Sir,

Ref: Your letter No. 92017-B1/48-22 Edn. dated the
28th March 1949.

I have the honour to inform you that the estimates of the amount that should be sanctioned towards the payment of travelling and daily allowances to the trainees (N.C.C. Officers) 2nd Bn., Tricinopoly, and 3rd Engineering Platoon, Engineering College, Guindy, so far selected for training, have been received from the respective commandants. A copy of the estimate from the 3rd Engineering Platoon (for Rs.2,326-12-0) is sent herewith for your reference, and it is observed that a copy of the estimate (for Rs.9,127-8-0) given by the Commandant, 2nd Madras Bn. has been sent to you direct.

As only some of the colleges in the 1st Bn. have so far furnished the estimate, I am addressing the Commandant 1st Bn. to forward to you a consolidated estimate for the Bn. as a whole at a very early date after obtaining particulars from the remaining colleges.

Yours faithfully,

D. Narayanan

directed to communicate to you a copy of the letter from
the Director, National Cadet Corps, No. 0107/34/50/100

Extract from the note file relating to the training
of officers (NCC) for the 1st and 2nd Madras Infantry Bns.
and 3rd Madras Engineer Centre (C.No.51265-B1/48).

Please see the letter from the Registrar, University
of Madras on pages 193-194 c.f. The amount of Rs.1043-6-0
towards the payment of T.A. and D.A. required for the training
of Sri C.G. Swaminathan may be sanctioned.

2. It has since been decided in circulation that
the total strength of the N.C.C. units as originally fixed
(2000 cadets for Senior Division and 4000 for Junior Division)
may stand. The total number of officers to be trained for
the E.M.E. unit to be raised in the Engineering College,
Guindy, in 1949, is two while the number of officers
selected is three. The expenditure on the payment of T.A.
and D.A. for one officer is estimated at Rs.1283-6-0. As
it is sufficient to train two officers for the E.M.E. unit
an expenditure of Rs.2,566-12-0 may be sanctioned. The
Officer Commanding the 3rd Madras Engineer Centre may be
requested to arrange in consultation with the Principal
Engineering College, Guindy, to despatch two out of the
three officers selected by the Selection Board for training
and intimate the train by which the officers will arrive
at the Training Centre as it will have to be reported to
the Army units responsible for their training.

Two draft orders are submitted below for approval.
