FROM

THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS
TO
THE SECRETARY TO THE GOVERNMENT OF MADRAS,
EDUCATION AND PUBLIC HEALTH DEPARTMENT,
FORT ST. GEORGE, M A D R A S.

R.G.No. 1743-K2/48 dated 2nd September, 1948.

SIR,

COLLEGES--Government College, Kumbakonam--B.Sc. with
Chemistry or Physics Main--Introduction of Botany
Subsidiary.

65473

In connection with Part II of the Budget Estimate for 1949-50, the Principal, Government College, Kumbakonam, has submitted proposals for the introduction of Botany subsidiary along with Physics or Chemistry Main in the B.Sc. Course. It is reported that a number of students of the college after passing Intermediate with Natural Science group are obliged to take up Economics and History in B.A. Pass course as they are unable to offer Mathematics as subsidiary in the B.Sc. course in the college. The Principal considers the absence of Natural Science subsidiary in B.Sc. a hardship to students. I am convinced that there is a real need for providing Natural Science in B.Sc. course as it will be an inducement to students who pass Intermediate with Natural Science groups to pursue further studies in science in the college. I recommend that the above proposal of the Principal may be sanctioned with effect from the academic year 1949-50.

2. The question of accommodation, additional staff, equipment etc. involved in the proposal is explained below:

ACCOMMODATION:

3. It is reported that no extra building is necessary and that the existing Intermediate Lecture hall and Laboratory will be adequate and suitable for conducting lectures and practical work for Botany subsidiary students in the B.Sc.

STAFF:

4. The existing staff for the Natural Science groups in the Intermediate consists of one Assistant Lecturer and one Demonstrator. With the introduction of Botany as subsidiary in the B.Sc. there will be a need to appoint one additional Assistant Lecturer.

EQUIPMENT:-

5. A non-recurring expenditure of Rs.11,500/- towards furniture, books and equipment to be spread over the first two years will be necessary. The recurring cost thereafter on equipment will be Rs.800/- a year. There will also be a need for 1 additional peon and 1 sweeper.

STRENGTH:-

6. It is expected that the number of students who may offer Botany subsidiary in B.Sc. will be 12.

7. The financial effect of the proposal will be as follows:-
1949-50.

Non-Recurring:-

Furniture	Rs.1,250/-
Books	300/-
Equipment	9,450/-

Rs.11,500/- (spread over 2 years).

RECURRING:-

RECURRING:

1 Assistant Lecturer in Zoology	150 x 8	Rs. 1,200/-
1 Peon	12 x 8	Rs. 128/-
1 Sweeper	12 x 8	Rs. 120/-
Travelling allowance to the staff for excursions		Rs. 500/-
		Rs. 1,948/- or

Rs. 1,900/- in round figures.

ULTIMATE COST:

RECURRING:

1 Assistant Lecturer in Zoology	..	Rs. 2,467/-
1 Peon	..	248/-

RC.No.1521/K.2/48

Office of the
Director of Public Instruction,
Madras: Dated 1st September 1948.

The Director of Public Instruction,

The Secretary to Government,
Education and Public Health Department,
Fort St. George, Madras.

SUB:- Colleges - Government College, Kumbakonam -
Further affiliation in Group III(c) Psychology under Part III of B.A. Pass Course.

In connection with Part II of the Budget Estimate for 1949-50 I have the honour to submit for the favourable consideration of Government proposal for the opening of Group III(c) Psychology under Part III of B.A. Pass Course in the Government College, Kumbakonam, in the academic year 1949-50.

2. Psychology as an optional subject was introduced under Part III of the Intermediate Course in the college last year. The Principal has submitted proposals for the introduction of the subject under Part III of B.A. Course. The Principal states that there is a need for the subject in the Degree Course as the study of it will be helpful to all those who intend becoming teachers and also to women who intend entering the nursing profession. This apart, Psychology as a science has attained prominence and usefulness in the matter of determining the suitability of individuals for various professions and services, and I am convinced that the need for including provision for this subject in Government colleges is real and urgent. In the Government College, Kumbakonam, where the subject has already been introduced in the Intermediate Course, its introduction in the B.A. Pass Course will certainly be advantageous.

3. The question of accommodation, staff, equipment etc. involved in the proposal is explained below:

(a) Accommodation:- The Principal states that the existing accommodation will be sufficient in 1949-50 and that even in 1950-51 it can be made sufficient by the arrangement of the time table. I may point out, in this connection, that the proposed strength for the group is 20 and by the time the new buildings are constructed there will be no question of inadequacy of accommodation at all.

(b) Staff:- In addition to the staff required in connection with the introduction of Psychology in the Intermediate Course, with the opening of Group III(c) in B.A. Course there will be a need for one lecturer (In the Madras Educational Service) in 1949-50 and one Assistant Lecturer in 1950-51 when the Senior B.A. Class will be opened.

