Office of the
Director of Public Instruction,
Madras, dated 19th March 1949.

Sub:-- District Board, Coimbatore--Sri S.K. Venkatarama Iyer--
Combined drill and drawing master--Request for appointment
as drawing master in the revised scale of pay.

Special Officer, District Board, Coimbatore
Roc No. 37868 S. E1/48 dated 17-12-48.

Submitted with connected references on the subject.

2. The instructor had passed the Government Technical Examination in drawing of The Intermediate grade in 1922 but subsequently acquired the technical teacher's certificate of the lower grade only in 1929. He could have acquired the T.T.C. of the old Intermediate grade which was the only required qualification for appointment as drawing master in Secondary schools prior to the introduction of Lower and Higher Grade Government Technical Examinations in drawing, had he chosen to appear for the practical test immediately after he passed the Technical Examination of the Intermediate grade in 1922. Since he sat for the practical test in 1928-29 and as by that time the Intermediate grade had been abolished he was given the T.T.C. of the Lower Grade only.

3. In view of the peculiar circumstances of the case and in view of the fact that he was already granted exemption at two stages one in 1929 by the District Educational Officer and subsequently in 1937 by the Director, the Special Officer, District Board, Coimbatore may be permitted to retain him in service in a secondary school either as a combined instructor or as a drawing master, as he is now 50 years of age and has been in service since 1924. With regard to the grant of scale of pay of Rs. 40-11-70 sanction may be accorded as a special case in the light of the above remarks.

For Special Officer,
Dt. Board, Coimbatore.

Copy of application dated 21-9-48 from Sri S.K. Venkatarama Iyer, Combined Instructor, Bd. High school, sulur, (Coimbatore Dt.) to the Director of Public Instruction, Madras.

I beg to bring the following few lines to your kind consideration and favourable orders.

I have been serving in the Coimbatore District Board (High and Middle schools) continuously from 1924 and have a service of 24 years without a any break in service or awaiting myself of any long leave.

During my service since now, I have worked as a combined Instructor (Drawing and Drill master) in Middle school for 16 years and as Drawing Master in High schools for 8 years. Now, I am working in the High School, Sulur (which was raised to the status of a High school in June 1948) as a combined Instructor handling IV form also.

The Physical Education committee are agreed that refresher will have to be conducted all over the Province to familiarise the

the Physical Education Instructors with the new activities like Lezin, Gymnastic dances and soon.

The refresher course is suited only to young Physical Training Instructors and not like men of 50 years in age. Asanas, Lezin and Gymnastic dances will tell upon my health in my present age of 50.

Sir, I have been exempted by the Director of Public Instruction Madras in Dis No. 982/37 dated 2-3-37 for the combined Instructor's post even though I do not possess the necessary qualifications.

Now I humbly beg the higher age (fifty) and the long continuous service in this District Board to give me a new exemption order for a Drawing master's post in high schools, as they have done in the case of unqualified but serviced Tamil Pandits (Vide new G.O. of Tamil Pandits' exemption) and to relieve me completely from Physical Education work.

Since the matter is pressing I am submitting this petition in the hope that it will receive the greatest sympathetic consideration at your hands at an early date.

sd/ S.K. Venkataraman.
