From R. Siddique, Esq., Superintendent, Government Press, Madras. To The Secretary to Government, Education and Public Health Deptt., Fort St. George, Madras. No. 58 Pdl., dated 21st March 1949.

Sir, Sub: Government Press - Annual Report on the working of - Date of submission - alteration requested. Ref: G.O.Ms.No. 3040 Edn., dated 2-12-1948.

I have to state that Government in G.O.Ms.No. 3040 Edn., dated 2-12-1948 have directed that the Annual Report on the working of the Government Press be submitted to them on 31st July instead of on the 15th September.

The commercial system of Accounting was first introduced in the Government Press in April 1925 and a sub-section was then formed with the following staff:-

1. Commercial Accountant designated as Senior Accounts Clerk on Rs 85-125 (now Rs 80-125).
1. Plant Clerk on Rs 40-65 now Rs 80-110.
2. Stone Accounts Clerk on Rs 40-65 (now Rs 45-90).

The strength of this sub-section remained the same even though the work has progressively increased year after year. This work is of a technical nature and cannot be taken by anyone unless he has sufficient training. The Senior Accounts Clerks who had the necessary training in the work and carried on the duties thereof are Sri S.R. Venkatesa Iyengar - from 15-12-1930 to 20-9-1936 (now retired)

X Sri V. Gopala Iyer from 21-9-1936 to 27-9-1938 (now retired and dead)

Sri T.A. Ramanujachari from 28-9-1938 to date (now on leave under F.R.86 for a period of 4 months and 25 days from 14-12-1948 to 8-5-1949).

3 As many senior and qualified persons were transferred to other offices, there was a dearth of experienced persons and no qualified hand was available for being trained in the work during the years while Sri T.A. Ramanujachari was in charge of this sub-section. At present out of this sub-section At present out of a total strength of 72 clerks in the Press, 38 clerks are appointed under Rule 9(a)(i) of the General Rules.

4 As it was not found possible to submit the Annual Report on the working of the Government Press by 15th September every year one month's extension was usually obtained every year. During the year under progress arrear claims on account of revision of salaries under G.O.No. 78, Finance, dated 6-2-1947 and G.O.No. 916 Finance, dated 26-11-1947 were made, consequently about 1,140 pages of acquittance rolls (salary payments) relating to the arrear claims alone have to be re-classified

and

and brought under respective costing heads. This is entirely a huge volume of additional work thrown on this sub-section this year in addition to its normal work. The Senior Account's Clerk who has been posted now in the vacancy of Sri T.A. Ramanujachari is new to the special and technical nature of work.

In the circumstances stated above it will not therefore be possible to submit the Annual Report on the working of the Government Press on 31-7-1949 this year.

I therefore request that Government may be pleased to sanction the following temporary staff for a period of 6 months from 1-4-1949 to enable me to submit the Annual Report on the working of the Government Press at least on 30-9-1949.

2 Upper Division Clerks on Rs 80-125

1 Lower Division Clerk on Rs 45-90

Permission may also be accorded to re-employ Sri T.A. Ramanujachari if necessary in the interest of public service and for expediting the work which is purely of a technical nature in one of the temporary posts on a pay which with his pension will not exceed the pay last drawn by him.

Early orders are requested.

Superintendent.

From R. Siddique, Esq., Superintendent, Government Press, Madras. To The Secretary to Government, Education and Public Health Deptt., Fort St. George, Madras. No. 58/Pdl., dated 21st March 1949. Sub: Government Press Annual Report on the working of the Government Press. Revised date for sending report on the salient features of the Government Press. Ref: G.O.Ms.No. 3040 Edn., dated 2-12-1948 and Memo. No. 1030 C2/49-2 Edn., dated 8th March 1949.

I have to state that reports are submitted to Government from the Government Press for the preparation of the Presidency Administration Report as indicated below. A report on the salient features of the Government Press for the first eleven months of the Calendar year is submitted on the 15th December and on the first week of January following a report on the events pertaining to December is submitted for inclusion in Part I of Presidency Administration Report with reference to orders in G.O.No. 836 Public; dated 21st September 1926 and annual circular issued from the Government each year. So far as these dates are concerned it is not possible to revise the dates.

The

and brought under respective costing heads. This is entirely a huge volume of additional work thrown on this sub-section this year in addition to its normal work. The Senior Account's Clerk who has been posted now in the vacancy of Sri T.A. Ramanujachari is new to the special and technical nature of work.

The other report is submitted to Government for inclusion in Part II of the Presidency Administration Report with reference to Orders in G.O.No. 1630 dated 24th July 1946. The report is mainly based on the administration of the Government Press for the official year preceding and it is usually submitted in the second week of November of each year after the submission of the annual report on the working of the Government Press. I have addressed Government separately for sanction of additional staff for altering the date of submission of the Administration report ordered in the Government orders cited. On receipt of orders on my proposal, I shall suggest the revised date for submission of the report.

Ref From the S.G.P. 58 p.d. 21.3.49.

