Sir,

Sub: BUDGET ESTIMATE for 1949-50 - Elementary
Education Fund - Municipal Council, Salem.

41785
pages 2-3
REF: G.O.No.E & P.H., M.S., 1145 dated 14-4-49.

G.O.No.1145 E.& P.H., M.S., dated 14-4-49 passing orders on the Elementary Education Budget Estimate of the Salem Municipality for 1949-50 and communicating an extract of the remarks of the Director of Public Instruction, Madras, in Roc.No.98.B3.48/49. dated 5-3-49 was placed before the Council at its meeting held on 26-5-49. In its resolution No.277 dated 26-5-49, the Council has decided to approach the Government for sanctioning a grant of Rs.15,000/- to cover the deficit of Rs.6863/- and also to meet increased expenditure for payment of rents to school buildings and additional accommodation provided. As the Government had exempted the buildings of Hindu temples from the provision of Rent Control Act the trustees applied for payment of additional rent where municipal schools are located and the council had to pay enhanced rent in these cases. The above exemption has been since rescinded while trustees of temple buildings press for payment of increased rent on the analogy of the increase given to others.

not put up // Under the instructions contained in G.O.Nos.1478 Edn., dated 2-9-41 and 139 Edn., dated 22-1-42, any expenditure incurred over and above the sanctioned budget in respect of elementary education fund prior sanction of the Government had to be obtained and that no expenditure in excess of the sanctioned budget provision should be incurred without such sanction.

While passing orders on the budget for 1949-50 Government have advised the Council to rectify defects pointed out by the Director of Public Instruction with regard to accommodation and equipment in several schools. Unless the grant is given, it will not be possible for the council to meet the additional expenditure.

I therefore request that government may be pleased to sanction the payment of a grant of Rs.15,000/- as requested by the Council, to cover the deficit shown in the sanctioned Budget, to meet increased building rents and also to rectify other defects pointed out by the Director of Public Instruction in the current year.

A copy of M.C.R.No.277 dated 26-5-49 is also enclosed.

Co. No. 1145 Edn., dt 14/4/49

① In the Government Memorandum cited above, the contribution made from General Fund to Elementary Fund Account is noted as Rs.91,000/- which includes Rs.69,000/- ordinary and Rs.12,000/- under capital. But the provision of Rs.20,000/- made under capital work for construction of buildings by the council had been deleted. The construction of building for III Ward Boys School is now under progress and the Government have also sanctioned a grant of Rs.7,000/- for the estimated work of Rs.17,000/- The provision of Rs.91,000/- has to be apportioned as Rs.12,000/- under capital account and Rs.69,000/- under ordinary.

The actual closing balance on 31-3-49 in the Elementary Education Fund accounts is Rs.17,296/-

A sum of Rs.2,000/- may be required additionally to meet the payment of increased rent for 8 existing rented buildings.

A sum of Rs.2,500/- is also required for purchase of furniture to be supplied to Elementary School as has been remarked by the Director of Public Instruction.

To give adequate accommodation for 23 schools and to replace the 7 schools in suitable buildings as pointed out by the Director of Public Instruction may require an additional amount of at least Rs.3,500/-

In the light of the foregoing facts a sum of Rs.5,301/- as grant from Government is necessary to meet the deficit as shown below.

I therefore request the Government that a sum of Rs.5,301/- may kindly be sanctioned and ordered to be paid as grant in the year 1949-50.

Ref: From the Commr. Salem Mty. Nos. 17707/48 d. 14-2-49.
 From the D.P.E. No. 98 B3/48 d. 5-3-49.

The R.E. for 1948-49 and the B.E. for 1949-50 of the E.E. Fund of the M.C. Salem call for the following remarks.

2. R.E. for 1948-49: - (i) Credit taken for Govt. subsidies under Section 37 of the E.E. Act and under Proviso to Section 37 of the E.E. Act is correct.

(ii). Provision has been made for a contribution of Rs. 15000 and Rs. 10700 from the general funds towards the 'Ordinary' and 'Capital' side respectively. L.A. have not objected to this. The contribution may therefore stand.

(iii). Credit taken for a Govt. subsidy of Rs. 7000 towards capital side is correct.

(iv). The expenditure 'ordinary' and 'capital' is in excess of the sanctioned expenditure. This is due to grant of d.a. to the staff at enhanced rates, employment of additional staff, and construction of school buildings. The excess expenditure may be allowed.

(v). As per the estimates framed by the Council, the Account closes with a balance of Rs. 16825. In view of the remarks of L.A. at p.25.c.f. the Council should reduce the A.T.C. to be utilised from Rs 57142 to Rs. 40317. The R.E. will then close with a 'nil' balance.

3. B.E. for 1949-50 - (i) Credit taken for a Govt. subsidy of Rs. 55100 Under Sec 37 of the E.E. Act should be reduced to Rs. 52754.

(ii). Provision has been made for a

Contribution of Rs. 69000 from the general funds towards the ordinary side. This has been agreed to by L.A. and may therefore stand.

