R.O.C.No. 935-W1/48 dated 7th December, 1948.

WAR--Further Education and Training of demobilised personnel--Medical Licentiates--reading in Lake Medical College, Calcutta--exemption from the operation of rules ~~in~~ in Government Memo. No.70501-G1/47-2 Education dated 5.1.1948. (K)

917/10

(K)

I have the honour to address Government for grant of exemption to the following candidates from the operation of the rules in Government Memo.No.70501-G-1/47-2 Edn., dated 5.1.1948 for the grant of assistance under the Further Education Scheme.

A

1. Capt. K. Greenivasalao a demobilised medical licentiate was released from the Army on 5.11.1945. He joined the Lake Medical College, Calcutta on 6.6.1948 for further studies. As the interval between the date of discharge and the date of joining the college exceeded the limit of two years. The Surgeon-General points out that owing to the "the limited number of seats available for 'licentiates' in Medical Colleges, the war service candidates could not always obtain admissions to medical colleges within the prescribed period of two years from the date of discharge from the Army". The Further Education Board considered the case in their meeting on 20.11.1948, and decided to recommend the case of the candidate for necessary exemption from the operation of the rule in question.

2. Dr. S. Subramanian, a demobilised medical licentiate was discharged from the Army on 3.1.1946. and- He joined the college only in July 1948.

3. Capt. N. Subramanian, a demobilised Medical licentiate was discharged in September 1945. He joined the Lake Medical College, Calcutta on 1.6.1948.

In the case of the above two candidates the interval between the date of discharge from the Army and the date of joining the college exceeded the period of 2 years ~~prescribed~~ prescribed in (2) of Government Memorandum No.70501-G1/47-2 Edn., dated 5.1.1948. The candidates have stated that they were on disability pension from 3.1.1946 to 22.9.1948, and 9.9.45 to 13.6.46 respectively.

P

The Surgeon-General points out that the dates of discharge from the Army in these two cases should be deemed to be the dates on which they were declared fit and free from disability and from which date disability pension was stopped. The Surgeon-General points out that normally they would have continued in service but for their being placed on the disability pension lists. The Further Education Board considered these cases and decided to request Government to relax the rule in favour of the candidates. The Board also pointed out that the condensed course in the Medical

: 2 :

Colleges is an arduous course which during the period of disability the candidates could not take up.

I request that under the circumstances explained above the Government may be pleased to exempt the above candidates from the operation of the rule quoted above and permit the award of the educational concessions to the candidates under the Further Education Scheme.

I request the favour of early orders.

Yours faithfully,

S. Subramanian Esr.