(c) Equipment and Library:- The College Library has a good stock of books on Psychology. The teaching equipment purchased in connection with the introduction of the subject in the Intermediate Class will be adequate for teaching the subject in the B.A. Classes also. However, a non-recurring allotment of Rs. 2,000/- spread over the first two years and a recurring allotment of Rs. 200/- per annum thereafter will be necessary to keep the library upto date and useful.

4. Strength and Fee income:- The Principal expects a strength of 20 for the group in question. The fee income will be Rs.3,660/- in 1949--50 and Rs.7,320/- a year thereafter.

5. The financial effect of the proposal will be as follows:

1949--50.

<u>Recurring:</u>			
1 Lecturer	...	230 x 8	Rs. 1,840
<u>Non-recurring:</u>			
Equipment i.e. Library	...		Rs. 2,000
			Rs. 3,840 or
Total:	...		Rs. 3,800

1950--51.

<u>Recurring:</u>			
1 Assistant Lecturer	...	150 x 8	Rs. 1,200

Ultimate cost (Recurring).

1 Lecturer	449 1/3 x 12	...	Rs. 5,392
1 Asst. Lecturer	205 5/9 x 12	...	Rs. 2,467

Sub: Colleges - Government College, Kumbakonam - Affiliation
in Tamil and Sanskrit under Part I of the B.Sc.
course.

In connection with Part II of the Budget Estimate for
1949-50 I have the honour to submit for the favourable consideration
of Government the following proposal for the introduction of Tamil
and Sanskrit under Part I of the B.Sc. course in the Government College,
Kumbakonam from the academic year 1949-50.

2. The present strength of the B.Sc class in the college
is 72. The Principal states that there is a demand for the in-
troduction of Indian Languages, Tamil and Sanskrit under Part I
of the B.Sc. course and proposes the affiliation of the college for
the purpose. To start with he expects a strength of 20 for
each class. In view of the desire on the part of the students to
offer the languages I recommend the opening of Tamil and Sanskrit
under Part I of the B.Sc. course in the college. The classes
will be opened only if there be a strength of 25 for each class.
This will necessitate the employment of 2 Tutors, one for Tamil
and another for Sanskrit.

3. The financial effect of the proposal will be as follows:-

1949-1950:

Recurring: Staff:

2 Tutors (Tamil and Sanskrit) 80 x 2 x 8

Rs.
1280 or
Rs.1,300/-

Non-Recurring:

Fort Saint George, M a d r a s.

Ref: Your Telephonic Message by Post dated 25-6-48 and 6-10-48 regarding the opening of new courses in the Government College, Kumbakonam.

It has been reported in my letter Rc. No.1521-K2/48, dated 1-9-48 that for opening the courses in Psychology in B.A., the existing accommodation will be sufficient in 1949-1950 and that even in 1950-1951 it can be made sufficient by the arrangement of time table. So the proposal need not wait till additional buildings are constructed. As regards the proposal for the introduction of Botany Subsidiary in B.Sc. Course, the course is confined with the sanctioned strength for the B.Sc. class and so the question of additional accommodation or additional fee income does not arise. It is reported by the principal that both the Lecture room and laboratory of the Intermediate Natural Science can be utilised also for the B.Sc. Botany subsidiary.

EXPLANATORY NOTE.

The Director of Public Instruction has proposed the opening of the following new courses in the Government College, Kumbakonam, with effect from the academic year 1949-50.

- (1) Botany subsidiary with Physics or Chemistry Main in the B.Sc. Course
- (2) Group (iii-c) Psychology in the B.A. Pass Course and
- (3) Affiliation in Tamil and Sanskrit under part I of the B.Sc. course.

In support of his proposals, the Director has stated as follows:--

" In connection with Part II of the Budget Estimate for 1949-50 the Principal, Government College, Kumbakonam, has submitted proposals for the introduction of Botany subsidiary along with Physics or Chemistry Main in the B.Sc. EDUCATION DEPARTMENT.

From The Director of Public Instruction,
Madras.
To The Secretary to Government,
Education and Public Health Department,
Fort St. George, Madras.

R.C.No. 1743-K2/48 dated 19-10-1948.

Sir,
Sub: Colleges - Government College, Kumbakonam - Natural
Science Department - Purchase of books.

IN G.O.No.1128 Education dated 12-4-1949 Government sanctioned a provision of Rs.800/- (to be spread over a period of 2 years) towards the purchase of books in connection with the opening of Botany subsidiary for B.Sc. (Pass) Course in the Government College, Kumbakonam in the current academic year. Subsequently the University has stipulated an expenditure of Rs.1000/- on books. The Principal is requesting sanction for an additional expenditure of Rs.200/- and also permission to incur the entire expenditure of Rs.1000/- in the current year as all the books are available now and as they may not be available next year when they are needed. I request that Government may be pleased to sanction an additional expenditure of Rs.200/- on books and permit the Principal to utilise the entire provision of ~~Rs.1000/-~~ Rs.1000/- in the current year itself. There will be no need for additional expenditure on books for Natural Science Department in 1950-51.

Yours faithfully,

for Director of Public Instruction.
