G.No. 467-M/48 dated 20th September, 1948.

Adult Education Scheme--Provision in Part II of Budget Estimate for 1949-50.

In their Order No.Ms.846-Education dated 9.4.1948 the Government drew up a scheme for Adult Education which provided

1. Adult Literacy Schools for liquidating illiteracy among adults.
2. Training of staff for adult literacy work.
3. Rural Colleges for giving higher educational training for persons who have had some school education already
4. Training camps for social service workers.
5. Training camps for citizenship and Youth Workers and
6. Visual Instruction.

ADULT LITERACY SCHOOLS:-

Provision has been made in the Budget Estimate for 1949-50 for the opening of 100 schools and payment of grant. Rules for recognition and aid for these schools have been submitted to Government for their approval and their orders were awaited in the matter. Syllabuses for these schools have also been submitted to Government for their approval in Director's letter R.C.No.374-M/48 dated 18.8.1948. Adult literacy schools can be permitted to be opened in the current year only after the syllabus is approved by Government and the orders of Government regarding their approval of the rules for recognition and aid were received only on 15.9.1948.

It may be possible to open certain schools in the current year. Provision for these schools for the next year will be made in Part I of the Budget Estimate 1949-50.

adult
It is likely many literacy schools will be opened next year by the teachers trained in the Adult Schools as well as by others. Hence I am making provision in Part II of the Budget Estimate for the opening of 700 schools during 1949-50. The cost of the proposal works out to Rs. 75,600/- as shown hereunder:

For 700 schools with one Teacher
@ Rs. 12/- p.m. (Rs. 8/- grant plus
4 contingencies)

	Cost in 1949-50.	Total cost.
From 1.6.1949 for 9 months ..	75600	100800

2. TRAINING OF STAFF FOR ADULT LITERACY WORK:-

As per proposals approved by Government the 6 Government Training Schools for Adult school teachers with 5 batches in each will produce about 540 teachers during 1948-49. Since this number is quite inadequate I am of opinion that more teachers will have to be trained during 1949-50. Hence I suggest the opening of 12 centres during 1949-50 (4 in Tamilnad, 4 in Andhra Dosa, 2 in Malabar and 2 in Kanara) with 4 ~~sets~~ batches of teachers trained in each. If this is accepted it may be possible to secure the services of 1440 teachers trained in Adult Education by the end of 1949-50. In this connection I submit that each centre may work continuously with an interval of about two weeks between one batch and another so that there may not be much dislocation in the working of these schools. But it may be difficult for the teachers of the districts where there is no centre to go over to the nearest neighbouring centre for training. But this may not stand in the way of running the batches in one and the same centre. The cost on account of the proposal at the rate allowed in G.O.No.846-Education dated 9.4.1948 will be 72792 or 72800/-.

Staff, Stipends and contingencies for 12 centres @ Rs.1401-8-0 per centre ..	Rs. 16,818/-
For 4 batches .. 4 x 16818 ..	67,272
Equipment for 6 batches at Rs.920/- per centre ..	5,520/-
TOTAL ...	72,792/-
	or Rs.72,800/-

No equipment will be necessary for the other 6 centres as the equipment purchased during 1948-49 will be utilised.

3. RURAL COLLEGES:-

The Government in their Order No.846-Education dated 9.4.1948 have accorded sanction for the opening of 3 colleges under Government one for each linguistic area and for the grant of recognition to 20 colleges if opened by private agencies or by local bodies. Subsequently in G.O.No.2095-Education dated 25.8.1948 the Government have ordered that six colleges (3 for men and 3 for women) should be opened and the number to be opened by the private managements be reduced to 17. The syllabus for the rural colleges has since been approved by Government and steps are being taken to open these colleges. Proposals for the opening of colleges under private and Local Bodies are also being called for. The amount required for these colleges to be started by Government for 1949-50 will be included in Part I of Budget Estimate 1949-50. The Colleges will be under private management which are to be opened during the current year will become eligible for grant in aid during 1949-50 and the Government will be based on the charges

and receipts of the institutions for 1948-49. Hence I propose a provision of Rs. 10,800/- in Part II for payment of grant to 17 rural colleges during 1949-50. For the payment of equipment grant at the rate of Rs. 340/- per college a sum of Rs. 5,800/- may be required under equipment grant at the rate of Rs. 340/- per college a sum of Rs. 5,800/- may be required under equipment. I therefore make a provision of Rs. 10,000/- under recurring and Rs. 8,800/- under non recurring in Part II of the Budget Estimate 1949-50.

