Sir,

Sub:-- Training colleges--admission of Malayalee students to the B.T.

26051

In G.O. No. 1298 Edn. dated 20-6-1947 Government accepted my proposal that 10 Malayalee students from Malabar might be deputed to the Training college, Trichur (Cochin State) on the terms and conditions stipulated by the Cochin Government. Government also approved the proposal that Kannada students may continue to be admitted in the Teacher's college, Saidapet and that the Kannada section in the Christian college High school might be used for teaching practice by these students. The Secretary to the Government of Cochin has now informed me that they propose to close down their training college at Trichur with effect from the end of the current academic year and wishes to know whether any places could be reserved for their students in the Teacher's college, Saidapet and the Lady Welligdon Training college, Madras.

2. The question of providing facilities for the training of Malayalee B.T. students in the Training colleges in this province has now to be considered. The Principal, Meston Training college, Madras has agreed to allot 25 places for the Malayalee students and the Headmaster, Madras Christian College High school has agreed to provide facilities for the teaching practice for these students in the Malayalam section of his school. It is suggested that 5 out of the 25 places may be reserved for the students deputed by the Cochin state and the rest for the students of this province. Unlike in the Government colleges, the management of the Meston training College charge a tuition fee of Rs. 50/- per annum per student and I recommend that in the absence of any other training facilities, the fee for the 20 students may be paid by Government. Applications for admission into this college from the Malayalee students may be called for and selections made by the Principal, Teachers' college, Saidapet. I recommend the admission of 25 Malayalee students in Meston Trg College may be approved.

2. In regard to Kannada students, I have addressed the Registrar, University of Mysore enquiring whether any places could be reserved in the Training college at Mysore and his reply is awaited. Proposals will be submitted to Government immediately on receipt of the reply from the Registrar, University of Mysore.

3. As instructions have to be issued to the Principals of both the colleges in the matter of admission of Malayalee students I request the favour of very early orders.

Yours faithfully,

for DIRECTOR OF PUBLIC INSTRUCTION.

I have the honour to invite the attention of Govern-
ment to my letter R.O.C.No.185.K2/47 dated 27-3-1949 regard-
ing the admission of Malayalee students to the B.T.class in
the Meston Training College, Royapattah and request the
favour of immediate orders on the matter as necessary instruc-
tions have to be issued to the Principal, Teachers' College,
to forward the applications received from Malayalee students
to the Principal Meston Training College.

Yours faithfully,

The Govt approve the proposal of the
D.P.S that 20 seats may be reserved in the
Muslim Trg. college, Madras, from the academic
year 1949-50 for the training of Malayalee
Students from Malabar. and that the management
of the college may be paid a tuition fee of
Rs 50/- per annum per student. They do not decide
that the Director need reserve any seats in
the college for students from the Cochin State.
The Cochin Govt. may themselves arrange for that
reservation. Applications for admission from
Malayalee Students from Malabar may be
called for and selection made by the
Principal, Teachers College, Saidupeh.

Training colleges - Admission
of Malayalee students to the B.T.

Please see the letter of the D.P.S. in
the of . The Director's proposal to get 20 places
reserved for the Meston Trav. college for
Malayalee students from Malabar and
to pay a tuition fee of Rs 50 per annum for
each student may be accepted.

As regards reservation of seats
for Cochin students, the Director may be
requested to inform the Cochin govt
that they may themselves address the
authorities of the college ^{direct} for the reservation
they require. It does not seem that this
govt need ask for 25 seats and then
allot 5 out of these seats to Cochin, in fact
Cochin may not require any seats at
all ^{in the Meston college} if the Union of Travancore and Cochin
materialises as ~~there~~ is already a Trav.
college at Trivandrum.

The file may be sent to the
the Dir dept for remarks with reference to
para 1 above before circulation.

Please see the joint-decree given in the previous page. There are three Govt. Trg. Colleges in the Province: -

1. Teachers College, Saidapet
2. Lady. Willingdon Trg. College.
3. Trg. College, Rajahmundry.

In the first two, Tamil B.T.s are trained. In the Teachers College, Kannada B.T.s also are trained. Their teaching practice arrangements have been made with the Xian College High School.

