Sir,

National Cadet Corps - Senior Division ~~Instructional~~
~~International Staff~~ - Jcos & Ncos - Boarding and accommodation.

I am directed to state that the Officer Commanding the 1st Madras Bn. N.C.C. has requested the Govt. to arrange for boarding and living accommodation for 2 Jcos and 9 Ncos. In para 3 of letter No. 0010/48 N.C.C. dated 12-4-48, it was stated that the Govt. of India have undertaken to bear the expenditure on the pay and allowances of officers and Junior and Non-Commissioned Officers of the Regular Army who would be posted to the N.C.C. units, but no mention was made about accommodation and boarding.

I am directed to enquire whether Junior Commissioned Officers and Non-Commissioned officers posted to N.C.C. units are entitled to free accommodation and boarding, and if so whether Provincial Govts. of India will meet the expenditure on the provision of necessary accommodation and boarding for these officers.

It would be convenient if the officers are required to make their arrangements for boarding and accommodation in the residential hotels in Madras city and other Dt. headquarters where these officers will be posted or in the military quarters

wherever available at those stations. Yours faithfully,
6-10-48. P.T.O.

ii. National Cadet Corps - Senior Division - 1st Madras Battalion - JCOs + NCOs - Boarding + accommodation
Reference letter from the Officer Commanding
1st Madras Bn. NCC no. 1/125 D. 1.10.48.

I am directed to state that according to the scale of establishment of Regular Army Personnel for Senior Division Units, four Jcos and nine NCOs will be posted for an Infantry Battalion of four companies at the rate of 1 Jco + 2 NCOs per company and one NCO for Headquarters. - From the letter of the Officer Commanding the 18th Madras Bn. cited above, it appears that only two Jcos will now be posted presumably one for the Companies at Madras and another for the Company at Anantapur. As the miscellaneous staff is expected to be at the headquarters.

6/12/48

of each Company, it will be convenient if arrangements can be made for the boarding and lodging of these officers in the hostels attached to the Colleges to which the Companies have been allotted, where separate quarters are available, they may be allotted to them, and the officers may be requested to apply to the Rationing Officer of the area in which their quarters are situated for the rationed articles. Until suitable arrangements are made for their accommodation & boarding, the officers who are newly posted may perhaps be asked to reside in any one of the residential Hotels at their headquarters. I am directed to request you to make the necessary arrangements for their boarding and lodging and to intimate to Govt in due course the arrangements made in this regard.

Yours faithfully

ACCOMMODATION FOR REGULAR ARMY PERSONNEL:

The Provincial Governments stated that it would be possible for them to provide residential accommodation in the college premises for the JCOs and NCOs posted to the National Cadet Corps Senior Division Units located in that college. Where it would not be possible to do this, Provincial Governments agreed that arrangements would be made by them to provide suitable accommodation for JCOs and NCOs.

Subject:- NATIONAL CADET CORPS - ACCOMMODATION FOR REGULAR
ARMY PERSONNEL.

Sir,

I am directed to state that the Government of India request that married accommodation for Regular Army Officers, Junior Commissioned Officers and Non-Commissioned Officers, posted as permanent training staff to Senior Division Units of the National Cadet Corps, may be provided by the Provincial Governments, where these Army personnel are located in non-military stations and in exceptional cases, in military stations where it is found possible for Army Authorities to provide them with such accommodation.

2. The accommodation to be provided to these personnel should be at the scale which is suitable to their status and hiring of houses should be effected in consultation with the Headquarters of the local sub-area, so as to ensure that accommodation is generally of the scale as is authorised when they are serving with Regular Army Units.

3. The rent for hired buildings would be paid direct by the local military authorities as though the accommodation was hired by the M.E.S. direct and recoveries of rent from officers will also be effected by the military authorities in the usual manner.

4. For buildings owned by the Provincial Government, it is presumed that they will have no objection to charge rent for accommodation provided to officers at rates that would have been payable by such officers had they been provided with military accommodation. These rates could always be ascertained from the local Sub-Area Headquarters. In the case of J.C.Os and N.C.Os the accommodation (simply furnished, if this is also possible) may also be made available. As JCOs and NCOs are entitled to rent free accommodation and free water, electricity etc, the rent and the cost of these allied services will be paid by Government of India.

With reference to the Government memos cited above, I have to
offer the following remarks:-

1. The Government of Madras have agreed with the Govt. of India,
on the point, that when an officer occupies, by official arrangement,
a building belonging to the Government of Madras or vice versa, that
officer should be treated as one serving under the administrative con-
trol of the Government to which the building belongs - vide paragraph
46 of the Audit Manual Volume I. This agreement evidently means that
rent for the occupation of such buildings should be recovered from such
officers, as per the existing rules of the Government concerned, at the
time of such occupation.

2. The general rule for the recovery of rent from Provincial Govern-
ment officers, in case they are allotted Government quarters, is 10%

28

19

of the emoluments of the Government Officer concerned or standard rent of the building whichever is less.

3. As regards the availability of accommodation, for the officers of the Defence Department, I have to state that no accommodation could be found for them, at present, when the Provincial Government themselves are not in a position to find accommodation for their own officers.

Subject:- NATIONAL CADET CORPS: ACCOMMODATION FOR REGULAR ARMY PERSONNEL.

Sir,

I am directed to state that the Government of India request that married accommodation for Regular Army Officers, Junior Commissioned Officers and Non-Commissioned Officers, posted as permanent training staff to Senior Division of the National Cadet Corps, may be provided by the Provincial Governments, where these Army personnel are located in non-military stations and in exceptional cases, in military stations where it is found impossible for Army authorities to provide them with such accommodation.

2. The accommodation to be provided to these personnel should be at the scale which is suitable to their status and hiring of houses should be effected on consultations with the Headquarters of the local Sub area, so as to ensure that accommodation is generally of the scale as is authorised when they are serving with Regular Army Units.

3. The rent for hired buildings would be paid direct by the local military authorities as though the accommodation was hired by the MES direct and recoveries of rent from officers will also be effected by the military authorities in usual manner.

4. For buildings owned by the Provincial Government, it is presumed that they will have no objection to charge rent for accommodation provided to officers at rate that would have been payable by such officers had they been provided with Military accommodation. These rates could always be ascertained from the Local Sub Area Headquarters. In the case of JCOs and N.C.Os. the accommodation (simply furnished, if this is also possible) may also be made available. As JCOs and NCOs are entitled to rent free accommodation and free water, electricity, etc., the rent and the cost of these allied services will be paid by the Government of India.