4. TRAINING CAMPS FOR SOCIAL SERVICE WORKERS:-

Sanction has been accorded by the Government in G.O.No.846-Education dated 9.4.1948 for the opening of 5 camps for the purpose. Steps are being taken for the opening of these camps. I suggest these course may be extended to next year also and necessary provision made in Part II of Budget Estimate for 1949-50. The cost on account of the proposal will be Rs. 5937/8 or Rs. 5,900/-.

Stipend for 30 students at 27½ each ..	825/-
Staff: 5 teachers with an allowance of Rs. 50/-p.m. and one attender at Rs. 25/-p.m. for 6 weeks (150 plus 25) 1½	262-8-0
Contingencies and Equipment	100-0-0
Total ..	1187-8-0
Total for 5 camps 1187-8-0 x 5	5937-8-0

5. VISUAL EDUCATION:-

The Government have accorded sanction in G.O.No.846-Education dated 9.4.1948 for the purchase of 8 projectors and films for 8 districts at a cost of Rs. 5,000/- per district for the employment of one electrical mechanic and one attender in each district. Since it is the intention of the Government that a projector should be supplied to each of the districts in the province I recommend that necessary provision in Part II of the Budget Estimate for 1949-50 be made for the purchase of 8 projectors for the employment of 8 mechanics and 8 attenders so that 8 more districts may have projectors next year. The cost on account of the suggestion will be as follows:-

8 Projectors and films for 8 districts @ Rs. 5,000/-	40,000/-
1 Electrical mechanic for each district on Rs. 40/- plus 19 D.A. (59 x 8 x 12)	5,664/-
1 Attender on Rs. 20/- plus 19 D.A. 1.c. (39 x 8 x 12)	3,744/-
Total	49,408/-

Training for citizenship and for leader in Youth Movement:

In G.O.No.846- dated 9.4.1948 sanction is accorded for an expenditure of Rs. 2700/- for each cycle of course. It will be necessary to have 8 Training courses under a maximum of 120 in each for the year 1949-50. The provision to be made for the year 1949-50

ORDER (MS.) NO. 1142 EDN., DATED 14.4.49

The Govt. approve the proposals submitted by the D.P.I. in his letter referred to above for the extension of the scheme of Adult Education, subject to the condition that the provision proposed by the Director for expenditure during 1949-50 on the various items should be reduced by 50 per cent, as noted below:-

(1) Opening of Adult Literacy Schools (350)	Rs. 37,800
(2) Training of staff for Adult Literacy Work (720)	Rs. 36,400
(3) Grants to Rural Colleges for Adult Education (720)	Rs. 8,300
(4) Training Camps for Social service workers	Rs. 2,500
(5) Visual Instruction to Adults	Rs. 23,150
(6) Training Camps for Citizenship and youthful workers	Rs. 10,800
Total	Rs. 1,19,000

2. The D.P.I. is informed that any additional expenditure to be incurred for the purchase of projectors and films for visual instruction (Vide his proposals in letters No.476-M/48, dated 17-9-48 and 10-11-1948 and No.2579-B1/48, dated 10-12-1948) may be met by re-appropriation.

3. The expenditure will be debited to the head in the current year's Budget under the head "37-Education - r. Miscellaneous - A. General - (1)

Excluding Post-War Reconstruction - 8. Other grants

Voted - Adult Education Classes and night schools".

Item (4) above.—The Director proposes to conduct five camps during 1949-50 for training 150 teachers (same figure in 1948-49) in social service. Each candidate trained will be allowed a stipend of Rs. 22½ for the course of six weeks. The expenditure on the staff required for giving this training and that on contingencies and equipment has been worked out on the usual basis.

Item (5) above.—In the Budget Estimate for the current year, provision has been made for the purchase of projectors and films with necessary staff for eight districts. The Director of Public Instruction suggests that a similar provision may be included in the next year's Budget Estimate for the purchase of projectors and films for eight more districts.

Item (6) above.—In 1949-50 the Director has planned to give training in citizenship to 960 (no number specified in 1948-49) teachers in eight batches of 120 each.

2. This Department have suggested that the proposals of the Director may be approved and necessary provision may be included in the Budget Estimate for 1949-50. The Finance Department have noted on the proposal as follows:—

"The Director of Public Instruction has proposed that provision may be made for the opening of 700 schools during 1949-50. The number of schools proposed to be opened during 1949-50 seems large, and it is doubtful whether teachers trained in the Adult Schools and others would come forward in such large numbers as to enable 700 schools to be opened during next year. It seems sufficient, therefore, to make provision for a lesser number of schools, say 400 at the most. Education and Public Health may be requested to consult the Director of Public Instruction on this point, and revise the estimate of cost accordingly before circulating this case. H. M. (Finance) should also see.

