It is proposed to introduce hand loom weaving

Orders have now been issued to him to teach craft
for one section in IForm and to give instructions to and super-
vise the practical work of the other 9 teachers handling First
Form regarding Craft during out of class hours as far as
possible and during class hours also if necessary.

The time table of the school will be suitably modified.

For this extra work, it is proposed to give him a
special allowance of Rs.25/0/0 per month for a period of one
year. Since there are no qualified hands available, this

this procedure has been proposed and is being adopted from 15/10/1948. This procedure also minimises the expenditure that may be involved in engaging a full-time weaving instructor.

In the above circumstances, I request that the Government may be pleased to approve the action in having issued orders to the teacher to work on the above lines from 15/10/48 and sanction the payment of Rs 25/0/0 as special allowance for one year from 15/10/48.
