RC. No. 172-K2/47 dated 2nd September 1948.

Sir,

7 SEP 1948
663408

SUB: COLLEGES - Govt. Brahmam College, Tellicherry -
Opening of Group II in the Intermediate course.
etc

In connection with Part II of the Budget Estimate for 1949-50, I have the honour to submit for the favourable consideration of Government the following proposal for the introduction of ~~Grade II~~ in the Intermediate Course in the Government Brahmam College, Tellicherry, in the academic year 1949-50.

2. The College at present offers instruction Group I (Mathematics, Physics and Chemistry) and Group III (Indian History, Modern History and Logic) in the Intermediate course. The Principal has submitted proposals for the introduction of Natural Science in the Intermediate Course, stating that the University has decided that only students who have taken Natural Science be admitted to the Medical Colleges. I recommend the opening of the Natural Science group in the college as it will be beneficial to a number of students who seek admission to Medical Colleges.

3. The Principal proposes to maintain the existing sanctioned strength of the Junior Intermediate class. The present strength of Group I is 108. The Principal proposes to reduce this strength to 81 and provide 27 seats for Group II. There will, therefore be no increased fee & income on account of the opening of the subject.

4. The question of accommodation, staff and equipment involved in the proposal is explained below:
ACCOMMODATION.

5. The Principal states that a room which can be used as a combined laboratory and lecture class can be realised for the subject.

STAFF:

6. There will be a need for an additional staff of one Asst. Lecturer in Natural Science and one Laboratory Attender.

EQUIPMENT.

RECURRING

7. A non-recurring expenditure of Rs. 9000/- (Rs. 2500 for furniture and Rs. 6,500/- for apparatus and materials) in 1949-50. and a recurring expenditure of Rs. 750/- a year thereafter will be necessary.

8. The financial effect of the proposal will be as follows:
1949-50.

NON-RECURRING.

Furniture	Rs. 2500
Laboratory Equipment.	Rs. 6500

Rs. 9000/-.

RECURRING:

1 Asst. Lecturer in Natural Science.	150 x 8	1200
1 Attender	22 x 8	176

Rs. 1376

or 1400/-.

ULTIMATE COST:

1 Asst. Lecturer in Natural Science	205 5/9 x 12	2467
1 Attender	26 16/45 x 12	316
Laboratory equipment and books.		750

or Rs. 3,500/- a year, 3,53

9-8. I am including the necessary provision in Part II of the Budget Estimate for 1949-50.

Yours faithfully,

P. M.

FOR DIRECTOR OF PUBLIC INSTRUCTION.

Dearness Allowance

$$1 \text{ Assn. Lecturer} = 17\frac{1}{2}\% \text{ of } 150 + 8 = \frac{35}{2} \times \frac{150}{100} + 8$$

$$= \frac{105}{4} + 8 = 26-4-0 + 8 = 34-4-0$$

$$\text{Ultimate cost} = 34-4-0 \times 12 = 411-0-0$$

$$\text{Cost for 8 months} = 34-4-0 \times 8 = 274-0-0$$

$$1 \text{ Attender} = 19. \text{ Ultimate cost} = 19 \times 12 = 228$$

$$\text{Cost for 8 months} = 19 \times 8 = 152$$

$$\left. \begin{array}{l} \text{Total ultimate cost of} \\ \text{Account of dearness} \\ \text{allowance} \end{array} \right\} = 411 + 228 = 639$$

$$\left. \begin{array}{l} \text{Total cost for 8 months} \\ \text{Account of d.a.} \\ \text{House rent allowance} \end{array} \right\} = 274 + 152 = 426$$

Memo. No. 66340-1/48A Edu dated 25-9-48.

Sub: College - Govt. Brennan, Tellicherry.
Opening of Group II in Intermediate -
From the D.P.J. No. 172-K₂/47d-2-9-48.

The D.P.J. is requested to state whether any reduction cannot be effected in the existing staff for teaching Group I in the Intermediate in the Govt. Brennan College, Tellicherry consequent on the proposal to reduce the number of admissions to the group from 108 to 81, and, if not, why the strength for Group I should be reduced at all, when Group II is opened. If the present strength for Group I Intermediate is to be maintained, and Group II opened in addition, the Director is requested to furnish.

