Sub:- EDUCATION - Secondary schools - Board High School, Kuttalam - Participation of Harijan students in the Black Shirt and anti-Hindi movement - Report furnished.

Ref:- Government Memorandum No.71718-B1/48-1, pp3-4 ante. Education, dated 1st October 1948. ***

The Harijan students of the Board High School, Kuttalam do not appear to have taken any active or open part in the anti-Hindi agitation. But certain incidents which took place on the Independence Day (15-8-1948) show that some of them have strong leanings towards the Black Shirt movement and the anti-Hindi -- agitation.

2. It appears that a few inmates of the Harijan Hostel joined the public procession that went round the streets of Kuttalam in the evening of 15-8-1948 and created some disturbance by shouting anti-Hindi and anti-Government slogans while other slogans were being shouted by the main body of the processionists. This was reported to the Headmaster of the school by the President of the local Congress Committee on 16-8-1948. The Headmaster after due enquiry and in consultation with the Staff Council suspended three Harijan pupils for two weeks from the Hostel. This led to a hunger strike by six Harijan pupils on 24-8-1948. The number swelled to 50 on 25-8-1948. All the efforts of the Headmaster and other members of the staff to make the pupils see reason proved futile. No pupil of the school other than Harijans joined the strikers. On 25-8-1948 evening, the local Sub-Inspector of Police intervened and the strikers were induced to take food and everything seemed to have quieted down by 9 P.M. that day.

3. But at about 3-30 A.M. on 26-8-1948, the thatched shed of the Harijan Hostel was found to be on fire. Five Harijan pupils including two of the six pupils who led the strike are reported to have been sleeping in the shed. They woke up on hearing the alarm raised by the Librarian who was sleeping in a room in the main building directly south of the shed. The fire could not be put out and the entire shed was burnt down. The Sub-Inspector of Police is reported to have come to the spot when the shed was burning.

4. The Hostel Committee has decided to close the Hostel temporarily. The Harijan pupils have made their own arrangements for boarding. The cause of the fire is not known and the result of the police investigation still awaited.

5. The shed burnt down was not the property of the district board. It had been put up by the Diamond Jubilee Hostel Committee from private funds, a few years ago in the compound of the Board High School. The board has no control over the Committee. The Committee will not be permitted to put up a new shed within the compound of the high school.

6. The Headmaster of the school has made a detailed report of all these incidents to the District Educational Officer, Tanjore and requested him to take disciplinary action against the

leaders of the Harijan boarders. There has been no report of subsequent misbehaviour by the Harijan pupils either in the school or outside. A copy of the Headmaster's report to the District Educational Officer is enclosed.

SPECIAL OFFICER.

VG. 2/5

Copy of letter Rc.No.C/48, dated 30-8-1948 from the Headmaster, Board High School, Kuttalam to the District Educational Officer, Tanjore.

I beg to submit the following:-

(1) There is a Harijan Hostel known as Jubilee Hostel, Branch B (Harijans) with 96 inmates attached to the Board High School, Kuttalam and maintained by a local Committee of non-officials with the lump sum grant paid by the Labour Department of the Government of Madras. Sri N. Rengaswami Reddiar, M.L.A., is the President of the Hostel Committee. The pupils mess in a thatched shed put up by the Committee within the premises of the school and study and sleep in the school building.

(2) On the Independence Day, 15-8-1948, five pupils of whom three were Harijans were absent at the School Flag Salutation Ceremony and they were fined annas four each. The fine was paid. The next day the school compound walls and the L.F. Hospital walls were disfigured with slogans like *அரசு என்னுடையது. இந்தியா, இந்தியா என்னை உடையது.* A reference was also made to the fine at the Black Shirts meeting held in the public park the next day.

(3) On 16-8-1948, the President of the local Congress Committee preferred a complaint to the Headmaster stating that most of the Harijan Hostel pupils joined the public procession arranged on the evening of the Independence Day in a body and shouted Anti-Hindi and anti-Government slogans and disturbed the solemnity of the procession making themselves a perfect nuisance and bringing disrepute to the school and Hostel.

(4) The next day the pupils mentioned in the report were called upon to explain their conduct. They denied the allegations in toto. The matter was placed before the Staff Council the same day, who resolved unanimously to suspend N.Murugayyan of VI Form, V.Murugan of VI Form and K.Jagathaguru of V Form from the Hostel for two weeks, but to permit them to attend school. Avani Avittam Holidays intervened and all the Harijan Boarders went home and returned on 23-8-48. On 24-8-48 the Hostel cook reported at 9 A.M. that the pupils had not turned up for breakfast. The Headmaster went there and enquired the reason. It was said that they would not take meals unless the three pupils under suspension were taken back unconditionally and the Headmaster succeeded in persuading all but the following six to take their breakfast:

- | | |
|--------------------|----------|
| 1. K.Thamilarasu | VI Form |
| 2. K.Subbayyan | VI Form |
| 3. A.Krishnamurthy | VI Form |
| 4. K.Sellapillai | VI Form |
| 5. M.Rengasami | V Form |
| 6. M.Govindan | IV Form. |

These six presented a petition signed by 70 pupils and squatted in front of the Hostel without attending school. The Headmaster sent a teacher to ask them to come and meet him in the Office but they refused. Then he himself went down to them and asked them to come and meet him in the Office. Even now they refused. After five minutes on his return from a visit to the Hostel he again asked them to come to the Office room. This time they came.

