Mercara, the 18th January, 1949.

From - The Chief Commissioner of Coorg.

To - The Secretary to the Government of Madras,
Education and Public Health Department, Madras.

Subject: - Education - contribution to Madras Government on behalf of Coorg students studying in the Engineering colleges, Madras.

I invite reference to the instructions issued to the Director of Public Instruction, Madras, in your Memorandum No. 32691-1/48-A-Edn., dated the 17th November, 1948.

2. The original demand made on this Administration for reserving two seats for the Coorg students studying in the Engineering Colleges at Guindy and at Coimbatore, was that the students should pay tuition fees at twice the rates ordinarily leviable from students of the Madras Presidency vide letter No. M.S. 672-Edn., dated the 1st May, 1944, from the Government of Madras, Education and Public Health Department. Then in 1946 a demand in the shape of reservation fee for two seats at Rs. 700/- each per annum was made and this rate has since been raised to Rs. 900/- in your letter No. 21466-15/47-A-Edn., dated the 9th June, 1948. Now the Principal of the Engineering College, Guindy, has calimed a sum of Rs. 5,400/- on behalf of all the five students studying in the college for the years 1947-48 and 1948-49 after deducting the fees received from them during the year 1947-48 and for two instalments in 1948-49. Thus it will be seen that the demand made on this Administration in respect of each Coorg student reading in the Engineering College has been steadily on the increase and the present charge amounts to the payment of a fee of Rs. 900/- for every Coorg student for every year of his course of study in the Engineering College. This Administration will, therefore, feel grateful if the matter may kindly be reviewed and the contribution payable by this Administration may be fixed at one Reservation Fee at the present enhanced rate of Rs. 900/- for the whole course in respect of each student at the time of his admission to the college, besides double the tuition fee paid for him.

3. An early reply in the matter is requested.

I invite your attention to Government Memorandum No.64715-1/
48-A Edn. dated 11-9-1948, communicated with your Proceedings
RC.No.432-K.2/47 dated 20-9-48 wherein it was mentioned that the
Chief Commissioner of Coorg had agreed to the payment of the
contribution on behalf of the students of that State studying in
this College at the enhanced rate of Rs.900/- and as such, it is
not known what special circumstances prompted the Coorg State
to request the Government now to reduce the contribution and
this is a matter to be adjusted between the Government and the
State.

2. So far as this office is concerned, I do not see any
justification for reducing the contribution of Rs.900/- payable
on behalf of the Coorg students studying in this College, when the
other States and Provinces are paying the contribution on behalf
of their students at the enhanced rate. If, for any reason, it is
decided by Government that the rate of contribution payable on
behalf of the Coorg students should be reduced, it is equitable and
just that the same consideration should be extended to the students
of the other States and Provinces studying in this College.

Please intimate whether the amounts claimed in respect of maintenance charges of Coorg prisoners in the jails of the Madras Province, both relate to the Jail Department or whether the maintenance charge of criminal patients relate to medical Department.

In respect of contribution claimed for reserving seats and tuition and medical inspection fees, it has to be pointed out that Rules do not admit of any such payments by this Administration on behalf of the students studying in the Madras Colleges. This Administration is not, therefore, liable for the payment of any contribution to the Madras Government. The full tuition fees charged by the colleges should be paid by the students themselves. The Principals of the respective colleges may, therefore, be kindly directed to recover the amounts from the students concerned.

From - The Chief Commissioner of Coorg.

To - The Secretary to the Government of Madras,
Education and Public Health Department,
Madras.

Subject:- Education - contribution to Madras Government on behalf
of Coorg students studying in the Engineering College,
Madras.

28 JAN 1950

Sir,

I invite a reference to my letter of even number dated the
18th January, 1949, and your reply letter MS.No.1308-Education,
dated the 29th April, 1949.

Since December, 1948, the Principal, College of Engineering,
Guindy, and the Principal, Arthur Hope College of Technology,
Coimbatore, have been pressing this Administration for the payment
of the contribution of Rs.900/- for each student studying in the
respective colleges for the years 1947-48, 1948-49 and 1949-50,
and they have been repeatedly informed that this Administration is
not liable for payment of any such contribution on behalf of the
Coorg students studying in their colleges and that the full fees
claimed should be recovered from the students themselves. The
Principal of the College of Engineering Guindy in his letter of the
6th January, 1950, has stated that from paragraph 2 of Memorandum
No.65715-1/48-A.Education dated the 11th September, 1948 of the
Government of Madras, it is seen that the Chief Commissioner of
Coorg has agreed to the payment of contribution at the enhanced rate
of Rs.900/- per annum for each student and as such it is incumbent
on the part of this Administration to accept liability for the
payment of the contribution. In fact, there does not seem to exist
any such reference accepting liability for such payment. It is,
therefore, requested that a copy of the reference may kindly be
furnished to me.

