On the previous occasion the S.G.P. asked for the retention of the seven coolies for attending to as many as 126 bundles. Now he has asked for the retention of the same number of coolies for attending to 27 bundles. E & P. H. may therefore consider whether all the seven coolies need be retained.

Previous notes of this department and the further notes of the E & P. H. may be perused.

The S.G.P. applied for sanction for the retention of 7 coolies for a period of one month from 26.3.49. In his T.M. of 6.4.49 at pp 5-6 of he has stated reported that if the work is finished earlier than 25.4.49 the Sanction will be surrendered from the date of completion of work. 20 days have already elapsed since the date of application for sanction the expiry of the last Sanction and during this period the work ought to have been finished. However in view of the fact that only 27 bundles have to be sorted out & redispached the period of one month, for the retention of the staff, seems to be in excess of the actual need. In the circumstances it is for order whether the draft order at p.1 above will be accepted by this Dept.

After orders are passed the Com may be passed on to Finance.

may be accepted as Exd. U. seem to be satisfied that the staff is needed in future
