Subject:- Establishment - Elementary Education-
Kumbakonam Municipality - Supervisor
of Schools - Revision of scales of pay
- requested.

--O:-

Sir,

I beg to submit the following few lines for favourable consideration and orders.

Government, while revising the scales of pay of teachers *Not put in* in their orders Nos. 975 Education and Public Health, dated 10-5-47 *Not put in* and 1154 dated 5-6-47 have not made mention of the scale of pay for the post of the Supervisor of Elementary schools under Municipal Councils, which may be due to the fact that there are only few posts of such Supervisors in the whole Presidency. Consequently the present incumbents of these posts are adversely affected in the matter of pay and other allowances and I am one of such individuals.

A permanent Secondary Grade Teacher holding the post of the headmaster of an Elementary school with a lesser service than myself gets Rs.55/- p.m. in the scale of Rs.40-1 $\frac{1}{2}$ -55--2--75 plus the

12
headmaster's allowance of Rs.5/- P.M., while in my case the pay is only Rs.55/- in the same scale of pay. Even the headmaster's allowance of Rs.5/-p.m., which I could ordinarily get, if I were to work as headmaster of a school has been denied to me, because of my holding the post of the Supervisor of Elementary schools.

In this Municipality there are 24 Municipal Elementary Schools and 16 Aided schools. I briefly submit below the nature of the duties to be performed by the Supervisor of Schools:-

- (1) Work connected with the taking of the census of school age children and bringing all the pupils of schoolage under the fold of compulsory education.
- (2) Taking action against the defaulting parents or guardians and assisting to the collection of education fines.
- (3) Arranging for the meetings of the Attendance Committee, as the Secretary of the Committee.
- (4) Visiting of all Municipal and Aided Elementary Schools in the Municipal area and checking the attendance and the strength of schools.
- (5) To watch the working of the Municipal Elementary Schools during the visits and to see how far the defects pointed out by the Inspecting authorities have been rectified.
- (6) To be responsible for the preparation and furnishing of statistics required by the Educational Authorities and the Executive Authority of the Municipality regarding the working of the compulsory Elementary Education Scheme.
- (7) Supervision of the Municipal Reading Rooms.
- (8) Attending Municipal office daily in the afternoons

and such other work as may be entrusted by the authorities. In short the Supervisor is responsible for the proper working of the scheme of compulsory education for both boys and girls in this Municipality. Considering the responsibility involved, the pay and allowances paid

3/ 18 (11) 58 8412
to me as Supervisor of Elementary Schools are not only incommensurate with the duties performed but also lower than that of a headmaster of a school. The existing pay of the post of Supervisor is only Rs.40--15--55--2--75, which is the same as that of a Secondary Grade Teacher. I have put in a service of 27 years in this Municipality and still I am able to get Rs.55/- only per mensem in the existing scale. By my appointment on promotion to the post of the Supervisor of schools, I stand to lose a sum of Rs.5/- per mensem which I would have got as headmaster's allowance if I had continued as Headmaster of a school.

In these circumstances, I request that in consideration of the responsibility involved, the nature of work performed by me and the long service I have put in, Government may be pleased to revise the scale of pay of the Supervisors' post at least as Rs.60-4--100--5--120 as fixed in G.O.No.78-F. dated 18-2-47 for Junior Deputy Inspector of Schools befitting the post of the Supervisor and permit me to draw pay in the revised scale. I also request that a conveyance allowance of Rs.16/- per mensem for maintaining a hired single bullock cart for the discharge of my duties may be sanctioned to me.

I beg to remain,

Sir,

Your most obedient servant,

Thiruvangamadan

1. The applicant is a secondary grade teacher with a long service of 27 years in this municipality now officiating as the supervisor of elementary schools. By ~~this~~ his appointment on promotion to the post of supervisor he stands to lose the H.M.'s allowance of Rs.5/- p.m. which he would have ordinarily got, if he had continued as the H.M. of the Municipal Ele. School. The nature of duties to be performed by the Supervisor of Schools as enumerated by him ^{really} ~~readily~~ involves the assumption of duties, and responsibilities of greater importance than those attaching to the post of the H.M., ~~which~~ which he holds a lien. His application therefor merits sympathetic consideration and a suitable scale of pay and conveyance allowance may be kindly sanctioned, so as to be commensurate with the nature of duties to be performed by him

This Council maintains 24 elementary schools of which 2 are first grade elementary schools and the rest complete elementary schools with a staff of 2147 teachers. The compulsory elementary education scheme has been working in this municipality ever since 1922. The petitioner is an experienced secondary grade teacher who has put in 28 years of service in this municipality. His present pay is only Rs.59/- in the scale of Rs.40-15-55-2-75. He has been promoted as Supervisor of Elementary Schools with effect from 26.6.1947. On account of his promotion to the post of the Supervisor of Elementary Schools he stands to lose a monthly income of Rs.5/- which he would have ordinarily got as Headmaster's allowance if he had continued as the Headmaster of an elementary school. Under the existing condition, there appears to be no prospect of his reaching the maximum in his present scale of pay.

The sum of Rs.5/- which he stands to lose now may be added to his present pay of Rs.59/- and considering his past lengthy service his pay in the revised scale of Rs.45-2-85 be fixed at least at Rs.75/-.

As regards the conveyance allowance, the Municipal Engineer and the Revision Officer of this Municipality are given a conveyance allowance of Rs.16/- per mensem each for the maintenance of a single hired bullock bandy and as such I recommend that the Supervisor of Elementary Schools also may be paid conveyance allowance.

