I invite attention to the G.O. first cited above in which a
sum of Rs. 4000/- (3000/-) for the construction of a Reading Room and
library at Anthiyur was sanctioned. The work could not be taken up
during 1946-47. In the Government memo second cited above, permission
was granted to utilise the amount during 1947-48.

2. The Divisional Engineer (Highways) Erode, prepared an
estimate for Rs. 3000/- for the construction of Reading Room and
library at Anthiyur. But due to the poor response from contractors
to take up the work at the low rates adopted in the estimate the
work was not carried out during 1947-48. This fact was already intimated
intimated in this office reference dated 25.4.48. (X)/47

3. The Govt. in their memo No. 30939-C2/48-2 Education dated
4.5.48 have granted permission to utilise the amount of Rs. 3000/-
during 1948-49 for the building. Now the Special Officer, District
Board, Coimbatore states that the Divisional Engineer (Highways)
Erode has sent a revised estimate for Rs. 4100/- as per current
schedule of rates as no contractor is prepared to carry out the work
at the low rates adopted in the estimate for Rs. 3000/-, and requests
that an additional grant of Rs. 1100/- may be sanctioned. The revised
estimate for Rs. 4100/- has also been sanctioned by the District Board.
In the circumstances stated above, I recommend that an additional sum
of Rs. 1100/- as requested by the Special Officer, District Board,
may be sanctioned by the Government. A copy of the letter received
from the Special Officer is enclosed. P.5 infra (X)/49 P.3 infra P.5 infra

Sub: War - Grant - Construction of Library and reading room at Andhivur.
Revised estimate for Rs.4100/- Sanctioned - excess - grant - request.

3. Your letter Ref.No.17073/K.4/47 dated 16.5.48.
4. Letter Re. D.2/48 dated 31.8.48 from the Divisional Engineer (Highways) Erode. 4

In your letter dated 13.7.47, permission was granted to utilize the grant for the construction of Public Reading Room and Library in Andhivur during the year 1947-48. The Divisional Engineer, (Highways) forwarded an estimate for Rs.3,000/- for the construction of the same and it was sanctioned and communicated in this office Endt. dated 6.12.47. But the work was not carried out by the Engineering Department during the year for want of contractors and this was reported to you in this office letter dated 13.4.48.

In your letter dated 16.5.48, permission was accorded to utilize the grant during 48-49 and the Divisional Engineer was asked to carry out the work atleast during the year. The Divisional Engineer forwarded a revised estimate for Rs. 4100/- as per current schedule of rates. This estimate is also sanctioned in District Board Resolution 346 dated 28.9.48 copy enclosed for your information. P.3 ante

The sanctioned Government grant available for the work is Rs.3,000/-. But the revision of estimate entailing increased cost by Rs.1,100/- ~~Rxxix~~ (Revised estimate being for Rs.4,100/-) could not be avoided as no contractor was reported to be available for the very low rates adopted in the estimate for Rs.3,000/-. In the above circumstances, I request you to recommend to the Government, an additional grant of Rs.1,100/- for this work.

In the G.O. first cited above, a sum of Rs. 3000/- for the construction of a library and reading room at Andhiyur was sanctioned. As the amount could not be spent then, the government in their second memorandum permitted it to be utilised during the year 1948-49. An expenditure of Rs. 1540/- only was incurred by the District Board, Coimbatore on the construction in the year 1948-49, and it was paid to the District Board. The balance is Rs. 1460/- In the G.O. 3rd cited above the Government have sanctioned an additional allotment of Rs. 1100/- for this work.

The President District Board, Coimbatore has now sent a bill for the adjustment of the balance of expenditure incurred viz. (Rs. 1460/- plus Rs. 1100/-). I request that sanction may kindly be allowed to adjust the amount before the end of the year 1949-50.
