OFFICE OF THE

Roc No. 1474 - B - 1 - 47 dated 28-9-47.

Sir,

Subject: Compulsory Elementary Education - Enforcement of compulsion-
Sanction of a clerk to the Offices of the District Educational
Officers - Requesting.

In G.O. No. 643 Education dated 1-4-47, Government were pleased to order certain amendments to the Madras Elementary Education Act as a result of which the District Educational Officers have been empowered to take penal proceedings against defaulting parents and guardians under section 51(1) of the said Act. I have also requested the Government in my letter Roc No. 1474 - B1 - 47 dated 13.9.1947 that the District Educational Officers may be allowed to take action under the above section after the rulings published in G.O. No. 1236 Education dated 13-6-1947 are confirmed. As these measures will increase the work in the District Educational Officers' Office, I have the honour to submit proposals for the sanction of a post of a Lower Division Clerk in each of the District Educational Officers' Offices including Madras. The circumstances which necessitate the employment of additional clerks are explained hereunder:-

2. The following items of additional work will have to be done in the District Educational Officers' Offices as a result of the amended act and rules. Under rules 1(3) and 1(4) of the draft rules framed under section 51 (1) of the Act, the District Educational Officers will be receiving all cases of default from the Presidents of the Attendance Committees for the imposition of penalty in accordance with the provisions of sub-section (1) of section 51. The receipt of these cases, the number of cases wherein penalties are ordered, the amount of penalties imposed and the issue of the notices to the parties concerned intimating the levy of such penalties - all these need to be watched and necessary registers have to be maintained, for the purpose. Apart from this, there will be other kinds of scriptory work involved, as writing of notices imposing penalties in each case (Six copies being required) and Correspondence between the Deputy Inspectors, District Educational Officers and the parties when there are cases arising under rule 1(5) and 1(7) of the draft rules under section 51(1). Besides there is the question of maintaining accounts relating to the demand, collection and balance of the fines imposed and the necessary monthly returns that will arise as a result thereof. I therefore request that to deal with the above work, Government may be pleased to accord sanction for the employment of an additional Lower Division Clerk for each of the offices of the District Educational Officers including Madras, for the present, from the date the draft rules are confirmed by Government.

If for any reason, the proposals cannot be sanctioned this year, it may be treated as an urgent Part II scheme in connection with Budget Estimate for 48-49.

I have the honour to invite the kind attention of
of Government to their memorandum No.73756-B2-47-2 Edn.,
dated 6th November 1947 in which orders have been already
passed by them transferring the work relating to the
enforcement of compulsion including the pending cases in
the offices of the District Boards and Municipal councils
to the District Educational Officers and as such an
additional clerk for each of the District Educational
Officers' offices is quite essential. In this connection,
I may point out that no action in regard to enforcement
has been taken by any District Board and that there is a
large volume of work to be done. It is not possible at
this stage to furnish statistics as even the necessary
records have not yet been transferred to the District
Educational Officers.

SIR,

ELEMENTARY EDUCATION--Compulsion--Enforcement of--Appointment of additional staff for the District Educational Officer's offices. Reference:--Government Memorandum No.78157-A-2 Edn., dated 12.12.47

In my letter Roc.No.1474-B1/47 dated 28.9.1947 I reported to the Government the details of the additional work which the District Educational Officers' Offices has to do as a result of empowering the District Educational Officers to take penal action against the defaulting parents and guardians. On receipt of cases of default from the Presidents of the attendance Committees the District Educational Officers have to impose penalties on the defaulting parents and guardians and communicate the orders to the parties and the officers concerned as per rule 2 of the rules framed under section 51(1) of the Act. In this connection I may have to say that under rule 5 of the rules framed under section 51 (1) of the Elementary Education Act, no penalty shall be levied on any guardian after a lapse of one full quarter from the date of receipt of the report of the default by the President of the Committee. Hence unless swift action is taken in the District Educational Officers Offices to communicate the orders imposing penalty to the persons concerned all the preliminary work of reporting defaulters would be a waste.

