Sir,

Dated 28th February 1949.

Sub:- Budget Estimate - Mettupalayam Municipality -
Elementary Education Fund account for 1949-50 -
Submitted.

I submit herewith the Budget Estimate for 1949-50 of the Elementary Education account of this Municipality, together with a copy of para 10 of my Budget note dated 20-2-1949 to the Council, which will explain in detail the position of this Municipality, newly constituted from 1-10-1948, in regard to the work it has to do for Elementary Education.

In this connection, I have to mention that with a view to constitute an Elementary Education Fund for the Municipality, the Council has decided to levy an Education Tax on buildings and lands (other than ~~agricultural~~ Agricultural lands), with effect from 1-4-1949. I have submitted the Council's proposals in this regard to the Government for their sanction in my letter No. 1055/C1/48 dated 28-2-1949 submitted through you.

The Elementary Education Budget which is the first Budget of this Municipality starts with a 'Nil' opening balance and is expected to close with a balance of Rs. 6,100/-.

I request that the Government may be pleased to pass favourable orders on the proposal for the levy of the Education Tax, submitted separately, and to approve and sanction the Budget for 1949-50 herewith submitted, at an early date.

Copy of the Budget Note of the Commissioner dated 20-2-49 to the Council.

Para 10. C. Elementary Education Account: The District Board is maintaining five Elementary Schools in this town; and they want to hand ~~over~~ them over to the Municipality immediately, as the Board cannot spend its funds now within this town, after it has been made a Municipality, and consequently excluded from the jurisdiction of the District Board. It is therefore proposed to take over these schools from the District Board and maintain them from June 1949 (i.e. from the beginning of the next school-year). The expenditure on these five schools has been estimated, with reference to their present cost to the District Board and to the further requirements of the schools, at Rs. 15,900/-, or roughly at Rs. 16,000/-, for the first year. The existing number of Elementary schools in the town is not sufficient and more schools will have to be opened by the Municipality to meet the full need of the town. For this purpose, it is necessary that the Municipality should have an Elementary Education Fund with an annual income of about Rs. 25,000/-. Under Section 35 of the Elementary Education Act, the Council will have to levy an Education Tax on properties with effect from 1-4-1949. I have submitted a separate proposal to the Council in this regard. The levy of the tax will yield a revenue of about Rs. 9,000/- per annum to the Municipality. The Government may make

make an equal contribution of Rs. 9,000/-, under Section 37(a) of the Madras Elementary Education Act. The ^{above five schools} may now be in receipt of a fixed grant from the Government under Section 37 of the above Act.

The District Board who were enquired are unable to say what exactly this amount of Government subsidy is. I have therefore taken a token credit of Rs. 2,000/- under this head. During the first year (1949-50), the Government grant under Section 37(a) may not be expected to be received. Hence I have provided for a Municipal contribution of Rs. 2,000/- from the General Fund account for 1949-50. The total Receipts amount to Rs. 22,000/- against the expenditure of about Rs. 16,000/- for 1949-50.

All the above Schools are now housed in rented buildings, which are not quite suitable. The Municipality will have to provide better premises of its own for the Schools. Action in this respect will have to be taken during the year 1949-50; and worked out in the year following. At present no provision could be made in this behalf in the Budget for 1949-50.
