SIR,

SUB: TRAINING - COURSE FOR TEACHERS IN THE
METHODS OF TEACHING HOME CRAFTS IN
FORMS I TO III - PROPOSAL -
SUBMITTED TO GOVERNMENT.

In connection with the Part II for 1949-1950, I have the honour to submit herewith for the sanction of Government a proposal to provide a short training course for six weeks in Home Craft for teachers employed in Secondary Schools for girls' in different centres during 1949-1950. Such a course is necessary and useful to work out the new scheme. The course will be arranged during the summer vacation. The L.T. Assistants will be trained at the Queen Mary's College, Madras and the Secondary Grade Trained Teachers will be trained in select centres in the Muffassal. In this connection the Principal, Queen Mary's College, Madras has submitted an estimate for Rs.500/- for the necessary equipment and materials to be purchased. The Queen Mary's College has courses in Home Science and House Hold Art and can therefore provide sufficient training. The courses in the muffassal will be organised in institutions where have already the necessary equipment and laboratory for Domestic Science.

2. The training course for secondary grade Assistants will be conducted at 10 centres as detailed below:-

- 3 centres in Tamil Districts.
- 3 centres in Telugu Districts.
- 1 centre in Malabar.
- 1 centre in South Kanara.
- 2 centres in Madras.

An approximate estimate of the expenditure necessary for the conduct of the Training course is submitted below:

Equipment and contingencies	Rs.
at Rs.500/- a centre for	5,000/-
ten centres.	

Travelling Allowance:

Trainfare for 100 teachers	...	1,000/-
at Rs.10/- per teacher		

Daily allowance for 200 teachers...	...	13,500/-
at Rs.1/8/0 per day for 45 days.		
300 x 45 = 13,500/-		

20 Secondary grade teachers will be trained at each centre.

EDUCATION - Secondary - Reorganisation - Teaching of Home-craft in Girls' schools - Training of teachers.

From the Director of Public Instruction, G.No.2823-E1/48
dated the 27th September 1948.

In G.O.No.1394 Education, dated the 29th May 1948, the Government ordered that home-craft (basic craft) should be taught in Forms I to III of all secondary schools for girls from the current school year. In connection with the question of sanctioning advance grants for the purchase of equipment for teaching crafts in forms I to III of secondary schools, the Hon'ble the Premier has expressed the view that the expenditure on ^{the} teaching of crafts will be a waste until the pupils who are studying in the Junior Basic schools come up to the I Form and H.M.(Education) has proposed to discuss the question with the Hon'ble Premier sometime later. Even if the other crafts are not taught in Forms I to III, it would seem necessary to teach home-craft to girls in Forms I to III.

2. The Director of Public Instruction considers it necessary to give a short course of training for six weeks in the subject for the teachers who are employed in secondary schools for girls. He has accordingly submitted proposals for training 200 secondary grade teachers and 50 L.T. assistants during the next summer vacation. The training for the L.T. assistants is proposed to be given in the Queen Mary's College, Madras, and for the secondary grade teachers at selected centres in each linguistic area in the Province. ^{10 centres in all.} ^(involved in the proposal) The cost is estimated at Rs.25,500 (non-recurring). The Director suggests that if private managements come forward to give the training to the teachers under their employ, the pay of the teacher not more ~~more~~ than two (one L.T. assistant and one secondary grade teacher) may be met by Government. The ~~extra~~ cost on this account has not been estimated by

With a view to provide ^{for the} teaching of home craft in Forms I to III in all Secondary Schools for girls, ~~from the current school year~~, it is proposed to give a short training course for six weeks in Home Craft for teachers employed in Secondary Schools for Girls in different centres during the ^{next} summer vacation. The L.T.Assts. are to be trained at the Queen Mary's College, while the Secondary Grade trained teachers are to be trained at select centres in the miffassal.

Equipment and contingencies.

A sum of Rs.500/- has been proposed for each of the 10 centres on account of the above expenditure. The details of expenditure have not been furnished. Presumably the amount of Rs.500/- is the minimum required for each centre. Finance need not object.

Travelling Allowances

At the rate of 20 teachers for each centre, it is proposed to train 200 Secondary Grade teachers for 45 days and to allow them Rs.1-8-0 a day as daily allowance. For the 50 L.T. Assts. it is proposed to allow a daily allowance of Rs.2/- per day for 45 days. The rates of daily allowance proposed do not call for any remarks and may be accepted.

Before Finance accept the proposal as a Part II Scheme, Edm. & P.H. may be requested to obtain orders in circulation including H.M.(Fin) ^{as to} the essentiality of the proposal.

The proposed training may be held to be necessary and desirable, if as ~~contemplated~~ in para 7 of go. No 1394 E & P.H. of 24.5.48 homecraft is to be taught in all secondary girls' schools ^{educational} ~~for~~ ^{as a matter of policy}. Having regard, however, to the need ^{the utmost} for economy ~~and~~ ^{view to balance} the next year's budget ~~is~~ to be balanced as suggested by the Govt of India, it may be considered whether the training should be given on the scale proposed in the next year itself. The notes from pages 1-3 above may be read. The proposal in this file is to train 50 L.T. Assts. and 200 Secondary Grade Assistants in the methods of teaching home crafts.

