I invite your kind attention to this office letter
cited above and request you to pass early orders extending
the concession relating to the re-employment of retired
teachers upto the end of the school year 1949-50.

2. The concession already granted expires by 31.3.1949
and orders would have to be issued to the teachers in
good time to avoid dislocation of work in the schools. In
the absence of Government orders all the teachers are to be
relieved on 31.3.1949, and they may not even be available
afterwards, even if they are re-employed.

3. I, therefore, request very early orders in the
matter.

I forward herewith a copy of this office letter
Roc. El. 42017-48 dated 14.2.1949 addressed to the Government
through the Director of Public Instruction, Madras as required
in Government memo cited above.

2. About 22 teachers had to be relieved on 31.3.1949, and
thus there is great dislocation of work in the schools by
their retirement in the middle of the school year.

3. I, therefore, request that the Government may be
pleased to issue very early orders extending the concession
issued in G.O. No. Ms. 1074, Edn. dated 3.5.48 upto the end
of the school year 1949-50.

Sub: ESTABLISHMENT - Elementary Education - North Arcot
District Board - Retired teachers - Re-employment -
concession - extension of - Requested.

Ref: G.O.No.1074,Edn. dated 3.5.1948.

....

In G.O.No. cited above, the Government were pleased to
extend the concession relating to the re-employment of retired
teachers for one year from 1.4.1948 viz. upto 31.3.1949.

2. In this district there is a dearth for qualified
teachers and in spite of the appointment of a number of untrained
and unqualified teachers after getting exemption of the District
Educational Officer too many vacancies in Board Ele.schools are
left unfilled. The Inspecting Officers too often remark about
the filling of these vacancies in time and there have also
been numerous representations from the headmasters of Bd.Ele.
schools for the appointment of additional teachers owing to
increase in strength, substitutes when teachers go on leave
etc.

3. As the dearth for qualified hands continues
still and as there is no possibility of the situation getting
eased in the near future, it is requested that the Government
may be pleased to extend the concession issued in G.O. Ms.No.
1074, Edn. dated 3.5.1948 upto the end of the school year
1949-50 as retirement of teachers in the middle of a school
year or their relief on 31st March of the year dislocates work
in the school.

In G.O. Ms.No. 1074 Edn., dated 3-5-1948, Government
allowed, the concession relating to the re-employment of super-
annuated teachers below 60 years of age in elementary schools under
local bodies granted in G.O.No. 22 Edn., dated 7-1-1947, to be
continued in the official year 1948-49. This concession ends on
31-3-1949. The paucity of qualified hands then prevailing conti-
nues even now and there is scarcity of secondary grade hands in
particular. A list of the teachers who are re-employed in 1948
and another list of teachers who are to retire in 1949 are appended.
Those who are to retire in January, February and March 1949 have
already been re-employed by me till the closure of the schools for
summer vacation so that the school work might not suffer in consul-
tation with the Educational Officer. I request, therefore, that
Government may be pleased to allow the re-employment of retired
teachers for one year or till the closure of the schools for summer
vacation in 1950. Early orders are prayed for as the schools suffer
for want of teachers. These teachers will be replaced when suitable
and qualified hands become available.

To The Commissioner,

Through The Head master,

Sir,

Ref: P. 71-531/49

I beg to submit that I am a teacher in the Municipal Kasaba school, Chelapuram and that as I complete 55 years I am due to retire on the 10th May 1949; and under the circumstances in which I am at present, I beg to state that it will not be possible for me to continue existence without some job and a little income for sometime more. I therefore request you to kindly retain me in service for a year more from the above mentioned date as a teacher under the Municipality.

My present circumstances are briefly as set forth below:

I lost my wife sometime back and I am in charge of 2 sons of school going age and two daughters-one of marriageable age and the other a little girl attending school. My only income I get at present is Rs. 38/- plus Rs. 19/- D/A. With this small income I am running a home here paying a house rent of Rs. 19/- - a miserable income indeed which draws me ever deeper into debt and from which there seems to be no escape. I have resigned myself to my lot having been accustomed to it long ago. My only anxiety, is, as how best I may extricate myself from the present plight. No way opens and but for the income of my 2 other sons whom I have sent to serve in coffee clubs, I should have long ago left Calicut leaving the job and everything else for good. Having no home elsewhere to turn to, I have stuck on to Calicut as best I may.

I am physically quite fit to carry on as a teacher. I am unfit for anything else. I have been rendering good service since I was first entertained in 1922 and I have had no occasion to take adverse criticism regarding my work.

Then one may well expect a little peace and rest after arduous work, I am on the contrary compelled to forgo it and seek for a year more of service just to avoid financial misery.

Under the above circumstances, I humbly request you, Sir, to keep me in service for a year more by extension or re-employment from 10th May 1949 on any pay and allowance to which I am entitled.

I shall ever remain indebted for the kindness,

I beg to remain, Sir,

Your most obedient Servant.