P.T.O.

Education Department.

Re.No.172-K2/47.

Office of the Director of
Public Instruction, Madras.
Dated 18th October 1948.

The Director of public Instruction.
Madras.

To

The Secretary to Government,
Education and Public Health Department,
Madras.

Sir,

Sub: Colleges - Government Brennen College, Tellicherry -
Opening of Group II in Intermediate.

Ref: Govt. Memo. No. 66340-1/48-A.Edn. dated 25-9-48.

With reference to the above Government Memo. I have
the honour to state as follows.

2. The opening of Group II in Intermediate in the Govt.
Brennen College, Tellicherry, has been proposed in view of the
growing and urgent demand for it. As there is no accommodation
in the college for opening the new group with additional strength
which will be about 60 when the second year class is
also opened, a corresponding reduction in the sanctioned strength
of Group I has been proposed. The reduction of strength in
Group I from 108 to 81 does not warrant any reduction
in the existing staff.

3. If the present strength of Group I is to
be maintained and Group II opened in addition the additional
fee income will be Rs. 3888/- in 1949-50 and Rs. 7776/-
per year in later years.

Yours faithfully,

for Director of Public Instruction.

19.10/

Explanatory Note.

The Director of Public Instruction has submitted a proposal to open Group II (Natural Science) in the Intermediate Course in the Government Brennen College, Tellicherry, for consideration as a Part II Scheme for 1949-50. In support of his proposal, the Director has stated as follows:--

The College at present offers instruction in Group I (Mathematics, Physics and Chemistry) and Group III (Indian History, Modern History and Logic) in the Intermediate course. The Principal has submitted proposals for the introduction of Natural Science in the Intermediate Course, stating that the University has decided that only students who have taken Natural Science be admitted to the Medical Colleges. I recommend the opening of the Natural Science group in the College as it will be beneficial to a number of students who seek admission to Medical Colleges.

The Principal proposes to maintain the existing sanctioned strength of the Junior Intermediate class. The present strength of Group I is 108. The Principal proposes to reduce this strength to 81 and provide 27 seats for Group II. There will, therefore, be no increased fee income on account of the opening of the subject.

The question of accommodation, staff and equipment involved in the proposal is explained below:-

ACCOMMODATION:- The Principal states that a room which can be used as a combined laboratory and lecture class can be released for the subject.

Staff:- There will be a need for an additional staff of one Assistant Lecturer in Natural Science and one Laboratory Attender.

p.t.o.

EQUIPMENT:- A non-recurring expenditure of Rs.9,000/- (Rs.2,500 for furniture and Rs.6,500/- for apparatus and materials) in 1949-50, and a recurring expenditure of Rs.750/- a year thereafter will be necessary.

This Department supports the proposal and recommends that provision may be included in the Budget Estimate for 1949-50 as shown in the summary at the top.

Rc.No.172 K2/47 dated 27-12-1948.

Sir,

Sub: Colleges - Government Brennen College, Tellicherry
- Opening of Group II in the Intermediate course.

98145 plainte

In my letter Rc.No.172 K2/47 dated 2-9-1948 I have submitted Part II proposals for the opening of Group II in the Intermediate in the Government Brennen College, Tellicherry in 1949-50, stating in detail the pressing need for the group and also the position in regard to accommodation. In view of the existing conditions I proposed a strength of 27 for the new group with a corresponding reduction in the strength of Group I. I am enclosing herewith a copy of the letter No.A.5511 dated 9-12-1948 from the Registrar, Madras University. The Registrar draws attention to the conditions for the permanent affiliation of the College and expresses the view that the University is not likely to accept the arrangements proposed for opening the new group. As regards the construction of permanent buildings for the College, I invite the attention of Government to my letter Rc.No.172 K2/47 dated 2-12-1948.

below

LF

Cm 58006/47

2. The proposal to open Natural Science Group (Group II) in the College was made in view of the fact that the abolition of the pre-registration class in the Medical Colleges has acted as a set back and on account of the absence of this group in the Brennen College (which is the only one in North Malabar District) students can not secure admission into the Medical Colleges. I am addressing the University explaining the urgent necessity for opening the group and also requesting them not to press for ideal conditions in as much as the proposal is confined to the sanctioned strength of the College and the accommodation proposed to be provided is reported to be not unsatisfactory.

