PAPER TO BE PLACED ON THE TABLE OF THE HOUSE.

LEGISLATIVE ASSEMBLY STARRED QUESTION No. 1185
BY ABDUL HAMEED KHAN SAHIB BAHADUR.]

*Proceedings of the Director of the Public Instruction, Madras,
R.C. No. 722-D-3/48. dated the 20th July 1948.*

[Recognition—Secondary schools—Private managements—Mission
and non-Mission—Creation of endowments—Instructions
issued.]

The following instructions are issued for the information and
guidance of the inspecting officers at the time of submission of
recognition applications and applications for the grant of permis-
sion to open new schools or higher forms in the existing middle
schools.

Endowments.—The amount of Rs. 50,000 which is ordinarily
insisted for a high school at present is considered rather high and
Director is accordingly pleased to reduce it to Rs. 35,000 for
a full-fledged high school i.e. 15,000 for middle school forms and
Rs. 20,000 for the high school sections. The amount fixed should
be insisted upon being provided proportionately with every form
that is opened. This will mean three years for a middle school and
four to six years for a high school.

Old middle schools enjoying permanent recognition now want-
ing to be raised to the status of high schools should be distin-
guished from new high schools opened recently or about to be
opened. In the case of the old middle schools of the above type,
only an aggregate of Rs. 20,000 need be insisted on, i.e., with the
opening of each higher form the creation of Rs. 8,000 to be insisted
in the first year and subsequent addition of Rs. 6,000 in each of
the two succeeding years. 3

In view of the orders in G.O. Ms. No. 2381, Education, dated
5th November 1947, communicated in Proceedings R.C. No. 868
D-1/47, dated 13th November 1947, no distinction need be made
in the matter of endowments and the procedure indicated above
may be followed in the case of mission schools also until further
orders. The schools managed by charitable bodies under proper
Trusts like the Pachaiyappas or Ramakrishna Mission may be left
out for the time being.

The schools which have lost their permanent recognition for one
reason or other should be treated as new schools.

As regards the nature of the endowment, ordinarily cash endow-
ments should be insisted on; but property also can be accepted
provided the valuation of such property by the Revenue or other
authorities concerned is not below the departmental level.

D. S. REDDI,
Director of Public Instruction.
