No. RC 1099 D3/47 dated 29-3-1949.

Sir,

Ref:-- G.O. Ms. No. 665 Edn. dated 10-3-49.

The Correspondent has been informed that the balance of grant for 1946-47 (Rs. 1,008/-) and the entire grant for 1947-48 are withheld under rule 2 of the Grant In Aid Code.

As regards the utilisation of the grant for 1947-48 for payment of teachers' salaries as ordered by Government I submit the following for their consideration and orders.

The Financial Statement of the school for 1947-48 has not yet been received and the Correspondent's whereabouts are also reported to be not known. In the absence of the Financial Statement, the exact amount of the grant due cannot be assessed for 1947-48. However, since Government have taken a sympathetic view of the cases of teachers and passed orders I request that Government may pass orders for meeting the expenditure on the pay of the Arrears from the appropriation under "37 (g) Edn. Secondary--Direct Grants to Non-Government Secondary schools, etc.". If this does not meet with the approval of the Government at least the sum of Rs. 1,008/- for 1946-47 already withheld may be permitted to be utilised for the disbursement of the teachers' salaries on a proportionate basis.

Yours faithfully,

for DIRECTOR OF PUBLIC INSTRUCTION.

Read : G.O. Ms. No. 665 Edn. d/ 10-3-49.

From the D.P.G. Rc. No. 1099 D3/47 d/ 29-3-49.

pp 27-28 of (R)

The D.P.G. was informed in G.O. Ms. No. 665 Edn. d/ 10-3-49 that he may withhold the payment of teaching grant to due to the defunct C.E. Nair High School, Pattamali for 1947-48 and utilise the amount thus withheld for the payment of the arrears of salary due to the staff.

The D.P.G. has now reported that though the grant has been formally withheld, the amount withheld could not be correctly assessed as the management of the defunct school has not submitted the prescribed Financial Statements. The D.P.G. has therefore suggested that, in the absence of a correct ^{estimate} idea of the amount thus available for the payment of the arrears of salary due to the staff, the arrears may be paid out of the appropriation under "37 g. Edn - Secondary - Direct grants to Non-Govt Secondary Schools - 1. Teaching". The D.P.G. had already reported that an amount of ~~Rs 1,008~~ Rs 1,008 being the balance of grant due to the school for 1946-47 ~~had been~~ withheld and that the grant for 1947-48 was estimated approximately at Rs 4,000/-. Excluding certain recoveries ordered by the D.P.G., the amount of the withheld grant that can be utilised for the payment of the arrears was approximately estimated at Rs 3,365/-. The arrears payable to the staff has been reported to come to about Rs 3,475/-. ~~As the~~ It has already been decided that the withheld amounts may be utilised for the payment of arrears to the staff. It is therefore

submitted that in the absence of a correct estimate of the amount withheld, the D.P.G. may be permitted to utilise the sum ~~not exceeding Rs 3,365~~ ^{of Rs 1008 for 1946-7 already withheld for part} towards the payment of the arrears of salary due to the staff.

The file may be sent to Fin. Sec. for comments, if any, prior to circulation. As it may not be possible to assess the grant due for 1947-8 unless the Correspondent of the School submits the financial statement, it may perhaps be assumed that the School would have earned a grant equal to the grant for 1946-7 and the amount may be utilised for payment of arrears of salaries to the staff.

The remarks of Finance may be invited.

The proposal at A above may be accepted.
 3 B above: The D.P.D. reported in Aug. 48 that the School can be expected to earn approximately a teaching grant of not less than Rs. 4,000 for the year 1947-8. Deducting a sum of Rs. 1643 owed to be repaid from the management, the net grant due will be about Rs 2357. This amount has not been claimed and withheld. In the absence of a definite amount withheld, it appears that no payment can be made to the teachers on the assumption that the school would have earned a grant equal to the grant for 1946-7. Finance may advise accordingly.