2. It is necessary that, for the purpose of prompt action, the District Educational Officers' Offices should be adequately strengthened. The number of cases of default received from the Presidents of the Attendance Committees in each of the District Educational Officers' offices is given in the Annexure. On account of the increase of work in the District Educational Officer's Offices due to the new schemes relating to Basic Education, Re-organisation of Secondary Education, Adult Education, Visual Education etc. it is impossible for the District Educational Officer's Offices to do the compulsory elementary education work without additional staff. I therefore recommend that for each of the District Educational Officers offices 2 additional clerks may be sanctioned with effect from 1.5.1949. One Lower Division and 1 Upper Division. The cost involved on account of the proposal will be as follows:--

Additional cost in 1949-50:

Pay for 28 Lower Division Clerks (1 for each of the 28 Dt.Edl. Offices).	45 x 10 x 28	..	Rs. 12,600

that the D.P.I. wanted that the Edn Dept to be excluded from the scope of the 12 1/2 cent but that the Cabinet has decided that no dept should be excluded and that the H.H. It does not seem that this is an opportunity to sanction any addl staff. A draft memo to the D.P.I. is sent.

Finance (EII)

The proposal in the file relates to the appointment of two additional clerks (One U.D. clerk on Rs 80-110 and one L.D. clerk on Rs 45-90) in each of the 28 D.E.O's offices for the addl work involved in connection with the enforcement of Compulsory Elementary Education. The notes of E.H.H. from the bottom of page 4 above and the minutes of HM (Edn) vrs 5 above may be perused. The extra cost involved in the proposal works out to Rs 73,400/- roundly p.a. excluding the house rent allowance to the above staff.

2. In connection with the Part II schemes for 1948-49, the D.P.S. proposed the employment of an addl L.D. clerk in each of the 28 D.E.O's offices for work relating to this enforcement of compulsory Ele. Education. The proposal was however deferred in circulation. In that connection HM (Edn) minuted that the D.P.S. may be asked to take into account the addl staff sanctioned for the D.E.O's offices in connection with the monthly payment of grants to aided to chg schools, when coming up for addl staff later for the enforcement of compulsory elementary education. The addl staff referred to at A above was sanctioned only in Nov '48 and from the letter of the D.P.S. vrs 7-9 C.F. it is observed that he has not taken into account this fact, when pressing for his original proposals. The D.P.S. has also proposed the employment of one addl L.D. clerk only. He has now raised this to two (one U.D. clerk and one L.D. clerk). But he has not furnished any specific reasons for this increase.

In view of the fact that only recently additional staff consisting of both Upper Division and Lower Division clerks has been sanctioned for all D.E.Os' offices, it appears desirable to watch for some-time whether the staff including the recent additions will not be able to cope with the work including the work connected with the enforcement of compulsion - vide in this connection H.M.'s minute at the top of p.4 above. Further, as the question of making 12½% cut in the establishment of the Education Dept. is still under consideration of the Director, it is not desirable to sanction further clerical staff until the Govt. have first satisfied themselves that even the existing staff in the D.E.Os' offices is absolutely necessary, and should be continued without reduction. Finance may therefore strongly advise that the proposal in this file be deferred, and the Director asked to renew if, if necessary, after a year.

3. Subject to the above suggestion, the following remarks are called for on the details:-

(a) Originally, in September 1947 the Director wanted only one L.D. clerk for each of the D.E.Os' offices for the work relating to enforcement of compulsion. As no new grounds have now been given to justify the employment of one U.D. clerk in addition to one L.D. clerk for each office, and as the staff of the D.E.Os' offices was recently strengthened (in November 1948), an additional L.D. clerk alone for each office should be sufficient for the work in question.

(b) The proposal may be brought forward as a Part II Scheme for 1950-51.