in Forms I to III of Secondary Schools for girls in accordance with the policy of Government enunciated in ^{para 7 of} Gov. no. 1394 Edy dated 29.5.48. It is proposed to give a short course of training in the subject for six weeks during the next summer vacation - for L.T. Assistants in the Queen Mary's College, Madras, and for Secondary Grade Assistants at ten selected centres distributed among the various linguistic areas. The cost involved in the proposal is Rs. 2,550/- non-recurring. With reference to ~~the portion marked X in the Finance Dept's note on page 1 to the note in the first paragraph of the note~~ ~~Finance on page 3 ante~~, it is submitted that even if the other crafts are not taught, it would seem necessary to teach the Home-craft in Forms I to III of Secondary Schools for girls. There are ^{now} about 200 Secondary Schools for girls in the Province and it is therefore necessary to give training in the methods of teaching home-craft to 50 L.T. The D.P.G. reports that the estimate of cost on the grant of T.A. + D.A. for the Secondary Grade teachers and L.T. Assistants who will be selected for undergoing training in Home-craft includes provision for teachers in Govt. as well as those in non-Govt. schools. He suggests that the expenditure in respect of L.T. Assistants maybe debited to '37.6-Edn - University - Govt. Arts Colleges - B. Arts Colleges - Women - 3. Other charges' and that the expenditure in respect of Secondary Grade Teachers to three respective heads. The Director's suggestion may be accepted. It will be possible to allocate the expenditure to the respective heads under Secondary Education only later on as this will depend on the number of teachers that may be deputed for training from each type of management - Govt, Local bodies + Private. For the present the entire expenditure for Secondary grade teachers maybe shown under "37. of. Education Govt Secondary schools." If this is considered objectionable, it may be assumed that 50 teachers from Govt Secondary schools, 75 from Secondary schools under local bodies + 75 from Secondary schools under private managements will be selected for training in Home-craft in 1949-50 -

One of the items in the scheme for the reorganisation of secondary education is the introduction of crafts in all secondary schools from the ~~current~~ school year 1948-9. In respect of secondary schools for girls, it was laid down that Home craft would be the basic craft in Forms I to III and after Form IV Domestic Science of all secondary schools for girls from the ~~current school year~~ would be a specialised subject going by examination in high school. With a view to implement this, ~~policy of Government~~, it is considered necessary to give a short course of training for six weeks in the subject for the teachers who are employed in secondary schools for girls. The Director of Public Instruction has therefore submitted proposals for the training of 200 secondary grade teachers and 50 L.T. assistants during the next summer vacation for consideration as a Part II Scheme for 1949-50.

In addition, an expenditure of Rs 5,500 will have to be incurred on the purchase of equipment required for the conducting of the training course.

3. In connection with the question of sanctioning advance grants for the purchase of equipment required for the teaching of crafts in Forms I to III of secondary schools, the Honourable the Premier has observed that expenditure on the teaching of crafts will be a waste until the pupils who are now studying in the Junior Basic Schools (Elementary Schools) come up to Form I and the Honourable the Minister for Education has proposed to discuss the question with the Premier after some time. There are about 200 secondary schools for girls in this Province and it is necessary to teach 'Homecraft' in Forms I to III of secondary schools for girls, even if the other crafts are not taught in secondary schools for boys. This Department therefore recommends that necessary provision as shown in the summary at the top may be made in the Budget for 1949-50.

EXPLANATORY NOTE.

One of the items in the scheme for the reorganization of secondary education is the introduction of crafts in all secondary schools from the school year 1948-49. In respect of secondary schools for girls, it was laid down that Homecraft would be the basic craft in Forms I to III and after Form III. Domestic Science would be a specialized subject of study and examination in high schools. With a view to implement this, it is considered necessary to give a short course of training for six weeks in the subject for the teachers who are employed in secondary schools for girls. The Director of Public Instruction has, therefore, submitted proposals for the training of 200 secondary grade teachers and 50 L.T. 2. The training for L.T. Assistants will be given in the Queen Mary's College, Madras, and for secondary grade teachers at ten selected centres spread over the linguistic areas of the Province. As the teachers cannot be expected to undergo the training at their own cost, it is proposed to pay them travelling and daily allowance as shown below:-

	Rate of daily allowance per teacher. RS.	Rate of travelling allowance per teacher. RS.

In addition, an expenditure of Rs. 5,500 will have to be incurred on the purchase of equipment required for conducting the training course.

3. In connexion with the proposal to sanction advance grants for the purchase of equipment required for the teaching of crafts in Forms I to III of non-Government secondary schools, the Honourable the Premier has observed that expenditure on the teaching of crafts in Forms I to III, will be a waste until the pupils who are now studying in the junior basic schools (elementary schools) come up to Form I as only such students will be in a position to follow the training. The Hon'ble Minister for Education has proposed to discuss the question with the Premier after some time. There are about 200 secondary schools for girls in this Province and it is necessary to teach 'Homecraft' in Forms I to III of secondary schools for girls, even if the other crafts are not taught in secondary schools for boys. This Department, therefore, recommends that necessary provision as shown in the summary at the top may be made in the Budget for 1949-50.

M. V. SUBRAMANIAN—30-11-1948.

The proposal in this file, namely, the organization of a short training course in the ensuing summer vacation in Homecraft for L.T. Art's & Secondary grade teachers has been approved by the Cabinet & the City demand has also been noted by the Legislative Assembly. The D.P. may be informed that orders will be issued early in April (after intimation is recd. that the budget for 1949-50 is voted) and he may be requested to make the necessary preliminary arrangements for conducting the course.