There is no provision for training Malayalee B.T.s in any of these colleges. As 10 seats had been reserved in the Cochin Trg. College. Now that the Cochin Trg. College is to be closed, it is proposed to reserve 20 seats for Malayalee B.T.s (those coming from Malabar M.) in the Meston Trg. College, which admits B.T.s of all languages - Tamil, Telugu, Kannada, and Malayalam.

The proposal in the file is to get reserved 20 seats in the B.T. Class in the Meston Training College for Malayalee students. The extra cost involved is Rs 1000 (20 x 50) per annum.

2. At present there is no provision for Malayalam students in the Govt. Training Colleges in which no tuition fee is collected for the training of B.T. students of this Province. During 1946, a proposal to open a separate Training College for Malayalee students was considered

but eventually dropped. ^{Later on in 1947} ~~and as an alternative measure~~ 10 seats were got reserved ^{for Malayalee students} in the Training College, Trichur (Cochin State) on the terms and conditions specified at K on p. 23 of (A) which involved, amongst others, the payment of a tuition fee of Rs 100 plus a special fee of Rs 11-12-0 plus a registration fee of Rs 3 per candidate per annum. Only ten seats ~~were~~ ^{could be} then reserved for the Malayalee students in the Training College, Cochin State, because that was the maximum which they could spare - cf. p 66 c.f. of (A). Now that the Training College, Cochin State, is being closed, it is proposed to reserve for the coming academic year, 20 seats in the Meston Training College ^{for which the college authorities are agreeable} by paying an annual tuition fee of Rs 50 per candidate. The arrangement with the Meston Training College seems also cheaper than that made with the Training College, Trichur. In the circumstances Finance may agree to the proposal of E & P.H. at 'A' on p. 1 above. ~~See Finance Department~~

21.4.49

The proposal to reserve 20 seats in

the Meston Training College involves an expense of Rs 1000 p.a. by way of tuition fees at Rs 50 per student. Now we spend Rs 1000 p.a. ^(at Rs 100 per seat) on 10 seats in the

Trichur Training College. The present proposal does not involve any additional cost to Govt. but is very advantageous. It may therefore be agreed to in principle.

It is doubtful whether 20 seats will be necessary every year. ~~Each year~~ ^{perhaps} consider whether 10 seats will not be sufficient at present. It is proposed that the payment will be restricted to the actual number of students reported by the D.P. in the year. And that the 20 seats proposed ^{for women Malayalee students also} be reserved for women Malayalee students also.

Notes from page 1 ante may be read.
The proposal relates to the arrangement
to be made for the train of B.T. Students
from Malabar. Finance have accepted
the arrangement.

As regards A on the previous page,
it is subd. that the present proposal
is only for training male students. It is
understood that the Muslim Trg. College
admits only male students. It is not
known what arrangements exist for training
Malabar women B.T.s. Probably their
number is small and they will make their
own arrangements.

A draft order is subd. H.M. (Edn)

Sir,

Sub: Colleges - Training - Admission of Kannada students
to BT Class.

Ref: My letter R.C. No. 185 K2/47 dated 27-3-49 and
G.O. 1287 Education, dated 27-4-49.

In inviting attention to para (2) of my letter referred
to above regarding the reservation of some places in the Training
College at Mysore for the Kannada students of the Province, I have
the honour to state it has not been possible yet to obtain ^{a satisfactory} any reply
either from the Director of Public Instruction, Mysore State or the
Registrar, Mysore University about the reservation of few places for
Kannada students in the Training College at Mysore and as matters now
stand, it may take some time before a final decision can be arrived at
on the question. I am, therefore, instructing the Principal, Teachers'
College, Saidapet, to admit Kannada students of the Province in the
College in 1949-50 and to arrange for their teaching practice in the
Christian College High School where there is a Kannada section.
