Government of India.
Ministry of Education.

New Delhi: the 16th March, 1949.

From

Dr. Tara Chand, M.A., D. Phil.,
Secretary to the Government of India.

To

The Vice-Chancellor,
Madras University,
Madras.

Sub:- Alageppa Chettiar College of Technology, Madras.-
Grant-in-aid for implementation of Development
plan.

Sir,

I am directed to invite a reference to this
Ministry's letter No. F.1-56/47-E III(P) dated the 13th
March, 1948 and No. F.1-52/47-T2 dated the 16th March, 1949
and to convey the sanction of the Governor General to the
payment to you of the following advance grants for 1948-49
towards the implementing of the plan of development of the
above mentioned College on the conditions mentioned in
the Annexures to the latter (copy enclosed for ready reference)

Capital Grants

- 1) For Buildings. Rs.60,000 (Rupees sixty thousand only)
- 11) For Equipment Rs.30,000 (Rupees thirty thousand only)

This brings the total amount of grants and loan
sanctioned so far, to the followings:-

Capital Grant

- 1) For Buildings Rs.1,10,000
(Rupees one lakh and ten thousand only)
- 11) For Equipment Rs.40,000 (Rupees forty thousand only)

2. The expenditure on account of the grants is
debitable to "36-Scientific Departments", Demand No.
49-Grants-in-aid etc. -for the year 1948-49.

3. The amounts may be drawn from the accountant General
Madras, before the 31st March, 1949 on production of a
certificate that the amounts are being spent or will be
spent on the objects for which the grants

have been made.

Yours faithfully,

Sd/- (G.K.Chandiramani),
for Secretary.

18 MAR 1949

No. F.1-52/47-T(2) Dated 14th March, 1949.

Copy, with a copy of the Ministry's letter

No. F.1-52/47-T(2) dated 14th March, 1949, forwarded to

the Government of Madras for information.

S. After suitable progress has been made by

the institution, the Government of India may review

the arrangements now sanctioned in consultation with the

Provincial Government in the light of the financial

relationship between the Centre and the Province at that

time.

By order,

Sd. (G.K. Chandrasekaran),
for Secretary.

Against recurring grant of Rs.32,000 (Rupees thirty two thousand only) for the Textile Technology Department will be admitted such expenditure as is incurred on payment to additional staff as envisaged in the Development plan.

CONDITIONS GOVERNING GRANTS TO TECHNOLOGICAL INSTITUTIONS.

- i) In view of the fact that the All India Diplomas and University Degrees are expected to be approximately of equivalent standards, the syllabuses should, as far as possible be in accordance with the standards to be suggested by a Joint Committee of the Inter University Board and the All India Council for Technical Education. It is not contemplated however to encroach on the autonomy of the Universities.
- ii) a) The non-University Institutions shall include in the Selection Committees appointed for the purpose of recruitment of staff, independent experts from the panels submitted by the Institution and approved by the All-India Council for Technical Education.
b) In the case of colleges or departments under the administrative control of universities, the appointment of staff shall be made by Selection Committee constituted in accordance with the Universities' Acts and rules, or if the appointment of selection committees is not specifically provided for in the University Act, the rules shall be framed with the approval of the Inter-University Board. In every case, the All India Council for Technical Education shall be acquainted with the rules and regulations for the selection and appointment of the staff.
- iii) For the non-University Institutions, equipment for laboratories of various types and workshops shall be generally as prescribed by the All India Council for Technical Education.
- iv) a) A Visiting Committee or an Inspector appointed by the All India Council for Technical Education shall periodically visit the non-University Institutions receiving grants and report to the Council and the Provincial Government concerned whether the grants given by the Government are being properly utilised and also whether proper standards of teaching and examination are being maintained.

- : 2 : -

Institutions administered directly by Universities, the University concerned shall appoint a Visiting Committee in accordance with its own rules. Where such rules do not exist already, the University will be required to frame them in consultation with the University Grants Committee. Such Visiting Committee shall inspect the institutions annually and report to the universities whether the Government grants were being properly utilised in accordance with the conditions laid down. The Universities shall forward copies of all such reports to the All India Council for Technical Education.

v) Where degree course as well as Diploma course of definitely lower standard than the degree in the same subject are being taught, the capital and recurring grant shall be utilised for the promotion of higher Technical education only.

vi) Recipients of recurring grant shall bring the salary scale of teaching staff and their qualifications to the level approved by the Central Government in consultation with the Provincial Government and/or Universities concerned, within three years from the date from which the first recurring grant is made.

