R.O.No.142 F1/49

Office of the
Director of Public Instruction
Madras, dated 12th April 1949.

From The Director of Public Instruction
Madras.

To The Secretary to Government
Education and Public Health Department
Fort St. George, Madras.

Sir,

Subject:- ESTABLISHMENT -- Office of the
Director of Public Instruction,
Madras -- Temporary post of
Typist -- continuance from
1--5--1949 -- Requesting.

Reference:- G.O.No.Ms.565 Edn., dated 1--3--1949.

The sanction accorded for the continuance of
the post of temporary typist, in the G.O. referred to
above expires on 30--4--1949.

2. In this connection I have the honour to
inform Government that I have, from time to time, stated
that consequent on the introduction of various schemes
of Education and the expansion of the department, the
work in the Fair Copying Section has increased enormously.
I also invite your kind attention to my letter Rc.No.89
F1/49 dated 1--2--1949 disposed of in G.O.No.Ms.378., Edn.,
dated 14--2--1949. The continuance of this temporary post
from 1--5--1949 is absolutely necessary in my office for
the efficient discharge of work.

3. In the circumstances I request that Government
may be pleased to accord sanction for the continuance of
the post for a further period of one year from 1--5--1949.

4. Necessary provision for the continuance of the
post has already been made in the Budget Estimate for
1949-50.

Yours faithfully

[Signature]

For Director of Public Instruction.

1. The first part of the paper is devoted to a general discussion of the problem of the existence of a solution of the system of equations (1) for arbitrary values of the parameters α and β . It is shown that the system has a solution for arbitrary values of the parameters α and β if and only if the condition $\alpha + \beta = 1$ is satisfied.