As the budget for next year has to be balanced without drawing on the reserves, according to the suggestion of the Government of India, it is necessary to go slow even in respect of essential and desirable schemes of development. Education and Public Health may therefore consider the reduction of the provision to be made in the next year's budget to about Rs. 1 lakh (recurring and non-recurring).

T.N.S.R.—21-10-48."

3. The orders in circulation are extracted below:—
 "The Standing Finance Committee may see the scheme and make whatever reduction they think fit. May go to Standing Finance Committee as it is."

T.S.A.—7-11-48."

"Standing Finance Committee may see. Finance's view may be given full consideration at the final stage."

B.G.R.—13-11-48."

M. V. SUBRAMANIAN—27-11-48.

3. The P. W. is informed that any additional
penalties to be incurred for the purchase of pro-
prietors and films for visual instruction on (vide his
correspondence No. 10-1-48, dated 17-1-48 and
11-1-48 and No. 2879-11-48, dated 10-11-1947) may
not be re-arrangement.
4. The expenditure will be incurred for the
purchase of films and films for visual instruction on (vide his
correspondence No. 10-1-48, dated 17-1-48 and

Education & Public Health Department.

Sir,

Subject: Scheme for training teachers for Social
Education centres

Reference: G.O. Ms. No. 1142 Education dated 14.4.49.

I have the honour to submit herewith details of a
scheme for training teachers for Social Education Centres
on the basis of the allotment of Rs 36,400 provided in the
current years' budget under the head Training of Staff
for Adult Literacy work.

The important features of the scheme are:

(a) It provides for six weeks' training courses to
run on continuously wherever possible for the rest of the
current official year.

(b) The expenditure is limited to the existing
allotment but the scheme can be enlarged if more funds
are available under this head.

(c) The unit of training is taken as one course of
six weeks for 40 trainees. The cost per unit of training
comes to Rs 2,275 worked out on the following basis :-

i	One Headmaster. Pay Rs 135 plus D.A. Rs 22 plus allowance Rs 40 i.e. Rs 207 p.m. or Rs 311 for 6 weeks.	Rs 311
ii	One Assistant (Junior Dy. Inspector of Schools grade) plus Rs 70 plus D.A. Rs 24 plus allowance Rs 25 i.e. Rs 115-4-0 p.m. or Rs 179 for 6 weeks.	179
iii	One drawing master. Pay Rs 45 plus D.A. Rs 22 i.e. Rs 61 p.m. or Rs 92 for 6 weeks	101
iv	Poon. Pay Rs 18 plus D.A. Rs 18 i.e. Rs 36 p.m. or Rs 54 for 6 weeks	54
v	Part time Music Instructor, Pay Rs 30 p.m. or Rs 45 for 6 weeks.	45
vi	Mechanic - Part time. Pay Rs 50 p.m. or Rs 75 for 6 weeks	75
vii	Clerk. Pay Rs 15 plus D.A. Rs 22 i.e. Rs 37 p.m. or Rs 100 for 6 weeks.	100
viii	Stipends @ Rs 22½ p.m. for 40 trainees Rs 900 or Rs 1350 for 6 weeks	1350
ix	Drawing materials, stationery and Misc. requires.	60
		Rs 2275

Note: Further expenditure under item ix Stationery and
contingencies will be incurred to the extent necessary
from possible savings from the other items.

p.t.o.

(d) On this basis it would be possible to conduct 16 courses and it is proposed, having regard to various factors, to arrange and distribute these 16 courses in the following manner.

	For men	For women
Tamil	1 Vedaranyam of 3 courses Tanjore Dt.	1 Conjeevaram
	2 Virudhunagar 2 "	
Telugu	1 Mangapuram 2 "	
	2 Patamatalanka 2 "	1 Nellore
	3 Hindupur 1 "	
Malayalam	1 Olavilam Chockli post 1 "	1 course in Shoranur
Kannada	1 Hindupur 1 "	1 course in Mangalore
	-Total 12 courses	4 courses.

