Sub: Pudukottai - Payment of D.A. to the employees
of the Education Department.

Ref: Govt. Endt. No. 63608-GI/48-1 P.H. dated 4-9-1948.

(A) In their Memo. No. 65052-B.11/48-2 dated 23-8-1948 Govern-
ment in the Finance Department agreed with the Accountant-General,
Madras that the allowances and special pay paid to the state employees
in Pudukottai and Danganapalle should be paid at the pre-merger
rates till Government issue special orders in any case modifying the
rates. I presume this order applies only to the state employees who are
to be taken over to the Madras Government Service. With reference
to para 3 of the Government Memo. No. 23180-B.2/48-5 Edn dated
22-6-48, I have already issued instructions that all teachers in
aided elementary schools in the state should be paid D.A. at the
Madras Government Rates. In regard to elementary and Secondary
schools maintained by the State I presume there is no objection
to the teachers in these schools being paid D.A. at the rates
given for the local body teachers in the Province as these schools
are to be maintained by the local body to be constituted for that
area.

The Special Officer, who is in charge of education, the previous D.P.I. of the Pudukottah State, met me this morning. He is now our Educational Officer for the State area. He tells me that orders have been issued for giving dearness allowance at our rates to all the aided school teachers but such orders have not been issued with regard to teachers under the State service. *4*

The reason for this is a technical difficulty, in view of an order that State servants should continue to receive the same pay as they were receiving before. With regard to teachers, we have made up ^{our} mind that they should be treated as local board servants for the purpose of pay and emoluments. In view of these circumstances, I think, we may issue orders that they may also be given the usual dearness allowance.

Paying this enhanced dearness allowance only to the aided school teachers and not to the State school teachers is creating a lot of trouble and I think it must be remedied. The matter may be examined and put up.

I have already sent a note about the condition of the State School teachers in Pudukottah. We have brought the salary of the aided school teachers in a line with the teachers in the rest of the Province. With regard to the State school teachers, we ordered that they may be put on a par with our Local Board schools. But I understand orders have not been issued on that matter. There is a great deal of discontent throughout the State school teachers over this matter as their pay has not been increased while the aided school teachers have been put in a more advanced position. It is unfair to continue them in this state of affairs. I don't know in what stage that matter is. The matter may be considered and put up.

Sir,

This humble petition is submitted to you for your kind consideration and sympathetic recommendation for favourable orders.

Since the merger of the State on 3-3-48 the teachers of the Pudukkottai Territory have been drawing the same pay and Dearness Allowance as before the merger.

	Basic Pay	Dearness Allowance
Elementary Lower Grade Teachers.	Rs. 20/-	Rs. 10/-
Elementary Higher Grade Teachers.	Rs. 25/-	Rs. 10/-
Secondary Grade Teachers.	Rs. 30/-	Rs. 10/-
Secondary Grade Teachers. (entertained after merger)	Rs. 22½	Rs. 10/-
Pandits and Vidwans.	Rs. 35/-	Rs. 10/-
Music Teachers (Sangeetha Bhushanam)	Rs. 30/-	Rs. 10/-
„ (Government Technical Certificate holders)	Rs. 25/-	Rs. 10/-
Manual Training, Drawing and Weaving Instructors.	Rs. 35/-	Rs. 10/-
Physical Instructors.	Rs. 30/-	Rs. 10/-
Untrained Graduates.	Rs. 35/-	Rs. 10/-
Other Teachers.	The Pay of their Grade.	Rs. 10/-
L. T. Assistants.	Rs. 70/-	No D. A.

(The total pay including other allowances and Dearness Allowance not to exceed Rs. 70/-)

Teachers getting Rs. 70/- and above get no Dearness Allowance. (THERE ARE 700 TEACHERS IN VARIOUS GRADES IN GOVERNMENT SERVICE IN THE TERRITORY.)

The cost of living index has been just the same in the territory as in the area around it in the Province. House rents, prices of essential commodities, and other necessities of life have been rising similarly. Certain concessions extended by the State as in the matter of cost and supply of fuel are not now available to us. But the introduction of Sales Tax and other levies in vogue in the Province have made things more costly for us.

In 1921 when a revision of the basic pay of the services in the State was made, the Basic pay of the Elementary Higher Grade teacher was raised to Rs. 22-0-0 so as to bring it to the level of the Basic pay of clerks in Public Service. In 1946 the basic pay of clerks was raised to Rs. 35/- and at that time a committee was appointed to recommend suitable revised scales of pay for teachers in the different grades in State Service. Before the committee could submit their recommendations the merger came and deprived the poor teachers of their chances of improvement. Sri. C. Karunakara Menon, who happened to be Dewan at the time of the merger, seeing the inequity of treatment meted to the teachers in the matter of revision of pay, sympathetically sanctioned an addition of Rs. 5/- to all teachers drawing a salary below Rs. 45/-, but unfortunately this sanction was not given effect to. SO THE SCALES OF PAY OF TEACHERS IN THE TERRITORY HAVE NOT IN ANY WAY IMPROVED AFTER THE REVISION IN 1921.

