No. RC.No.1293-E3/48 dated 4 - 4 - 1949.

Sir,

Sub: Schools - Secondary - C.S.M.High School, Arkonam - Adoption of English as the medium of instruction in certain forms during 1948-49.

The Headmaster, C.S.M.High School, Arkonam, has applied for permission to adopt English as the medium of instruction in one section each of Forms IV, V and VI during the year 1948-49.

2. At present, there are 4 sections in Form IV and 3 sections in each of Forms V and VI. During the year 1947-48, English was the medium of instruction in one section of Forms IV, V and VI and Tamil was the medium of instruction in the remaining 3 sections of Form IV and 2 sections each of Forms V & VI. Permission was already granted by the Director to adopt English as the medium of instruction in one section each of Forms V and VI during the year 1948-49.

3. The reasons given for the adoption of English as the medium of instruction in one section of Form IV during the year 1948-49 are that Arkonam is a multilingual area as a large percentage of its population are railway employees in the workshop hailed from different parts of province; that pupils in that one section of Form IV consist of different elements, viz, Telugu, Muslims and Anglo-Indians, and that the management of the School pleads inability to run two parallel section; one for Telugu pupils with Telugu as the medium of instruction, and another for the rest, viz muslim and Anglo-Indian with English as the medium of instruction. Under the circumstances, the District Educational Officer, North Arcot, and the Divisional Inspector of Schools, Coimbatore Division, have recommended that the school may be granted permission to adopt English as the medium of instruction in one section of Form IV during the year 1948-49. I agree with their recommendation.

I request therefore that the Government may be pleased to accord necessary sanction to use English as the medium of instruction in one Section of Form IV, C.S.M.High School, Arkonam, during 1948-49.

Yours faithfully,

Thiruvananthapuram

for Director of Public Instruction.