(e) Stipends will be paid at Rs 22-8-0 per mensem to all bonafide teachers that attend the course irrespective of whether they are from aided or local boards schools case however being taken to selected only those who are already in charge of adult literacy schools or who may reasonably be expected to start them. Last year we paid at Rs 15 per mensem to deputes and Rs 22/8/- per mensem to non deputees. It is considered that there should be no such distinction and that a uniform rate would attract more teachers.

(f) Last year we paid to Headmasters and the Assistants an allowance of Rs 25 and Rs 15 per mensem respectively. Experience have to work during the day as well as far into the night in conducting practical classes with illiterate adults which can be held usefully only at night i.e. from about 6 to 10 p.m. It is therefore proposed to increase the Headmaster's allowance to Rs 40 and the Assistant's allowance to Rs 25/-.

(g) In addition to the Headmaster the assistant, drawing master, music instruction and mechanic, a clerk and a peon are provided as they are considered necessary especially as some of these training centres have to work continuously.

(h) Provision is made for payment of stipends to 40 trainees and it is considered quite feasible for the staff ~~xx xxxxxx~~ suggested to handle this number at a time.

3. As stated about the scheme is restricted to the amount allotted in the Budget under this head. If more funds become available the number of units could be increased according to needs.

Under this scheme we can train 640 teachers and the cost of training one teacher would be roughly Rs 57/- Rent free accommodation has been secured for these centres.

4. I request that Government be pleased to accord sanction to this scheme as early as possible.

Yours faithfully,

for Director of Public Instruction.

Education dated 4-10-49 the fourth centre for Andhra Desa which
was opened on 14-12-49 F.N. at Mangapuram, Chittoor District, will
be closed on 27-1-50 A.N. Though the present strength of the
Training School is reported to be 30, the Honorary Director of
Adult Education for Andhra Desa recommends the conduct of another
course on the ground that there is great demand for conducting
one more course. I support the recommendation of the Honorary
Director of Adult Education and request that necessary permis-
sion may be granted for the conduct of another course from
28-1-1950 to 13-3-1950.

Since full use was not made of the provision of the
strength of 40 students at each of the classes so far conducted,
necessary expenditure for running the proposed additional

cipated savings from other training ~~xxxx~~ centres.

I request that Government may be pleased to issue

The D.P.I. has submitted proposals for the extension of the scheme of Adult Education during 1949-50. E. & P.H. propose to accept the Director's proposals, as ~~the~~ they are intended to promote the spread of Adult Education in the Province.

Finance may agree to necessary provision being made for the purpose in Part II of the Budget for 1949-50, subject to the following remarks:--

The D.P.I. has proposed that provision may be made for the opening of 700 schools during 1949-50. The number of schools proposed to be opened during 1949-50 seems large, and it is doubtful whether teachers trained in the Adult Schools and others would come forward in such large numbers as to ~~bring the number of schools to~~ be opened during next year ~~to 700~~. It seems sufficient ~~the expendi-~~ ^{therefore} ~~ture~~ to make provision for a ^{lesser} ~~larger~~ number of schools, say 400 ~~or 500~~ at the most. E. & P.H. may be requested to consult the D.P.I. on this point, and revise the estimate of cost accordingly before circulating this case. ~~to~~ H.M.(Finance) should also see.

As the budget for next year has to be balanced without drawing on the reserves, according to the suggestion of the Govt. of India, it is necessary to go slow even in respect of essential & desirable schemes of development. E. & P.H. may therefore consider the reduction of the provision to be made in the next year's budget to about Rs 1 lakh (recurrent & non-recurrent).

The Finance Dept. suggest that against a provision of Rs 2.42 lakhs suggested by the D.P.I. for the extension of the scheme of Adult Education, it is sufficient to provide a sum of Rs 1 lakh.

It is for orders whether the suggestion of that Dept. may be accepted. The D.P.I. may be asked to revise the scheme accordingly.

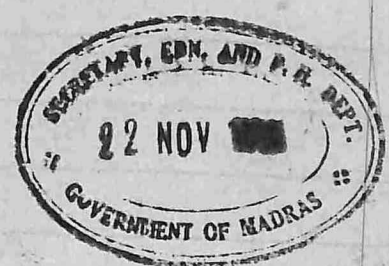

The file may be submitted to H.M.(Edn) and H.M.(Fin)

It may be noted in this connection, that the D.P.I. has separately proposed to open a Central Library in his office and to lend the films to educational institutions on hire. These proposals are being examined and submitted separately. For orders. If the proposals made by the Director are approved there may not be a need for the purchase of films and projectors as indicated in the Part II Note below, during 1949-50. Perhaps the note may be revised with reference to orders that may be passed on that file.
