To
The Secretary to Government,
Education and Public Health Department,
Fort St. George, Madras.

Sir,

I invite attention to this office letter C.No.1476-J/45, dated 16-11-1945, regarding the revival of the publication of the Consolidated list of approved books and to state that Government have in their order No.Ms.2027 Education, Public Health., dated 30-11-1945 ordered that the revival of the publication of the Consolidated list in the Fort St. George Gazette, should be postponed till paper position becomes normal.

Accordingly, the instructions contained in G.O.No.171 Education and Public Health, dated 2-2-1943, were followed in respect of the Consolidated lists of 1943 to 1948.

The major portion of the names of books included in the Consolidated list of 1942 relate to thousands of books approved prior to 1941, which were re-approved under Rule 29 of the Text-Book Committee rules and which lost their approval by the end of 1947 due to efflux of time. Practically, there is no benefit continuing their names on the approved list. Out of 300 pages in the Consolidated List of 1942, nearly 200 pages relate to books reapproved in 1942.

Since the paper position is now improved, it is desirable to publish a latest Consolidated List of approved books revised upto 31st March 1949, covering about 70 pages on the whole to facilitate easy selection of suitable books by the prescribing authorities out of the current list of approved books. I therefore recommend that Government may kindly permit the revival of the publication of an update Consolidated List, every year from 1949.

As the work of the revision of the list has to be taken up immediately on hand, orders of Government may kindly be obtained in the matter and communicated to me at an early date.

Text Book Committee - Printing and
Publication of the Consolidated list of
approved books - revival of.

Please see the letter from the
D.P.I. on p 1 of. He has requested for
the revival of the publication of the
Consolidated list of approved books
in Fort St George effte. from 1949.
Due to paper shortage the effort in
171 Edu d 2.2.43 approved the suggestion
of the D.P.I. to keep in abeyance the
publication of this list, but to continue
in force the Consolidated list of
published in the year 1942, with omissions and
additions as and when necessary
with reference to the books approved
by the Text Book Committee in 1943
and succeeding years. Again in
171 Edu d 30.11.45 Effte. ordered the
continuation of this arrangement
as the paper position had not improved.
The D.P.I. has now stated that
no benefit will be derived in
maintaining the 1942 list, which has
become out of date, since many
of the books in it, have lost their approval
by the end of 1947 due to elapse of time.
It is also understood that the paper position has
now improved the Director has made the
proposal for the revival of the publication -
in the circumstances it is for

of permitting the revival of publication
of this Consolidated list in the

Sir,

Reference:- G.O.Ms.No.1254 Education and Public Health,
dated 25-4-1949.

39228

In their order No.1254 Education, dated 25-4-1949 Government
accepted my proposal to publish a Consolidated list of books approved
by the Text-Book Committee from 1944 to 1949. It is understood that
the press has dismantled the matter relating to the list of books
approved from 1944-48, as the type was needed for other urgent
purposes. If the list has to be published this year, the press has
to set up again the whole matter relating to the lists of approved
books from 1944-48 consisting of nearly 134 pages of printed matter.
Owing to the heavy pressure of work in the press, I think that the
publication of the list will be considerably delayed and the list
might not be quite useful in the current year due to late publication.

2. In the circumstances explained above, the publication of the
Consolidated List revised up-to-date, may be postponed to next year.
Only the lists of books approved by the Text-Book Committee at its
meeting held in February 1949 will be published, as was done last
year and the publication of the Consolidated List, revised up-to-date
can be taken up early in 1950 so that copies can be made available
before the academic year 1950-51 commences.

I therefore request that I may be permitted to publish the
Consolidated List in 1950 instead of in 1949.
