Office of the
Director of Public Instruction,
Madras, Dated 3rd Decr.1948.

From
The Director of Public Instruction,
M A D R A S.

TO
THE SECRETARY TO GOVERNMENT,
Education & Public Health Department,
M A D R A S.

SIR,

SUB: PHYSICAL EDUCATION - Candidates under training - Grant of stipends to men and women - Candidates - 1948-49.

In G.O.No.943 Education dated 7-5-47, Government sanctioned the continuance during 1947-48 of the grant of 30 stipends of Rs.18/- each per mensem to men candidates deputed by managements of aided secondary schools to undergo physical training for the Diploma and Higher Grade Certificate courses in the Y.M.C.A.College of Physical Education, Saidapet. In the same G.O.sanction was also accorded to the continuance during 1947-48 of the grant of 30 stipends of Rs.18/- per mensem to women candidates undergoing training in the Physical Training class for Women, Saidapet.

2. The Principal, Y.M.C.A. College of Physical Education, Saidapet has submitted a list of 30 candidates who are now undergoing training in his college for sanction of stipends on their behalf during 1948-49. The Principal also adds that the case of one Coorg student Miss. C.M.Muthamma whose name is included in the list of 38 candidates might be considered as a special case. I may point out in this connection, that in giving stipends the teaches under-going training, candidates -- coming from out-side the Madras Presidency are excluded, exemption being made only in the case of bonafide teachers employed in schools in the Presidency with promise of appointment after training in schools with in the jurisdiction of the Madras Education Department. please see rule 118 of the Madras Educational Rules. In my opinion, the principle may as well be extended to students undergoing training in the Y.M.C.A.College of Physical Education, Saidapet also. The case of Miss-C.M.Muthamma may, therefore, be left out of consideration.

I recommend that Government may be pleased to sanction during 1948-49 stipends of Rs.18/- each per mensem on behalf of 37 candidates mentioned by the -- Principal, excluding the case of Miss.C.M.Muthamma.

Yours faithfully,

for DIRECTOR OF PUBLIC INSTRUCTION.

Ram.4/12.

Copy of letter dated 13th October 1948 of the Principal, The Y.M.C.A.College of Physical Education, Saidapet to the Director of Public Instruction, Madras.

I am sending herewith a list of names of the candidates (both deputed and Private) who are eligible for the award of Government stipend during the current year. I request that orders may be obtained early from Government sanctioning the stipend to all the candidates. A copy of the list has already been furnished to the Chief Inspector of Physical Education

with my letter dated 12th August 1948.

The students who are eligible for the Government stipend are experiencing a great difficulty in meeting their expenses. It is therefore requested that Government may be moved urgently in the matter.

Copy of Post card dated 16th November 1948 from the Principal YMCA College, Saidapet.

Only 38 stipends are required this year. Out of this the case of one candidate from Coorg must be considered as a special case.

Copy of Rc.No.322-48 dated 19-11-1948 of the Chief Inspector of Physical Education, Madras to the Director.

I was informed that all women candidates undergoing training for the Physical Education Diploma or certificates are eligible for the stipend. I was not aware that candidates from outside the province are ineligible. The instructions in your proceedings will be noted for future guidance. Miss C.M.Muthamma's name may therefore be deleted from the list.

2. The reason for the low number of stipendiaries of this year is that very few are attracted because of the low scale of pay to Physical Education teachers and the high cost of living in a training at the Y.M.C.A.College. Managements complain everywhere that no Secondary Grade teachers are forthcoming as candidates for the training because they are better off as teachers than with the additional Physical Training Certificate. A generous revision of the scale of pay of Physical Education teachers will attract large numbers and even a better type of candidates.