vii) In the case of non-University institutions, the appointing of Professors or Heads of Departments to permanent vacancies that may occur, shall be made with an interval of six months and in accordance with the conditions laid down in (i) (a) above. The placing of the present incumbents on Professorial status or status of Heads of the Departments for which grants are being made by the Government shall also be subject to the approval of the Council.

viii) The Central Government shall determine in consultation with the Provincial Governments and institutions the quota for each Province

- : 3 : -

for purposes of admissions to the institutions concerned.

ix) Capitation fees shall not be charged in respect of students admitted under the quota system fixed by the Central Government.

x) a) The Central Government shall have at least two seats for its nominees on the Managing Committee or the Governing Body of non-University institutions and the All India Council for Technical Education shall also have two seats thereon. The Principal or the Head of the institution shall be an ex-officio member of the Managing Committee or the Governing Body.

In all institutions there shall be constituted a College Council on which will be represented the Principal and all Heads of Departments. All academic matters pertaining to the College will be considered by this Council, and the proceedings of the Council shall be submitted to the Managing Committee or the Governing Body as the case may be. The Council shall meet at least twice a year.

x) (b) In case of University institutions where there is an advisory Committee the All India Council for Technical Education and the Central Government will be represented on it. Where there are no Advisory Committees, the All India Council for Technical Education shall have the right to appoint an ad-hoc Visiting Committee for the purpose of reporting how the grants given to the institutions were being utilised.

xi) The institutions should exercise the utmost economy in their working, as also in respect of expenditure from the grants for buildings and equipment.

xii) Such of the equipment as is available in Government surplus stores shall be obtained from that source, and

no orders for supply of equipment shall be placed elsewhere without first obtaining a certificate from the Director General of Disposals to the effect that he is unable to arrange supply of the articles in question.

- xiii) All expenditure to be met out of the grants shall be sanctioned by the Governing Body of the institute or other duly constituted body which ordinarily sanctions such expenditure or by the officers of the institution within the limits of specific authority delegated to them
- xiv) Grant under a particular head shall not be utilised for a purpose other than that for which it is intended except with the previous approval of the Government of India
- xv) A copy of the yearly statement of accounts of the institution duly audited and showing the amounts spent for the purposes for which grants are made shall be furnished to the Government of India.
- xvi) Where a grant has been given by the Central Government under specific conditions accepted by a University or an institution, the University or institution concerned shall if it does not comply with those conditions, be liable to refund the grant already received, in such manner as may be required by the Central Government and further grants shall be stopped.

REGISTERED A. D. AIR MAIL.

No. F.1-52/47-T(2).
Government of India.
Ministry of Education.

New Delhi: the 18th March, 1948.

From Dr. Tara Chand, M.A., D. Phil.,
Secretary to the Government of India.

To The Vice-Chancellor,
Madras University,
Madras.

Sub:- Alagappa Chettiar College of Technology-Grant-in-aid
for implementation of Development Plan.

Sir,

I am directed to invite a reference to this Ministry's letter No. F.1-56/47-E III(P) dated the 13th March, 1948 and subsequent correspondence on the subject of grant-in-aid to the Alagappa Chettiar College of Technology and to say that, in pursuance of the recommendations of the All India Council for Technical Education, the Government of India propose to give altogether the following grants and loan towards the implementing of the plan of development of the College as indicated in Annexure I, and subject to the conditions mentioned in Annexure II of this letter:-

a) Capital Grants:

Actual cost incurred for the development indicated in Annexure I, not exceeding in all the amounts shown below.

Department of Chemical Engineering.

- i) For College buildings Rs. 2,92,000
(Rupees two lakhs and ninety two thousand only)
- ii) For equipment Rs. 1,13,000
(Rupees one lakh and thirteen thousand only)

b) Ultimate recurring grants:-

Actual excess of the permissible expenditure of a recurring nature incurred by the Institution in giving effect to the scheme of development indicated in Annexure I over receipts from fees, and all other sources, limited to

Department of Chemical Engineering

Department of Textile Technology

Rs. 40,000
(Rupees forty thousand only) Per annum.
Rs. 32,000
(Rupees thirty two thousand only)

The amounts shown under (a) (i) and (ii) above include the advance grant of Rs. 50,000 (Rupees fifty thousand only) for buildings and Rs. 10,000 (Rupees ten thousand only) for purchase of equipment sanctioned in this Ministry's letter No. F.1-56/47-E III(P) dated the 13th March, 1948.

