Enclosures: R.O. No. 1208 E4/48 dated 14-4-1949.

Sir,

Sub: National Cadet Corps - Junior Division - Raising of Units in 1949 - Training of officers.

Ref: Govt. Memo. No. 92017-B1/48-27, Edn, dated 11-4-49.

I furnish below the particulars required in the Government Memo quoted above.

According to the number of Units allotted to the various Schools specified in the Director's letters Roc. 1208 E4/48 dated 15-12-48 and 16-1-49, 107 teachers are to be trained in the ensuing summer vacation. A daily allowance of Rs. 4/- per trainee is to be granted for the period of training namely 2 months or 60 days. The cost of allowance comes to Rs. 4 X 60 X 107 = 25,680.

As the place of training is not known, a flat rate of Rs. 25/- per head has been taken for calculating the cost. These officers are eligible for single inter class fare and daily allowance admissible to them for the days of journey. There is no inter class at present. They may therefore have to travel in II Class.

Rail fare II Class - 25 X 107 = Rs. 2675

Total provision to be made = 25,680 plus 2675 = 28,355 or Rs. 28,500 in round figure.

Incidentally, I may state that I do not have a finalised copy of the draft rules of National Cadet Corps 1948. The cost is calculated at the rate specified in rule 35(2) Schedule II of the draft rules forwarded with Government Memo No. 63327-B1/48-2, Education, dated 26-8-48. A finalised copy of the draft Rules of National Cadet Corps may be sent to me urgently. The training of the teachers may commence from the 1st week of May 1949.

Yours faithfully,

Requested.

Ref:- G.O.No.Ms.1168 Edn., dated 18-4-49.

In para 2 of the Government Order quoted above, the Government have authorised me to draw the amount required for payment of an advance to cover Road mileage, Train fare to join the training centre and Daily allowance for two months to the officer trainees undergoing training at Wellington. The Daily Allowance to the Trainees for the first month and other allowances were drawn and disbursed to them through the Correspondents of the schools. The trainees were instructed to join duty on or before 23rd May 1949. Out of 65 trainees, 43 joined duty on 22nd May, 21 joined duty on 23rd May and the others on 27th May.

The Officer Commanding, Madras Regimental Centre, Wellington reported to this office that the training will be finished on 25-7-49. As the trainees joined the training centre a few days prior to the commencement of the training, a bill for advance Daily Allowance for the second month was claimed on behalf of 43 trainees at Rs.4/- for 33 days and 21 trainees at Rs.4/- for 32 days and 1 trainee at Rs.4/- for 28 days. But the Accountant General, Madras, has admitted Daily allowance at Rs.4/- only for 30 days to the trainees who joined before the commencement of the training and disallowed the claim in excess of 30 days. I consider that the Trainees should be allowed Daily allowance for the periods over and above the period of two months. In the circumstances stated above, I request that Government may be pleased to issue the necessary orders in the matter in order to enable me to claim the Daily Allowance to the Trainees for the excess period supplementally.

As the Trainees will be relieved on 25th July, I request you to favour me with early orders of Government, on the subject.

Yours faithfully,
