Please see the Legislative Assembly Question on p.1 c.f. Which the Member intends to ask as a short notice question. It is not known whether H.M. (Edn) has agreed to the waiver of notice in this case, and has agreed to answer it as a short notice question. The University is an Autonomous body and the matter relates mainly to the University administration for

which Govt. are not directly responsible and in which Govt. have absolutely no information, no official report having been received from the Registrar of the University in respect of the leakage of the question papers. The draft answer below is for approval. May be circulated to H.M.(Edn),

H.M. (Edn)

H.M.(Edn) has since ordered that the question need not be treated as a short notice question. Attention is also in this connection solicited to the representations received from ^{four} different persons and the ~~reports~~ D.Os from the Registrar, University of Madras, on p.p. 1-11 c.f. of the L.F. regarding the leakage of question papers for the Madras University Examinations. With reference to the minutes of H.M.(Edn) on p.1 n.f. of L.F., a detailed report regarding the matter is being called for from the University. ^{For order whether} The answer to this question may ~~therefore~~ be, "The matter is under correspondence with the University authorities". May be circulated to H.M.(Edn).

VS 26/3/49. "The Govt. understand that there has been a leakage, and have called for details"
H.M. (Edn) may see -

I think this information is no use. The information may be called for from the University and then the answer put up.