2. It is proposed to spread the payment of capital grants for the construction of college buildings and for the purchase of equipment over a period of three and four years respectively. The capital grant for a year will be sanctioned for payment in advance in two instalments, in May and November, on receipt of the following informations:-

a) To be furnished in April.

Statements from, or under the authority of, the body in administrative charge of the institution showing:-

- 1) Unspent balance of previous advances on hand and the anticipated expenditure on buildings and equipment during the half year ending on 30th September.
- ii) The actual expenditure during the preceding half year, and the progressive total.

b) To be furnished in October.

- 1) A copy of the audited accounts of the preceding year ending on the 31st March showing the expenditure on buildings and equipment under the development scheme.
- ii) A statement from, or under the authority of the body in administrative charge of the institution showing (A) the expenditure actually incurred during the preceding half year ending on 30th September and the progressive total, and (B) the unspent balance of previous advances on hand and the estimated expenditure during the rest of the financial year on buildings and equipment.

3. The recurring grant for each financial year will be sanctioned during December, on receipt of the following information which should reach this Ministry in October of each year.

- a) Number of students admitted to the various classes and on the rolls in the departments for which grant is made
- b) An audited statement of accounts showing the actual recurring expenditure for the preceding year on permissible items of expenditure, and all receipts of the institution.

c)

A detailed statement from or under the authority of, the body in administrative charge of the institution, showing:-

- i) the estimated recurring expenditure for the year,
- ii) the actual expenditure for the first six months i.e., April to September, and
- iii) the anticipated receipts for the year from fees, benefactions, grants from all other sources from which the recurring expenditure of the institution was being met before the commencement of the scheme.

from Provincial Government etc. and from

Until the teaching facilities of the institution are fully improved and expanded, a suitable amount of grant will be sanctioned after considering the progress made and after scrutinising the above statements.

4. Payments made in each year on account of recurring grants will be treated as advance payments, adjustable on the basis of the actual net excess of permissible expenditure over income from all sources if the actual net excess is less than the amount paid as advance. The adjustment where required, will be made while making payment of the grant for the next year.

5. I am to request that very early steps may be taken to set up or reconstitute, as may be necessary, the various committees etc. referred to in the conditions governing grants, on which the All India Council for Technical Education and / or the Government of India will have their nominees.

6. A separate communication is being addressed to you as regards the proportion of seats at the institution to be allotted to students from other Provinces and States.

Yours faithfully,

(G.K.Chandiramani),
for Secretary,

12
A detailed statement from or under the authority of the body in administrative charge of the institution, showing:-

- (i) the estimated recurring expenditure for the year,
- (ii) the actual expenditure for the first six months of the year, and
- (iii) the anticipated receipts for the year from fees, donations, grants from all other sources from which the recurring expenditure of the institution can be met before the commencement of the scheme.

from Provincial Government etc.

Until the teaching facilities of the institution are fully improved and expanded, a suitable amount of grant will be sanctioned after considering the progress made and after examining the above statements.

Payments made in each year on account of recurring grants will be treated as advance payments, adjustable on the basis of the actual not excess of permissible expenditure over income from all sources if the actual not excess is less than the amount paid in advance. The adjustment where required, will be made while making payment of the grant for the next year.

E+PH (G2)

Please see the minute of MH (Gen) above. The Govt have sanctioned a recurring annual grant of Rs 85,000/- and a non-recurring grant of Rs 7 lakhs to the University of Madras for expenditure on the

PP 60-61 of A
Q. 666 Gen, 29/4/49

on the Alagappa Christian College of Technology. The present grants from the Govt of India are of course made to the Madras University for the same College - ~~for the same College of Technology~~. Whereas the grants made by this Govt to the A.C. College are towards the ~~normal~~ working of the above College, the Govt of India's grants are made for certain specific objects, viz,

15 ante

- (1) The annual intake of students to the Chemical Technology course should be increased from 20 to 30.
- (2) The grant from the Govt of India should be utilised for the purpose of improving and enhancing the existing facilities for the above course and for providing additional teaching staff for the Technical Technology course.

Item 3 on p 59

The scheme should be implemented within a period of five years. Since enough of the above grants are for the same College, they are for different purposes. The question of diversion of the provincial grants to the A.C. College of Technology for other purposes does not seem to arise. ~~The grants from the Govt of India in this case do not relate to any of the objects for which the University has applied for grants from this Govt.~~ In the circumstances