(iii). Credit has been taken for a Govt. subsidy of Rs. 10000 towards construction of ele. school buildings. The question of actual selection of building schemes for 1949-50 for the distribution of the Rs. 10 lakhs allotment has yet to be settled, and it cannot be forecast at this stage as to whether the M.C. Salem will get a subsidy of Rs. 10000. The credit taken may be disallowed.

(iv). Revised with reference to the suggestions above the B.E. will close with a deficit of Rs. 28863. In view of the large deficit anticipated, the provision made for a capital expenditure of Rs. 22000 may be disallowed. If this is done the Account will close with a deficit of Rs. 6863. The question of avoiding this deficit may be considered if necessary after the R.E. for 1949-50 is known.

(v). In view of para (iv) above there is no need for any immediate enhancement of the edn. tax as the deficit can be avoided by granting subsidy towards d.a.

A draft order is submitted below for approval. L.A. may see before issue.

Sir,

Sub: ACCOUNTS - Adjustment of Rs. 13,534 from General Funds to Elementary Education Funds - Report Para 5(a) of 1949-'50 - Sanction of Government - Requested.

Ref: Audit Report (Elementary Education Accounts) Para 5(a) of 1949-'50.

I enclose herein an extract of Paragraph 5(a) of the Audit Report for 1949-'50 on the Accounts of the Elementary Education Fund asking for the adjustment of Rs. 13,534/- from the General Funds to the Elementary Education Funds.

PP 27-29 (A)

In G.O. No. 1145 Education, dated 14-4-1949 issuing orders on the Budget Estimate of the Elementary Education Funds for the year 1949-'50, a sum of Rs. 1,000/- was provided as contribution from the General Funds to the Elementary Education Funds closing the Budget Estimate with a balance of "minus" Rs. 6,863/-. But in the revised estimate for the year 1949-'50, provision was made for a contribution of Rs. 74,000/- from the General Funds and Rs. 14,500/- from the Exhibition Funds, to the Elementary Education Funds towards Ordinary and capital accounts and the same was approved in G.O. Ms. No. 1795 Education dated 15-6-1950. The approved Revised Estimate closes with a balance of Rs. 14,927/-.

PP 9 (B)

PP 31-33 (B)

While closing the annual accounts of the Elementary Education Funds for the year 1949-'50, two sums viz., Rs. 63,000/- and Rs. 14,466/- were contributed to Elementary Education Funds from the General Funds and from the Exhibition Funds respectively. With the above contributions the Elementary Education Fund Accounts for 1949-'50 closed with a balance of Rs. 8,732/-.

In para 5(a) of the Audit Report for 1949-'50 (Elementary Education Funds), the Audit Department now state that the balance of Rs. 13,534/- (Rs. 91,000 minus Rs. 77,466) would need to be adjusted to the credit of the Elementary Education Funds.

A reply was furnished to the Audit Department that the contribution made was sufficient to meet the expenditure during the year and there was no need at this stage to have any amount adjusted to the credit of the Elementary Education Funds. But the Audit Department does not accept the above reply and insists upon the adjustment of the balance of Rs. 13,534/- being made from the General to the Elementary Education Fund.

As the contribution of Rs. 77,466/- made to the Elementary Education Funds from the General Funds and from the Exhibition Funds was sufficient to meet the expenditure and there was also a balance of Rs. 8,732/- for the year 1949-'50 as against the budgeted balance of minus Rs. 6,863/-, I request that Government may be pleased to instruct the Audit Department not to pursue the objection.

A copy of the Municipal Council's resolution No. 1709 dated 22-11-1951 sanctioning the revised adjustment of contribution is enclosed.

Extract of Paragraph 5(a).

5. EXPENDITURE IN EXCESS OF BUDGET PROVISION - SANCTION WANTING AND OTHER DEFECTS.

(a) In G.O.No.1145 Edn, dated 14-4-1949 passing orders of the Budget Estimate of the fund for the year a sum of Rs.91,000/- was required to be adjusted from the general funds, as contribution. But actually however the amount adjusted to the Elementary Education Funds was only Rs. 77,466/- as under:

(i) to ordinary account.	..	Rs. 63,000
(ii) to capital account.	..	14,466
Total.		77,466

The reason for not adjusting the entire amount as per orders of Government was not explained. The balance of Rs. 13,534/- would need to be adjusted to the credit of the Elementary Education Fund.

(THE COPY).

Extract from the Proceedings of the Municipal Council, Salem passed at its Meeting held on 22-11-1951.

Resolution No.1709.

To sanction the adjustment of the contribution of Rs. 63,000/- from the General Fund and Rs. 4,466/- from the Exhibition Funds to the Elementary Education Fund Account during the year 1949-'50 as against Rs. 91,000/- provided as contribution to the Elementary Education Funds from the General Funds in the Budget for 1949-'50.

NOTE:

The contribution of Rs. 77,466/- made to the Elementary Education Fund during the year 1949-'50 was sufficient to meet the expenditure during that year and the closing balance under C. Elementary Education Funds for 1949-'50 was Rs. 8,732/-. There is therefore, no need now to adjust the balance of contribution of Rs. 13,534/- from the General Funds as suggested on by the Audit Department in para 5(a) of the Audit Report for 1949-'50 and in para 5 of the Audit Report for 1950-'51.