Teachers in schools situated in the provincial area all round the territory receive higher scales of pay and Dearness Allowance. On representation, the Director of Public Instruction, Madras, was pleased to view the case sympathetically and pass orders by which the Aided Schools in the territory are drawing enhanced grants-in-aid according to the scales obtaining in the Province with effect from 1-1-48, and CONSEQUENTLY TEACHERS IN AIDED SCHOOLS IN THE TERRITORY GET HIGHER SCALES OF PAY AND HIGHER DEARNESS ALLOWANCE THAN THE TEACHERS IN THE GOVERNMENT SCHOOLS. While the teachers are no doubt grateful to the Government for improving the lot of their brethren in aided schools, it is humanly impossible not to feel the difference in treatment which does cause a little discontent and cannot but affect the enthusiasm of teachers.

At a mass meeting of teachers assembled to meet the Director of Public Instruction, Madras, during his visit here soon after the merger, the Director very kindly assured us that the teachers in the territory would certainly get similar emoluments and allowances as the Provincial teachers and no teacher in Government service would be adversely affected by the merger. The same view was expressed subsequently on occasions when other officials of the Education Department and Ministers visited the territory. The Special Officer for Education here continuously kept assuring us that sanction had been made regarding payment of Dearness Allowance at Provincial rates from 1-1-48 and he was only expecting orders to disburse the same. Now this humble petition is presented in the hope that the sanction may be expedited before the current financial year comes to a close.

In conclusion, it is prayed, that in view of the present financial stress, increased cost of living, and the high degree of indebtedness of teachers, who in most cases find it hard to pay even the interest due on heavy outstandings, the GOVERNMENT DO TAKE PITY ON THE LOT OF POOR TEACHERS AND SANCTION AT A VERY EARLY DATE PAYMENT OF DEARNESS ALLOWANCE AT PROVINCIAL RATES WITH EFFECT FROM 1-1-48 AND ALSO DECIDE FAVOURABLY AS EARLY AS POSSIBLE THE REVISION OF SCALES OF PAY TO FALL IN LINE WITH THE MADRAS GOVERNMENT SCALES.

Ref:- From the D.P.I., No.823-K.2/48, dated 22-9-1948.

The D.P.I. raises the question of the rates of dearness allowance to be paid to teachers in aided schools and in State schools in Pudukottai. 10

(a) Aided Schools - Elementary & Secondary

(13)
Attention is invited to pp.6-7 of the Sectional notes in G.O.No.1605, Edn., dated 22-6-48, specially to the Secretary's note in the margin, and also pp.15-16 of the Sectional notes. The intention seems to have been that dearness allowance at the Madras rates may be paid to teachers.

(b) State Schools:- Elementary:-

The schools are to be handed over to a local body when one is constituted for the area. It was therefore ordered that the scales of pay and dearness allowance admissible for teachers under local bodies might be paid to them - p.7 of section notes. As the intention is not to take the teachers into Govt. service eventually and as there will be discontent if different rates of dearness allowance are granted to the two categories of schools (aided and State) it seems that Madras rates of dearness allowance may be granted to these teachers also.

(c) Secondary schools - State:-

Please see Sectional notes pp.11-12 of the G.O. The Secondary schools also are to be handed over to a local body when one is constituted for the area. The remarks under (b) above apply here also. Dearness allowance at Madras rates may be granted.

Finance may advise. Pub. (Poll.) also should see.

Previous Finance note on pp. 3-4 above and E. & P.H. note above may be perused.

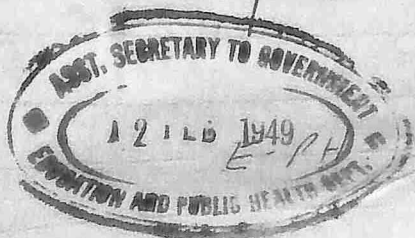

'A' above: Public (Pol) points out that they have under consideration the question of conditions of service, scales of pay, Dearness allowance etc. applicable to State permanent employees absorbed under this Government. Till a decision on the rates of pay etc. admissible for such

transferred personnel is decided, this Department advised that the rates of dearness allowance be limited to those drawn by the personnel before the merger. This Department may adhere to this view.

'B' above:- As regards the staff in Rajah's College, it may be seen that the Director's proposal that the existing staff may be continued on their present scales of pay and that the question of their absorption into Government service and fixation of this pay may be considered later, has only been accepted. Pending further proposals in this regard from the D.P.I., they may continue to be paid dearness allowance at rates in force prior to merger.

It is unfortunate that Secy E & PH's proposal at p 6 of the sectional notes at (B) regarding dearness allowances slipped past Finance, so that this dept has noted inconsistently. The question now is whether we should discriminate between aided school and govt. teachers, or between govt. teachers and other govt. servants.

