No. Roc 2393 K4/48 dated 19--3---1949.

Sir,

Sub:-- Inspection--Personal Assistants to the District Educational Officers--Further continuance.

Ref:-- G.O. No. 822 Edn. dated 8-4-1948.

The sanction accorded in the above order for the continuance of the temporary posts of Personal Assistant's to the District Educational Officers expire on 31-3-1949 and the Divisional Inspectors have submitted proposals for the further continuance of the posts.

2. I enclose a statement showing the number of papers, amount of teaching grant disbursed to elementary schools etc. and it may kindly be seen therefrom that work in all the offices has been on the increase due to various factors, mainly on account of the amalgamation of boys and girls ranges and the re-organization scheme. It is expected that the system of monthly payment of grant to elementary schools with effect from March 1949 will increase the work in these offices further. Every year new secondary schools are being opened in each district with the result that many of the District Educational Officers find it difficult to cope up with the inspection of all the secondary schools during the year. It is not possible for the District Educational Officers to pay personal attention to all the office work and relief should be given to them from the routine office work so as to enable them to devote greater time and effort to executive work. There is therefore a need for the continuance of the Personal Assistants who are helping the District Educational Officers in the routine work and correspondence of the office.

3. In the circumstances I request that Government may kindly sanction the continuance of the posts for a further period of one year from 1-4-1949.

Yours faithfully,

for DIRECTOR OF PUBLIC INSTRUCTION.

May be it was created during war, but our work has grown
so tremendously that it is not possible to get along without
them. In fact, this matter was considered some time back and
these Personal Assistants were abolished in some small districts
where it was considered not necessary. This matter is being
considered in detail and this extension is only for 3 months.
And so, till the matter is considered, this interim extension
may be given.