Sub:- Municipal Council, Kumbakonam - Revision of scale of pay of the supervisor of elementary schools and grant of conveyance allowance.

- Ref:- 1. Petition from Sri N.Thiruvengadathan, Supervisor Municipal elementary schools, Kumbakonam, dated 23--9--1947.
 2. From the Commissioner, Kumbakonam Municipality, No.2505 B3/48, dated 30--3--1948.
 3. Endorsement of the D.P.I. No.3143-B2/47, dated 22--6--1948.

Under the orders issued in G.O.No.77, Edn., dated 10--1--1948 and G.O.No.2056, Education, dated 18--8--1948 the Municipal Council, Kumbakonam, is eligible to employ a Secondary grade teacher as supervisor. The post is already being held by a secondary teacher and he is only officiating in the post. He now requests that the scale of pay of the post may be revised as Rs.60-4-100-5-120 the new revised scale of pay for Junior Dy. Inspector of Schools and that he may be granted a conveyance allowance of Rs.16 per mensem for maintaining a hired single bullock cart.

2. The petitioner's request for an increase in the scale of pay of the Supervisor to Rs.60-4-100-5-120 (applicable to Junior Dy. Inspector of schools in the old scale) cannot be accepted as a supervisor of Municipal Council schools cannot be placed on a par with a Junior Dy. Inspector of schools. Besides, the pay of the Secondary grade supervisors was recently revised in G.O.No. 77, Edn., dated 10-1-48 as Rs.45-2-85. The Commissioner, Kumbakonam Municipal Council, recommends that the pay of the petitioner may be fixed at Rs.75 in the scale of Rs.45-2-85, instead of at Rs.59 which he receives at present. The Director however does not recommend the fixation of the pay at Rs.75 in view of the reason at A on p.6 c.f. For orders whether the Director's recommendation may be accepted.

3. The Director agrees to the grant of a conveyance allowance of Rs.16 per mensem to the petitioner for maintaining a bullock-cart. His recommendation may be accepted in view of the orders already passed in G.O. No.2196 Edn., dated 4-9-1948, sanctioning a conveyance

L.A. Dept.

The proposals of E & P H in paragraphs 3 above may be agreed to. The case may be passed on to Fin.

In the case of engineering sub-ordinates, it has been considered that it will not be possible for them to do adequate and efficient out-door work by using a bullock cart. So

orders have been issued in F.O. 16692A, 7.9.48 that no engineer or engineering subordinate would be admissible for any allowance for the maintenance of bullock cart. The case of Supervisor of Schools does not stand on the same footing. This Dept need not therefore object to the payment of allowance to the Supervisor for maintenance of bullock cart at Rs 16 per m.

2. The Commr has stated in his letter of 30.3.48 that Sri T. Vinayagadathan who has been appointed as Supervisor will be the headmaster at the school which he was before. There is no objection to his getting compensated for his private taking of the school. The allowance has foregone. E & P H may consider this point. Very truly yours, 19.11.48 intended to be used in his own bullock cart.

Cart, the Supo - if he hires a cart or bullock cart - he will be able to spend only 12 Rs per day. He goes only to visit schools (taking it that he will walk, but he will not be able to do so). For this work, he cannot engage the cart for any very long distance or get it to use for any really useful length of time. I would prefer that the School Supervisor should be asked to use a bicycle - but this man with his 27 years of service may be a bit more than 12 Rs per day! I will not object to the proposal.

Conveyance allowance. 2. With reference to B. on p. 1 ante, it is submitted that the Govt have declined to sanction conveyance allowance to the Supervisor of Kumbakonam Municipality and to the Overseer Nellore Municipality for maintenance of bullock carts. But this applies to the Public Works, Water Supply and Drainage Dept - please see C.O. 1669 d.A dated 7.9.48. At this time, the Supervisor will also go for out-door work in the case for sanctioning conveyance allowance does not seem strong. In order to enable him to move quickly from school to school and to discharge his work efficiently, it is submitted that

Please see the notes of L. A and Finance on pp 2-3 ante. L. A. depts. agree to the proposal of this depts. at A. Finance depts., however, object to the Supervisor, being Kumbhakaram Ky, using a hired bullock cart for the discharge of his duties in view of the orders issued in G.O. no. 1669 L.A. dated 7.9.48 and state that the Supervisor may be allowed a conveyance allowance of Rs. 4/- per month for maintaining a cycle. In the circumstances it is suggested that the suggestion of Finance may be accepted. If the suggestion of Finance is to be accepted, the order in G.O. no. 2196 dated 7.9.48 will have to be modified.

The Supervisor is too old to use a bicycle. If he cannot use a cycle he may not be able to perform his duties at all.

This dept may press for an allowance of Rs 16

H.M. Finance has ordered that the 'Statusquo' should be maintained. It is not known whether he approves the proposal to grant a conveyance allowance of Rs. 16/- a month to the Supervisor. It appears that no conveyance allowance is, at present, paid to the Supervisor. For orders whether the Supervisor may be allowed a conveyance allowance of Rs. 16/- a month as proposed by the Municipal Council. Subject to approval a draft order is submitted. This dept

re recommended. The payment of an allowance of Rs. 16/- is accepted. Finance dept recommended an allowance of Rs. 4. It is not clear whether the intention of H.M. (2M) is that no allowance is to be paid. If an allowance is to be paid he may kindly let whether it should be Rs. 16 or Rs. 4.
