SECRETARY, E?&.P.H.

I had sent for the following information some weeks back:-

(i) Admissions in all our Arts Colleges according to communities in the B.A. class~~es~~;

(ii) The number of schools in rented buildings and which otherwise require fresh construction in Government schools and colleges.

Both these information is required urgently. The D.P.I. may be asked to furnish them as soon as possible.

Government Memorandum No.94732-B1/48-3 Edn. dated 19-1-1949.

SCHOOLS - Government - Secondary or Training - Provision of adequate accommodation.

From the Director of Public Instruction, R.C.No.2582-L2/48 dated the 29th December 1948.

It is observed from the list furnished by the Director of Public Instruction that a number of schools, especially the high and training schools, are in rented buildings. It is necessary that the schools should be provided with adequate permanent accommodation either by purchasing the buildings in which they are now located if they are considered suitable by the Education Department and if not, to take steps for construction of necessary school buildings. The Director of Public Instruction is requested to examine the matter and offer his suggestions at an early date.

Sir,

Sub: Buildings - Government Secondary and Training Schools - Provision of adequate permanent accommodation.

REF: Government Memorandum No.94732-B1/48-3 Edn dated 19-1-49. page 7 ante

21377

I entirely agree with the Government that it is essential that all Government schools should be provided with adequate permanent accommodations. With this end in view I have been submitting proposals every year, but in view of the high cost of construction and in view of the financial stringency, Government have turned down most of the proposals. The following building schemes relating to Government Secondary ~~School~~ and Training Schools which were submitted to Government this year for consideration in connection with Part II of the Budget Estimate for next year i.e. 1949-50 have been ordered to be deferred by Government. The Number and date of the G.O. deferring the scheme is noted against each: Ⓟ/39

(1) Government Secondary and Training School for women, Cannanore - Construction of an additional block - CostRs.46,800/- G.O. MS.No.3110 Education dated 7--12--1948.

(2) Government Secondary and Training School for women, Udipi - Construction of an additional block cost Rs.27,500/- G.O.MS.No.3147 Education dated 10-12-1948. Ⓝ/59

(3) Government Girls High School, Bellary - Acquisition of the present school buildings and compound -G.O.Ms.No.3248 Education dated 20-12-1948. — Rs. 1,57,500/- Ⓜ/41-42g 5

(4) Government Secondary and Training School for Women, Namakkal - Construction of additional buildings - Rs.80,000/- Government Memorandum No.70366/48-4 C1-Education dated 16-11-1948. x not put up (put-in C1 Section file)

(5) Government Secondary and Training School for Women, Gudiyattam - Acquisition of land etc. Cost Rs.24,515/- - G.O.Ms.No.2894 Education dated 17-11-1948. Ⓡ/7g

(6) Government Secondary and Training School for Women, Vellore - Putting up an upper storey to the High School block Cost ~~of~~ Rs.40,000/- - G.O.MS.No.2735-Education dated 2-11-1948. Ⓢ/39

2. Since Government also have now agreed that it is necessary to provide all Government Schools with adequate permanent accommodation, I request, that as a first step Government may kindly reconsider their orders and approve the six schemes referred to above and provide necessary funds therefor in the next year's (i.e.1949-50) budget.

Yours faithfully,

[illegible] in Agency areas there are ely Schools under Govt. management

Secretary, E. & P.H.

We are sanctioning ten lakhs of rupees for giving grants to aided schools for buildings. In my tours, I have found that in many places, Government schools are run miserably. I think we should also put up a proposal to allot some money to build Government schools throughout the province. For this purpose, I would like to know from the D.P.I. the number of schools which are conducted in rented buildings or which require further buildings. I believe that the Education Department does not run any Elementary schools themselves and so, the matter must be confined to secondary schools, Middle and High, Training Schools, both Higher Elementary and Secondary Grade and Colleges.

The D.P.I. may go into the matter and give us the following statistics:

1. The number of High Schools, Boys and Girls.
2. The number of Schools for the handicapped children.
3. The number of Training schools for men and women as well as Secondary grade and Higher Grade and Colleges, Men and Women, maintained by Government.
4. The number of these schools conducted in rented buildings in each of these categories for which Government will have to find permanent sites and buildings.
5. The number which have their own buildings and which have to be improved.
6. The strength of each school or college may also be given.

I know these cannot be taken up as a part II scheme immediately but I would like to have a note on these prepared so that the matter may be considered at least informally so that some allotment may be made.

I see in this file, a list of schools which are conducted in rented buildings. Some provision must be made to build

Please see the letter from the DPI on page 8cf in reply to the memo on page 7cf. He has reported ~~that~~ the schemes for the construction of buildings or acquisition of lands for construction of buildings for six Government Secondary or Training Schools which were considered in connection with the budget for 1949-50. These schemes were ordered to be deferred in view of the prevailing high cost of building ~~on~~ materials and labour. The total estimated cost of these schemes is Rs. 3,76,315/-.(x) As the Government have agreed that it is necessary to provide adequate permanent accommodation for all Govt institutions, the Director requests

that as a first step, the schemes referred to above may be approved and necessary provision may be made in the budget for 1949-50.

paras 2 to p 7 g.

2. The building schemes under reference are major schemes, as their estimated cost exceeds the limit of Rs 10,000/- in each case and they will normally have to be treated as Part II schemes. If, as suggested by the Director, provision for them ~~to~~ should ~~be~~ be made in the next year's budget, the 'new service' procedure (placing before the Standing Finance Committee and Cabinet) will have to be followed. In the circumstances, it is submitted for orders whether the recommendation of the Director should be accepted. Orders of HM (Edn) may be taken in the matter.

Yes. Cases were rejected after due consideration. I am afraid there is hardly any justification for reviving them now: Nor I do not think the present time is seasonable for launching a scheme of building construction for all these schools.