As under the general proposals now in circulation, govt. servants will get the Madras rates from 1.1.49, this may be taken as sufficient for the govt. teachers also, without giving further retrospective effect which other govt. servants do not get. The aided school teachers are lucky to get the Madras rates from an earlier date. The matter may rest so.

The whole difficulty is that we have ordered revision of salaries for the aided school teachers and not for the Government school teachers. The result is that the Government school teachers are receiving less than the aided school teachers which is very unjust. After all, we have extra funds available in the accounts of the Pudukottah State and apart from this which I do not want to write, it is simply untenable that the teachers in the State schools should be paid less than the aided school teachers. This inconsistency is very unfair and must be set right. The matter may be reconsidered from this point of view and put up.

Roc.323 K2/48 dated 21-6-49

Sub:--Pudukottai--Education Department--State Government
servants--Grant of increased D.A.

In resubmitting herewith the memorial from Sri S.A. Subramania Pillai, Headmaster, Government Elementary School, Pudukottai, referred to me in Government Endorsement No.25268 B2/48-1 Education dated 12-4-49, I invite attention to memorandum No. 86332 A.2 Education dated 29-12-48 and 71989 A/48-6 Education dated 24-3-49 in which Government have ordered that State Government servants should be paid D.A. only at the pre-merger States.

2) On the same question I have submitted to the Chief Secretary to Government, Madras, in my letter Roc.323 K2/48 dated 19-3-49 a representation from Sri T.R. Vaidyanatha Iyer B.A.B.L. Ex-M.L.C. Pudukottai, and recommended that as aided Elementary School teachers in the State are being granted D.A. at the Madras Rates (Vide Government Memorandum No.23130-B2/48-5 Education dated 22-6-48) State Government servants may also be paid D.A. at the Madras rates. In their Memorandum No.71989-A/48-6 Education dated 24-3-49 teachers in aided Secondary Schools also are to be given D.A. at this Government's rate.

3) It is hard to deny the Madras rates of D.A. to the State Government alone and I understand that they are suffering very much on account of the high cost of living. I therefore request that Government may immediately order the grant of D.A. at Madras rates to the State Government servants also.

Yours faithfully,

Sir,

This humble petition is submitted to you for your kind consideration and sympathetic recommendation for favourable orders.

Since the merger of the State on 3-3-48 the teachers of the Pudukkottai Territory have been drawing the same pay and Dearness Allowance as before the merger.

	Basic Pay	Dearness Allowance
Elementary Lower Grade Teachers.	Rs. 20/-	Rs. 10/-
Elementary Higher Grade Teachers.	Rs. 25/-	Rs. 10/-
Secondary Grade Teachers.	Rs. 30/-	Rs. 10/-
Secondary Grade Teachers. (entertained after merger)	Rs. 22½	Rs. 10/-
Pandits and Vidwans.	Rs. 35/-	Rs. 10/-
Music Teachers (Sangeetha Bhushanam)	Rs. 30/-	Rs. 10/-
" (Government Technical Certificate holders)	Rs. 25/-	Rs. 10/-
Manual Training, Drawing and Weaving Instructors.	Rs. 35/-	Rs. 10/-
Physical Instructors.	Rs. 30/-	Rs. 10/-
Untrained Graduates.	Rs. 35/-	Rs. 10/-
Other Teachers.	The Pay of their Grade.	Rs. 10/-
L. T. Assistants.	Rs. 70/-	No D. A.

(The total pay including other allowances and Dearness Allowance not to exceed Rs. 70/-)

Teachers getting Rs. 70/- and above get no Dearness Allowance. (THERE ARE 700 TEACHERS IN VARIOUS GRADES IN GOVERNMENT SERVICE IN THE TERRITORY.)

The cost of living index has been just the same in the territory as in the area around it in the Province. House rents, prices of essential commodities, and other necessities of life have been rising similarly. Certain concessions extended by the State as in the matter of cost and supply of fuel are not now available to us. But the introduction of Sales Tax and other levies in vogue in the Province have made things more costly for us.

Gov. servants 18

Please see the D.P.I.'s
letter on p. 1. He has raised the
question of the payment of d.a.
to State Gov. servants at Madras
rates as in the case of the
aided school teachers mentioned in
the memo on p. 14 of G.O. dt 7. It
seems reasonable to allow them
also the D.A. at rates administered
under the Madras Gov. As the
general question of payment of d.a.
to State employees in Pondicherry
is separately under consideration
in Public (P.W.) the file may be
sent to him for remarks.

fixation of pay in the scales in force in this Province and the payment of dearness allowance at the rates in force in this Province in the case of persons possessing the requisite departmental qualifications etc prescribed for the post in which they are absorbed. The question of the grant of dearness allowance at the rates prevalent in this Province to the school employees who do not possess the requisite departmental qualifications is under separate consideration. The case of the State school teachers can be dealt with according to the instructions in the G.O. mentioned above, if they possess the requisite qualifications.
