EDUCATION AND PUBLIC HEALTH DEPT.

(a) Yes.

(b) and (c). The two universities did not favour the constitution of these committees. The Government do not think it necessary to place the correspondence on the table of the House. E. & P.H. (G.3)

Please see the Legislative Council (short notice) question on p.1 c.f. ~~that the Minister for Education has not consented to the waiver of the usual period of notice in respect of this question and the question is therefore to be treated as an ordinary starred question and answered in the usual course.~~

Clause(a) Attention is solicited to the minutes of H.M(Edn)

on pp.1-2^{nt} and the u.o. note^{nt} to the D.P.I. on p.2 n.f. of G.O. No.404 Edn., dated 2-3-1948. The D.P.I. consulted the Registrars of the Madras and Andhra Universities in the matter. The answer to this clause may therefore be "Yes".

(b) The views of the two Universities are at pp.13 and 20 c.f. of G.O. No. 404 Edn., dated 2-3-48. Both the Universities are not in favour of the formation of Advisory Committees ~~for~~ aided colleges. The D.P.I. while agreeing with the views of the Universities stated that as a beginning the managements of colleges may be advised to form such Committees. Accordingly the managements have been advised to constitute Advisory Committees. The reply to this clause may perhaps be "The two Universities did not favour the constitution of these Committees". ¹¹ No purpose will be served by laying ~~the letters on the table~~ on the table the letters of the Registrars of the two Universities.

(c) The "great anxiety" mentioned in this clause has reference evidently to the letter of the Vice-Chancellor of the Madras University dated the 15th April 1948 and the copy of the Resolution passed at the meeting of the Principals of the Aided Colleges ^{forwarded by the Vice Chancellor}. The answer to this clause may be "The Government have seen the resolution passed at the meeting of the Principals of the Aided Colleges held on the 30th March 1948 ^{in which views to his effect have been expressed}. The fears entertained by the Principals are unjustified having regard to the composition of the Advisory Committee which will consist of ^{among others} the D.E.O. and two prominent non-officials ^{of four non-officials} selected from a panel of the ~~four~~ names suggested by the Principal, from among gentlemen belonging to the area in which the College is situated".

The answer may be:

(a) Yes.

(b) and (c). The two Universities did not favour the constitution of these committees. The Government do not think it necessary to place the correspondence on the table

of the House. But the D.P.I. recommended that the managements of colleges may be advised to form such committees and that recommendation has been accepted by Government. The order is advisory and does not compel any managements to constitute such committees.

Constitution of Advisory Committees for Aided Colleges.

* 194 Q.—Mrs. M. HENSMAN: Will the Hon. the Minister for Education be pleased to state—

(a) whether it is a fact that the Government consulted the Madras and the Andhra Universities about the question of constituting Advisory Committees for Aided Colleges;

(b) whether the Government will place on the table of the House the opinions of these two Universities; and

(c) whether it is a fact that the order since passed in G.O. No. 404, dated 2nd March has caused great anxiety to managements of Colleges and that representations have been made that this will result in creating a situation which will prejudicially affect the working of Colleges?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“(a) Yes.

“(b) & (c) The two Universities did not favour the constitution of these committees. The Government do not think it necessary to place the correspondence on the table of the House. The Director of Public Instruction recommended that the managements of Colleges may be advised to form such committees and that recommendation has been accepted by Government. The order is advisory and does not compel any managements to constitute such committees.”

Mrs. MONA HENSMAN:—“In the case of aided institutions and colleges which already have such advisory committees, I suppose Government do not propose to interfere with the working of these committees.”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“Government do not propose to interfere with any private institution unless they consider it absolutely necessary.”

SRI R. SURYANARAYANA RAO:—“Supposing a private college is not prepared to accept the advice of the Government to constitute an advisory committee, what is the action that the Government propose to take?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“Nothing, Sir, it is only an advisory committee.”
