Enclosures:

No. S.B. Mis/49-50 dated 11th April, 1949.

Sir,

Sub: Government Press, Madras - Erection of
new machines received from United Kingdom
employment of temporary coolies - Sanction -
requested.

I have to state that 9 Cylinder Printing Machines
and 2 Guillotine Cutting Machines have been received from the
United Kingdom. These machines are to be erected in the Press.

It is highly expedient that these machines should be
erected within as short a period as possible, so that they may
be put into operation. For expediting the erection of these
machines, coolies are required to assist the mechanics in
erection work. The employment of 8 temporary coolies for six
months is considered necessary to carry on the erection work.

I therefore request Government may be pleased to
accord sanction for engaging 8 temporary coolies for the above
work on a pay of Rs.13-8-0 plus Dearness allowance for a period
of six months.

The expenditure will be met under "56 Stationery
and Printing (d) Government Press, Madras - C. Mechanical
Branch - Other charges - Honoraria and contingencies".
