With regard to (a), I suppose, the information will be found in our Civil List & I don't think we need collect them. It must be a very laborious process also.

With regard to (b), the information may be collected & put up.

up-to-date information cannot be had from them.

Both officers in the M. E. S. & those in the M. E. S. S. teach languages in colleges. The latest list of gazetted officers available is that collected up to 1.4.48; and the latest list of non-gazetted officers is that collected up to 1.1.47. It would not therefore be proper to refer the Hon. Member

to the Civil Lists. But a reply to this effect that the labour involved in collecting the information would be very great and that the results would not be commensurate with the trouble, may be given.

The S.P. may be told to forward a draft answer only to clause (b). A draft Memo. is sub. May be O.D. to H.M. ~~for~~ reply is ~~to be~~.

From the S.P., No. 3536-C3/48, d/- 26-11-48. CF.5

The S.P. has replied that no differentiation is made in the status & salary of persons teaching Sanskrit & of those teaching Kannada in the Govt. Arts College, Anantapur. He has not given any particulars. It is not also necessary to obtain them from him as the question is only an unstarred one. The following answer is for consideration:—

"(a) The labour involved in collecting the information asked for by the Hon. Member will be very great. And as the results will not be commensurate with the trouble taken, the particulars have not been called for from the subordinate authorities."

(b) The answer to the first part of the question is in the negative, the latter part does not arise."