3. As the public of the locality are anxious for this group I request that Government may address the University in the matter. I am also enclosing an extract from the Proceedings of the College Advisory Committee on the subject.

Copy of the Registrar's (Madras University) letter referred to above.

With reference to your application for the further affiliation of the Government Brennen College, Tellicherry, in Natural Science in the Intermediate and Hindi under Part II I am to inform you that the conditions for permanent affiliation of the College as a first grade College have not yet been complied with. Until these conditions are complied with, your application will be considered premature and will not likely be taken note of.

I am also to state that it is noted with surprise that "by a suitable rearrangement of classrooms, it will be possible to release one hall which will be sufficient for a combined Natural Science laboratory and lecture class." Such arrangement is not likely to be accepted by the University authorities.

X

Extract referred to overleaf.

The Committee learns with regret that the Government have deferred the construction of the building for shifting the High School Department of the College to the newly acquired site at Tiruvangad as per G.O.No.567 dated 19th Feb.1948 (Public Works Department) and requests the Government to reconsider the matter and take immediate steps at least for construction of semi-permanent sheds in the land acquired and already put in possession of the Principal in order to facilitate the opening of the Natural Science Groups in the University Classes in the next academic year, as under the existing conditions it is impossible to accommodate any new classes in the present buildings. The Committee further feels that it would be a lamentable state of things if the undergraduates from this Institution are to be denied admission in the Medical College for want of Natural Science Group in the College which is the only institution of its kind in the whole of North Malabar.

ENCLOSURES

SPARE COPIES

I have the honour to enclose herewith a copy of letters A.1214 dated 16-2-1949 and A.1215 dated 16-2-49 from the Registrar, Madras University, communicating the decision of the University regarding the further affiliation of the Government Brennen College, Tellicherry in ~~Grade~~ II under Part III of the Intermediate and the construction of permanent buildings for the College.

Yours faithfully,

for Director of Public Instruction.

KHR.22-2.

Copy of letter No.A.1214 dated 16th February 1949 from the Registrar, University of Madras to the Director of Public Instruction, Madras.

Ref: Your letter Rc.No.172 K2/47, dated the 21st October 1948 - Further affiliation of Government Brennen College, Tellicherry in Natural Science under Part III of the Intermediate course.

I have the honour to inform you that the Syndicate considered your above application for further affiliation of Government Brennen College, Tellicherry, and your letter dated the 27th December 1948 and resolved that in view of the fact that no steps have been taken for construction of the permanent buildings and that no space is available in the present buildings (vide letter No.A.6608 dated the 30th November 1946 - General Inspection Commission) the management be informed that the application is not to be considered after the construction of permanent buildings.

I am, therefore, to state that the application may be made in a subsequent year when the management is in a position to satisfy the Syndicate in regard to conditions preliminary to inspection and the permanent buildings of the College completed.

Copy of letter A.1215 dated 16-2-1949 from the Registrar of Madras University to the Director of Public Instruction.

Ref: Correspondence ending with your letter No.Re.173/K.2/47 dated 25-1-1949 regarding extension of affiliation of Government Brennen College, Tellicherry.

I have the honour, by direction, to state that the Syndicate considered the above and has resolved to inform you that it regrets that no steps have been taken till now to implement the recommendations accepted by the management (vide letter No.A.2553 dated 23-6-47). I am also to state that in view of your later letter dated 25-1-49 the Syndicate resolves to extend the provisional affiliation for another year and requests the Government to take immediate steps to complete the construction before April 1950.

In this connection I am to point out that the management should be able to seek permanent affiliation from the academic year 1950-51, the new buildings for the college being completed satisfactorily before April 1950.

It is requested that a detailed report may be forwarded on the action taken by the Government in securing a suitable site for permanent location of the College and construction of buildings and also reports (quarterly) on the progress of construction work. Please let me know whether the question of abolishing or removal of the High School Department has been finally decided.

An early reply is requested.

Memo. No. 66340-5/48A Edu dated 18-1-49.
Sub: college - Govt. Brennen, Tellicherry - Opening of Group II in the Intermediate Course.
From the D.P.I. No. 172 K₂/47 d. 27-12-48.

