Sir,

Sub:- ESTABLISHMENT - deputation - Municipal High School, Assistant Mathematics - Sri. V. Hariharan - deputation for training - sanction SOLICITED.

Ref:- Application dated 6-12-1948, from Sri. V. Hariharan, an acting Assistant, Municipal High School & 2. Council's resolutions No. 1063, dated 19-1-1949 and 1232, dated 28-2-1949.

The post of Mathematics L. T. in the Municipal High School, Ootacamund has fallen vacant permanently from 1944. Advertisements were made year after year and so far the services of a trained teacher could not be secured, consequently students could not be coached to the desired extent.

As the services of a trained hand could not be secured, in time during the year 1947-48, one Sri. Ganapathi Vankatasubramaniam, an untrained graduate was appointed. As the candidate did not join duty, as a temporary measure, on the request of the Headmaster, Municipal High School, Sri. V. Ragothama Rao, a secondary grade teacher (Intermediate I group) was appointed to act temporarily in the place of a Mathematics L.T. The temporary appointment was sanctioned by Government, in their order Ms. No. 533, Education, dated 16-3-1948.

For school year 1948-49, as the services of a qualified graduate was required, the vacancy was advertised in the Hindu Paper Daily Edition, dated 13-5-1948 and Indian Express dated 11-5-1948. In response to this, only 3 applications were received and Sri. P. V. Sundaram, a fully qualified candidate was appointed, on the recommendations of the Headmaster, and at the same time Sri. V. Hariharan B.A., (Mathematics) a local untrained candidate was also appointed to act temporarily until Mr. P. V. Sundaram joins duty. The temporary appointment of Sri. V. Hariharan was approved by the District Educational Officer, Coimbatore & the Nilgiris in his letter Rc. No. 4-E/48, dated 19-7-1948. Sri. P. V. Sundaram did not join duty and Mr. V. Hariharan was allowed to continue.

Mr. Hariharan, a local candidate has requested in his application dated 6-12-1948 that he may be deputed by the Council to undergo B.T. training at Municipal cost. The Municipal Council at its meeting held on 19-1-1949, has agreed to consider the application of Mr. V. Hariharan if he would be prepared to undergo the training course on condition, that he is paid Rs. 50/- per mensem for a period of 10 months (without any other compensation) and guarantee his service to this Council for a period of at least 3 years.

In his letter dated 9-2-1949, Mr. Hariharan has given his consent.

In view of the fact that the need for a Mathematics trained Graduate is long felt in the High School and the candidates appointed from other places fail to join duty, since Ootacamund is a place having its peculiar climatic conditions, the Municipal Council at its meeting held on 28-2-1949, has resolved to depute Sri. V. Hariharan, a local candidate to undergo B.T. training and pay for ten months at Rs. 50/- per month subject to the approval of Government. To meet the expenses, the Council has sanctioned a sum of Rs. 500/-.

In enclosing herewith a copy of the application of Mr. V. Hariharan together with copies of Council's resolution No. 1063, dated 19-1-1949, and 1232, dated 28-2-1949, I request that Government may kindly be moved to sanction the deputation of Sri. V. Hariharan for B. T. course during the academic year 1949-50, in the interest of efficiency of the school.

Commissioner,

Ootacamund

Copy) of application, dated the 6th December 1948, from Sri. V. Hariharan, B.A., Maths Asst., Municipal High School, Ootacamund.

I beg to bring the following few facts for your kind consideration & favourable orders:-

I am a graduate with first class in Mathematics.

I am acting temporarily in the permanent post of a Mathematics L.T. Assistant in the above school, since the last four months.

It is a well know fact that there had been some difficulty in making a suitable choice for the above post and consequently it had been vacant for about three years.

I am an old student of the above institution and it would be a great honour for me to serve my mother institution.

Under these circumstances, I request the authorities to depute me for the B.T. course during the academic year 1949-50, by the end of which I may be able to join the school for further service.

Sd. V. Hariharan.

Endorsement of the Headmaster, Municipal High School, Ootacamund.

Submitted and strongly recommended.

The post of Additional Mathematics Assistant could not be filled up by an L. T. Assistant for the last four years. Those appointed either asked for a higher start or failed to join duty when the appointment order was sent to them.

Mr. V. Hariharan, B. A., is now acting as additional Mathematics Asst. for the school year 1948-49. He is an old boy of this institution and his work is quite satisfactory and his character and conduct are exemplary. He may be deputed for training in 1949-50 at Municipal cost and be appointed in the vacancy on a permanent basis provided he executes a bond to the effect that he will serve this institution permanently as per rules. The sanction of the Council may kindly be obtained to depute him for training after getting the approval of the Dt. Educational Officer.

He is a local man and his appointment will be in the interest of the school. No outsider is likely to join this post, as evidenced by past experience.

Under the circumstances his application is strongly recommended. He is sure to be an asset to the institution.

Sd. K. T. Madhavan Nambiar,
Headmaster.

Attention is directed to para 4 of G.O. no 910 200
S.29.3.49. under which the expenditure incurred by
local bodies on the deputation of teachers for BT or
PBT training will not be taken into account in
assessing the teaching grant. This does preclude
local bodies from deputing the teachers for training
if they are prepared to meet the entire cost
from their own funds. In view of the dearth
of BT or PBT Assistant it would seem such deputation
need not be objected to.