Although the Principal has been more than once requested to
recover the fees from the students themselves, as it is incumbent on
them to pay the same, it has not been done so. On the other hand
claim is being made on this Administration and it is further stated
that it is for this Government to collect the fees from those students

So far no liability for the payment of the fees at Rs.900/-
per student for each year has been accepted by this Administration
and it is not understood why the fees were not collected from the
students and why the Rules of the college were not enforced for
default of payment. Some of the students are in receipt of certain
concessions from this Administration and the parents of some of the
students are in affluent circumstances. As such they should be
able to pay up the fees demanded by the college authorities and
settle the matter.

In the circumstances, it is requested that the Principals of
the Colleges concerned may kindly be asked to collect the full fees
from the students themselves and not press this Administration for
the payment of the contribution on behalf of the students concerned.

An early reply is requested.

As regards your suggestion that the Principals
of the Colleges in which Coorg students ^{are} studying may
be asked to collect the contribution from the students
themselves, I am to say that the seats were ^{reserved} ~~nominated~~
at the instance of your Govt. and as nominations to the
reserved seats are made by your Govt., this Govt. would
like the contributions to be paid by your Govt. itself

In 1944, one seat was

reserved in the Tengg. College, Guindy, for students from Coorg and the Coorg Admin. was informed that the selected student should pay tuition fees at double the rate payable by students of this Province. In 1946, another seat was reserved for Coorg students in the A.H. College of Technology, Coimbatore and the Coorg Admin. was informed that the selected student for this seat also should pay tuition fees at double the rate payable by Provl. students. Subsequently, this Govt. considered that the amount recovered in respect of students from outside the Province studying in the Tengg. colleges should be fixed with reference to the cost to this Govt. of training them. It was eventually decided that contribution at a uniform rate of Rs 900/- p.a. per student should be recovered in respect of all non-provl. students with effect from the academic year 1947-48. The Coorg Admin. was duly informed of this decision.

2. Students from Coorg were

until now paying tuition fees only at double the rate payable by students of this Province. The Ch. Commr. of Coorg now requests that the contribution payable in respect of Coorg students studying in the Govt. Tengg. colleges in this Province may be fixed at one reservation fee of Rs 900/- for the whole course in respect of each student at the time of his admission to the college, besides double the tuition fee paid for him. If this request is complied with, it will give the Coorg Admin. an advantage over other Provl. & State Govts., as

* Reservation fee
 $900 \times 4 = 3,600$
 Ch. Commr. proposal
 Reservation fee - 900
 Rate at double
 $216 \times 2 \times 4 = 1,728$
 Difference of Rs 1,872
 for the whole course

C.No.5153-4.

From the Chief Commissioner, Coorg, No.B-2-982/48,
dated 21-1-1950.

GOVERNMENT ENGINEERING COLLEGES - Reservation
of seats - Contribution.

Please see the letter from the Chief Commissioner, Coorg, on page 11 c.f. At present two seats are reserved for Coorg students in the Govt. Engg. Colleges. The selection of students to be admitted ^{to these reserved seats} to be made by the Chief Commissioner and the Principal, Engg. College, Guindy simply admits them into the Engg. College. ^{In the beginning} ~~When~~ the Coorg students were paying tuition fees at double the rate payable by Provincial students. The practice ^{followed by} ~~with these~~ Govts. for whose students seats were reserved, seems to have been to collect the normal fees from the students, make up the difference themselves, and to pay the whole amount as a contribution to this Govt. The students were never paying the whole fees themselves at any time.

Subsequently this Govt. considered that the amount recovered in respect of students from outside the Province in the Engg. Colleges should be fixed with reference to the cost to this Govt. of training them. It was eventually decided that contribution at a uniform rate of Rs.900/= per annum per student should be recovered in respect of all non-Provincial students with effect from the academic year 1947-48. The Coorg Govt. had also agreed to this arrangement. It is not known why it has taken up the present attitude. The position may be pointed to the Coorg Govt. and it may be informed that this Govt. have admitted Coorg students on the distinct understanding that the Coorg Govt. will pay the contribution of Rs.900/- per year per ~~each~~ student from 1947-48 and that it is open to that Govt. ~~that~~ to recover the normal tuition fees from the students by arrangement with the ~~students~~.

There is a separate file in which the question

4
abolition of the contribution system and ~~with~~ ^{the} the adoption
of the system of permitting non-Madras students to pay tuition
fees at Madras rates, is being considered. Even if it is
decided that the latter system may be adopted, it will come
into effect only from the next academic year. So this question
need not stand in the way of ~~our addressing~~ the Coorg Govt. *being addressed*
now.

A draft letter is submitted.