Order (No) no 1292 Edn. 1 27.4.49

Sanction is accorded to the employment in the Govt. Press, Madras of one U.D. Clerk on Rs 80-125 + one L.D. clerk on Rs. 45-90 till the end of July 1949, ~~to~~ ⁱⁿ ~~expediting~~ ^{expediting} the submission of the Annual Report on the working of the Govt. Press for the year 1949.

2. The S.G.P. is informed that the above additional staff is specially Sanctioned

last drawn by him.

4. In the circumstances explained by the S.G.P. this department may perhaps agree to sanction one temporary U.D. clerk and 1 L.D. clerk and to permit the employment of Sri T.A. Ramanujachari whose services, the S.G.P. considers necessary in the interest of submission of annual report atleast on 30-9-1949 two months later than the date fixed by Government in G.O. 3040 Education dated 2-12-1948.

Please see the letter from the Supdt., Govt. Press, on pp. 7-8 c.f. E.P.H. note above.

The Govt. have only recently negatived the request of the S.G.P. for the employment of addl. staff in connection with the submission of the Annual Report on the working of the Govt. Press. While issuing orders accordingly, the Govt. also directed that the Annual Report should be subm. on 31st July instead of on 15th Sept.

2. The S.G.P. was consulted before the Govt. directed that the report should be sent to Govt. on 31st July. Consistent with the previous orders, it seems that there is no justification for postponing the date for submission of the Report from 31st July to 30th Sept. 1949 as now requested by the S.G.P. Please see in this connection portion 'X' on p. 1 n.f. G.O. (F).

The Govt. may insist on the submission of the Annual Report on 31st July 1949 as already ordered in G.O. 3040 Edn. of 2-12-1948.

Para 7 on p. 8 of

No case for re-employment of Sri Ramanujachari. (para 3 of note)

P.N.V.O. 23282/Edn.

As a special case, Finance may agree to the sanction of 1 temporary U.D. clerk and 1 temporary L.D. clerk from date of appointment up to end of July 1949 for expediting the work. The extra cost involved in the proposal to employ 1 U.D. clerk and 1 L.D. clerk for 2 1/2 months will be about Rs 609/-.

The S.G.P. may be definitely told that the above additional staff is specially sanctioned with a view to ensure preparation of the Report in time and its submission to the Govt. on 31-7-1949 and that the special staff will not be continued in any circumstances beyond the end of July 1949.

3. Re-employment of Sri T.A. Ramanujachari, a retired clerk of the Govt. Press.

The Govt. opposed, as a matter of general policy to the employment of retired personnel and an exception is made only in the case of posts requiring men with technical qualifications and experience. It cannot be seriously contended that the drafting of the annual report of the Govt. Press is of such a technical nature that it is absolutely necessary to re-employ a retired clerk. In fact, the preparation of annual administration reports is a regular feature in every Dept. and it should be possible for the senior experienced clerks of the office to attend to this without resorting to re-employment of retired clerks. Finance may therefore advise against the proposal to re-employ the retired clerk in question.

The file relates to the request of the S.G.P. for addl. staff in connection with submission of the Administration Report of the working of the Govt. Press to Govt. on 31st July of each year instead of on 15 September. At the time when the date of submission of the Report of the Govt. Press was altered to 31st July

the S.G.P. applied for 2 temporary posts to give training to the existing staff who will succeed the retiring incumbents who were versatile in ^{of the} commercial system. The Govt. declined to reconsider the request for addl. staff on that occasion.

The S.G.P. now states that it would not be possible to submit the Administration Report as ordered by Govt. on 30-7-49 and even for submitting the report on 30-9-49 he has requested the following addl. staff for 6 months. viz.

2 U.D. Clerks on 90-125 and L.D. clerk on 45-90 and with permission to reemploy Sri T.A. Ramanujachariar retiring accountant in one of the temporary posts. This Dept. supports the request of the S.G.P. with the exception of the proposal that one U.D. Clerk will be sufficient instead of 2 U.D. asked for by him.

3 Finance categorically states that 1 U.D. clerk and 1 temporary L.D. clerk will be sanctioned upto the end of July 1949 and the report should be submitted to Govt. on 31-7-49 as direct in G.O. No. 3040 Edn. dated 2-12-1948.

4 As for the reemployment of Sri T.A. Ramanujachariar they are against the proposal. It is submitted that the proposal to reemploy Sri T.A. Ramanujachariar is made to expedite the work, presumably on the ground of his past efficiency in that branch of work and the helplessness of the Press to find a suitable substitute. In the exigency of public service, it is submitted that the S.G.P.'s proposal in this regard may be pressed. The other proposal of the Finance Dept. may be agreed to.

5 The file may be circulated to H.M. (Edn.) and H.M. (Fin.)

While the re-employment of Sri T.A. Ramanujachari is resisted properly by Finance on general grounds, it is necessary in the special circumstances stated by the Superintendent, Government Press that the senior Accounts clerk with necessary training has left service recently and that the successor of Ramanujachari is new to the special and technical nature of the work. In these circumstances we

may agree to the re-employment particularly as the date for the submission of the report has been advanced this year.
