Please see the note of the former Secretary above. It does not appear that the consent of this Govt. had been obtained by the Govt. of India for the notice

of this Govt. buildings, dealt with in this file, as "protected". Submitted that the usual procedure in regard to the notification of ~~buildings~~ ^{to publish the notification first in the Gazette} as "protected" has been followed in the present case also. Objections to such notifications, if any, are forwarded to the Govt. of India for their consideration. It is ~~for~~ ^{may} ~~orders~~ whether the same procedure ~~should~~ be followed in the present case also ~~or~~ whether ~~there~~ ^{the procedure in} should be a deviation in respect of the present case. If the latter ~~is~~ ^{is to be preferred}, the Govt. of India may be addressed whether the previous consent of this Govt. had been obtained in regard to the notification of this Govt. buildings and, if so, to refer to the papers on the subject. ^{if the former course is to be adopted, the draft on H-1-2 ante is for approval.} Subject to approval, a draft ^{is also} is submitted.

At the time when the Central Govt. took over the administration of Archaeology the relation between the D.G. of Archaeology & his Govt. was set out in their resolution No. 800 of 9.4.27. There is nothing in the process set out therein making it obligatory for Central Govt. to consult this Govt. in respect of selection of monuments and the control of this Govt. for protection. For order whether the notification of the Govt. of India on p-2 of

with enclosure may be republished in the Fort St. George Gazette the working objections following precedents. - order 24/11/49 on p-1-2 and 1-2.

It is stated in column 6 that the Govt. of India are the owners of the monuments, the Secretariat buildings, the Secretariat refreshment room and the open space to the north and south of the Secretariat buildings are the boundaries of the monuments specified against item 15 in the schedule.
