Ref: Your No.4.Edn./Provl./W.S.P.R/ dated 12th April 1948.

With reference to the above I appeared for the interview on the 30th April 1948. It is regretted that I have received no intimation as to the result of the interview. Recently I had come to know from your Office that my name was selected and sent to the Government for approval. I am surprised to know from papers that the vacancies advertised for have been filled up by juniors with practically no experience and have no war service to their credit. I shall be highly obliged if you would kindly let me know whether the war reserved vacancies have been filled up or whether I have to still await order of appointment.

My service book containing discharge certificate from Military Engineering Service, which I had produced during my interview on 30th April 1948, may kindly be returned to me if the same is no longer required in your Office.

Thanking you.

I am directed to invite a refce. to the orders since issued in G.O.No.694-P.(S), d/- 14-3-49, and to state that in the case of Mr. K.C.Abraham, however, the Govt. consider that there is no justification to issue a declaration under section 262(2) of the G. of I. 2. Mr.K.C.Abraham is the only candidate who is reported by the Comm. to have come out successful at the Comm's examination for the remaining post - Instructor in Civil Engg. He is however a Travancore State subject. As it is, unless a declaration under section 262(2) of the G. of I. Act, is issued in his favour, he cannot be apptd. But, in another file of this dept., Public (Gl.) stated recently that ~~the issue of~~ general orders ~~by~~ are likely to be issued shortly in that dept., to the effect that for the appt. of the subjects of those Indian States which have acceded to the Indian Union, such declarations are no more necy. ~~is under consideration.~~ The Commission is apparently referring to that matter in para 3 of its letter: (a copy of the Dev.Dept.'s refce. mentioned there could not be had from that dept. informally). It is likely that by the time Mr.Abraham's appt. is ordered after his being found physically fit, the general orders refd. to above will have been issued - and under that presumption, a

para 3, C.F. 1

declaration now is not necy. in the case. The Commn. may be informed accordingly, and asked to call for from the candidate a certificate of physical fitness.

Anyway, Govt.'s sanction under General Rule 10(c) for the inclusion of Mr.Abraham's name in the approved list is necy. As no suitable non-Indian State subject is available, the Commn. may also be informed that that sanction in respect of the candidate will be given by Govt.

According to the procedure laid down in G.O.No.821, Public (Services) dated 15th March 1947, the posts of Professor of Mechanical Engineering, Instructor in Surveying and Drawing and Lecturer in Commerce have to be filled by open competition. But I may submit that a number of candidates who have undergone advanced studies in Mechanical Engineering subjects are returning from overseas and they will be absorbed on the teaching staff of the several colleges of Engineering. Three of the Government servants (Messrs. S.L.Balasubramanian, P.V.B.Bhooshana Rao and S.Anantakrishnan and S.P.Vores who are now officiating as Professors of Mechanical Engineering under emergency provisions have considerable departmental experience. If a candidate is to be recruited direct to the post of Professor of Mechanical Engineering by open competition, the chances of promotion to the existing experienced persons and to those overseas-returned scholars, are likely to be blocked and this will lead to discontent. I, therefore, request that, pending consideration of the claims of the existing officers and those of the overseas scholars to be absorbed in the Education Department, the question of direct recruitment to the post of Professor of Mechanical Engineering by open competition be dropped.

The MPSC was asked last year to select direct recruits with war service for the posts of Prof. of Mech. Engg. and Instr. in Surveying and Drawing, among other posts. No qualified and suitable candidates became available for the two posts. W.r.t. G.O.821-F.(S), d/- 15-3-47, the posts have now to be filled by open competition - i.e., by direct recruitment from among persons who need not necessarily have rendered war service. But, for the reasons given at C.F.3, the D.P.I. suggests that the question of filling the Professorship in that manner may be dropped. This suggestion may be accepted. As to the Instr.'s post, the Dir. says that it may be filled ~~xxx~~ by open competition. ~~Extx~~ It seems that reasons similar to those given by the Dir. in respect of the Prof.'s post would operate here too. Hence, the Dir. may be asked to clarify the point. A draft Memo. is subd. Pub.(Ser.)

Cancellation of selection made by Commission of Sri K.C.Abraham for post of Instructor in Civil Engg.

c.37053/49

G.O. 1865 Ed.
27.7.48

This case is somewhat similar to the
Para 3, (P)/1-2 one noted on in the top file. Mr K.C.Abraham ~~was selected~~, a Travancore State subject, was selected by the M.P.S.C. for appt. to a war-reserved vacancy in the post of Instructor in Civil Engineering. This and the Pub. Depts. opined
(P)/12-15 that the declaration of eligibility to hold appointments in the Province, necessary for State subjects, might be issued in Sri Abraham's favour for the reason that no suitable war service candidate belonging to ~~this Province~~ the Indian Dominion was available. But that view was upheld in circulation - pp.15-16 of "P". Mr.Abraham's
(P)/9-11 selection was therefore cancelled by the Commission.
(P)/9-10 vacancy has been de-reserved for appointment by a non-war service candidate.

In reply to his letter below, Mr.Abraham may be told, ~~w.r.t. letter below,~~ that in respect of jobs under the Provl.G declarations of eligibility to hold appointments contine to be necessary for subjects of the States that have accede as well as for subjects of the States that have not acceded to the Indian [illegible] ~~also;~~ that no action for getting the declarations laye on the part of the individual candidates ~~selected~~ and at the Govt. and the Commission ~~took~~ take the necessary action;
(P)/15-16 ~~and~~ but that in his case the Govt. considered that there no sufficient justification for issuing the declarati and that now the vacancy in the Instructor's post does not remain reserved for a war service candidate but has been de-reserved.