(5) K.Thamilarasu of VI Form who was the spokesman of the group was taken to the Headmaster's Private room and the Headmaster tried to persuade him to take meal and attend school along with the rest. He wanted that the suspension order should be cancelled immediately to which he was told that the matter would be considered after they took their meals in the hostel. He did not agree. Then the next boy, Rengaswamy of V Form, was asked to come in. He refused. Then the Headmaster went to him in person and asked him to come. Still he refused saying that they would all come in a body or not at all.

(6) In the afternoon the number of pupils not taking meals had swelled to 13 including the 3 suspended. A staff Council meeting was convened at 4-15 P.M. to consider the matter. After a full discussion of the situation in all its bearings, the 13 pupils were summoned before the Council and asked to state their grievances freely. They persisted in their demand for the immediate cancellation of the suspension order. The Members of the Staff Council collectively and individually advised them for about an hour to take meals and leave the rest to the Council. But they were obdurate in their demand and declared that nothing short of the cancellation of the suspension order would appeal to them. Then the Staff Council resolved to recommend the withdrawal of the Residential Scholarship granted by the Labour Department to K.Thamilarasu, A. Krishnamurthy and K.Subbayyan and to watch the situation.

(7) The next day, 25-8-48, about 30 Harijan pupils did not take breakfast and squatted in the playground opposite to the school building within the compound. By noon the number swelled to double. They did not attend school. In the afternoon the local Sub-Inspector of Police and the Deputy Warden of the Hostel persuaded the pupils to take meals and leave the rest to them. After great hesitation they agreed and took their meals at about 5-30 P.M.

(8) After this meal the six pupils mentioned in para 4 supra, along with the 3 suspended pupils mentioned in the first part of the same para, left the Hostel, went into the town, railway station side and other places, probably to meet the local Black Shirt Organisers and returned after 9 P.M.

(9) About 3-30 A.M. on 26-8-1948, the thatched shed of the Harijan Hostel was found burning. It was first noticed by the librarian of the school who was sleeping in the school room directly south of the shed. He gave alarm to the Nightwatch and the Harijan pupils sleeping on the verandah of the school. They all rushed to the scene but it was too late to save the shed.

(10) K.Thamilarasu, A. Krishnamurthi along with three others were sleeping inside the shed. They have stated that they heard an alarming cry, woke up, found the shed in flames and came out. The local Sub-Inspector of Police came to the spot when the shed was still in flames.

(11) An urgent meeting of the Staff Council was held at 9 A.M. on 26-8-48. It resolved to report the matter to the Hostel Committee, to provide meals for the morning and noon and to ask the Hostel pupils to go home and await the decision of the Hostel Committee regarding the future working of the Hostel and to direct those pupils who could make their own arrangements for food to attend school.

(12) I beg to add that the 3 suspended pupils never approached the Headmaster for pardon or mitigation of the punishment, but on the other hand had certainly instigated the six pupils to resort to direct action, themselves joining it in the afternoon.

(13) It is my duty to mention here that the Harijan Hostel pupils have been under the evil influence of the local organisers of the Black Shirt Movement who are men of no standing in the locality and the pupils have been openly attending anti-Hindi and other meetings organised by the Black Shirts. In short, the whole affair had been engineered and kept active by the local Black Shirts to create trouble at school and gain supporters for the anti-Hindi movement.

(14) On the very morning of the fire incident, postcards were received by the Headmaster, five assistants and one pupil the school threatening violence and danger to life. Some of the letters seem to have been posted after 6 P.M. on 25-8-1948 and two of them refer in contemptible terms to the appeals made to Harijan Pupils to behave well.

(15) It is requested that since N.Murugayyan of VI Form, V.Murugan of VI Form and K.Jagathaguru of V Form, misbehaved on the Independence Day and they have not so far shown any sign of repentance and since K.Thamilarasu of VI Form was the leader of the Harijan pupils who were not amenable to reason, I suggest that these four may be suspended from the school for a period of one year and the Labour Scholarship of A.Krishnamurthy of VI Form and K.Subbayyan of VI Form may be cancelled.
