Please see the Legislative Assembly Question on page 1 of and the remarks of the D.P.S on the application of the S.O Dtd North Arcot for a subsidy towards one half of the cost of construction of a building for the Board Secondary School at Wandiwash estimated at Rs 1.94 lakhs and a loan towards the other half of the cost to be met from D.S.D funds on p 11 of the lodged papers at (5) - As the plans & estimates for the work have not yet been approved by the Director the S.O was submitted by the D.P.S to inform the

Special Officer ^{for} the question of giving a subsidy towards the cost of the work cannot be considered till the plans and estimates are got approved by Director. The scheme is a costly one, ^{the estimated cost being Rs 1.94 lakhs} the maximum subsidy that can be paid towards the cost of the work is only Rs 35,000 and the D.D. will have to ~~meet~~ raise a loan of Rs 1.59 lakhs to meet its share of the cost. Further in view of the present anti inflation policy ^{Finance has stated in recent file that much costly building schemes} should be deferred till the cost of building materials and labour come down to normal.