The D.P.I. is requested to report urgently the result of his proposed communication to the mty. as mentioned in para 2 of his letter read above.

To the D.P.I.

16/1/49

17/1/49

Letter Ref. No. 66340-6/81 Edn., dated 24-3-49

To

The Registrar,
University of Madras,
Chennai.

Sir,

GOVERNMENT COLLEGE, TELLICHERRY -
AFFILIATION IN GROUP II IN THE
INTERMEDIATE COURSE

The D.P.I. has reported to Govt. that the University has declined to entertain his application for affiliation of the Govt. College, Tellicherry, in Group II (Natural Science) under Part III of the Intermediate Course and asked him to renew the application after permanent buildings are constructed for the college. Ordinarily the Govt. would have acted according to the University's instructions and deferred the proposal to open the new group till permanent buildings are constructed. But in view of special reasons which are explained below I am to request that the University will be so good as to reconsider the matter.

The special reasons are as follows:-

(1) The College is now located in a congested area. The Govt. have in view a beautiful and historical place called "Dharmadam" about a mile away from the present college buildings for the permanent location of the college. The land is Govt. property and steps are being taken to get it transferred to the Education Department. After the land is transferred plans and estimates which will admit of future expansion of the college will be prepared. All this will naturally take some time. On the other hand if any buildings are added to the present college buildings the removal of the college to the site referred to above will be difficult, if not impossible.

Syndicate considered the above and has resolved to inform you that it regrets that no steps have been taken to transfer the college to the new site.

66340-6/81 Edn.

p 10 nt dF
p 13 nt dF

(2) The public of Tellicherry have promised to collect about Rs.5 lakhs towards construction of buildings on the new site. Any ~~hasty~~ ^{the Govt. would not likely like to materialise - it will take more time} action now would deprive Govt. of the help promised by the public.

(3) The college at present offers instruction in Group I (Mathematics, Physics and Chemistry) and Group III (Indian History, Modern History and Logic) in the Intermediate course. As the University has decided that only students who have taken Natural Science be admitted into the Medical Colleges the students of Tellicherry and the neighbouring places are placed at a great disadvantage on account of the lack of the Natural Science Group in the college.

It may also be mentioned here that the starting of the new group will not result in any increase in the total strength of the college. With the opening of the new group a corresponding reduction in the sanctioned strength of Group I will be effected.

In these circumstances I am to request ~~the~~ ^{the} University to allow the opening of the new group in the college from the academic year 1949-50.

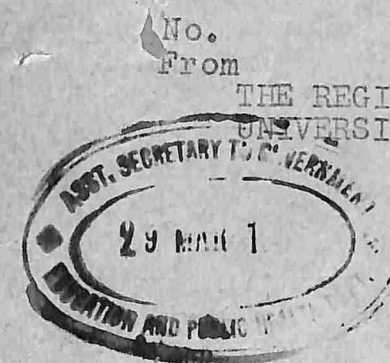

Necessary provision has been made in the budget for 1949-50 and this provision will go unutilised if the University does not grant the permission. I may also add that every attempt will be made to expedite the construction of permanent buildings.

Yours faithfully,

Part II Scheme - Govt Brennen college, Tellicherry - Opening of Group II in the intermediate.

The D.P.S. has submitted a proposal to open group II (Natural Science) in the intermediate course in Govt Brennen college, Tellicherry, as a Part II scheme for 1949-50. The proposal involves the appointment of an Asst Lecturer in Natural Science and an attender and a non-recurring expenditure of Rs 9,000/- on furniture and equipment. A recurring expenditure of about Rs 800/- on equipment will also have to be incurred. The proposal may be supported in this dept in view of the Director's remarks at A on page 1 of the file may be sent to the Fin dept for remarks.

E.P.H. u.o. 66340-2/48A

dated 26-10-48

The proposal to open the Natural Science group in the Intermediate Course in the Govt Brennen College, Tellicherry does not seem to be essential for carrying on the administration nor does it satisfy any of the criteria laid down for treating it as a Part II scheme for 49-50. In view of the need for stringent economy, this dept may advise against the proposal.
