Subject:- ALLOTMENT OF UNITS OF THE N.C.C. IN 1949.

Sir,

I am directed to state that the Govt. of India propose to allot the following units of the Senior and Junior Division to your Province/~~State~~ in 1949. This allotment has been made taking into consideration the number of Colleges and Schools in your Province. The strength of each Senior Division Unit is shown in para (d) of Appendix "D" of the Report of the National Cadet Corps Committee. (attached for States/~~States~~ Unions newly raising units - 3 copies).

SENIOR DIVISION.

Type	No. of Units	No. of Cadets	No. of N.C.C. Officers required.
Armoured Corps	—	—	—
Artillery.	One Unit	60	2
Infantry.	4 Companies	625	20
Engineers.	One Unit	60	2
Signals.	One Unit	60	2
Medical.	One Unit	60	2
Electrical & Mechanical Engineers (E.M.E.).	One Unit	60	2
<u>JUNIOR DIVISION.</u> UNIT (Each of 3 officers & 90 Cadets).	44 Troops and 2 Sub-Units	4,020	134

2. The total cost of raising these units and maintaining them for one year is shown below. The details of this total are attached at Appendix "A".

UNIT

	Rs.	As.	Ps.
Armoured Corps.	3,15,750	0-	0
Artillery.	1,81,610	0-	0
Infantry.	2,33,200	0-	0
(4 Companies.	3,08,000	0-	0
(3 Companies.	2,32,950	0-	0
(2 Companies.	1,56,550	0-	0
(Independent Company.	79,450	0-	0
Engineers.	64,100	0-	0
Signals-	52,000	0-	0
Medical.	34,300	0-	0
Electrical & Mechanical Engineers (E.M.E.)	64,200	0-	0
Junior Division.	13,750	0-	0
Liaison Officer Junior Division	300	0-	0

3

and more long for one year

3. The total cost of raising the units proposed to be allotted to you, is Rs. 13,70,266-11-0.
4. Your Province/~~State~~ which has already raised units during 1948 will have to bear the following expenditure on the running of these units during 1949-50: Rs. 1,83,338-5-0.
5. The N.C.C. Officer trainees will have to undergo training with Army units at places and for periods shown below:-

SENIOR DIVISION.

UNIT	PERIOD IN MONTHS	PLACE
Armoured Corps.	4	Ahmednagar.
Artillery.	4	Deolali.
Infantry.	3	With Infantry units at places to be intimated later.
Engineer.	4	Bangalore/Kirkee/Roorkee.
Signals.	5	Jubbulpore & Amhow.
Medical.	4	Poona.
E.M.E.	5	Bangalore & Kirkee.

JUNIOR DIVISION.

All units	2	With Infantry units at places to be intimated later.
-----------	---	--

6. I am directed to request for a reply either of acceptance of the proposed allotment or of any changes you desire in that allotment. Arrangements for the training of the N.C.C. officer trainees have to be made and, therefore, I am to request for a reply by 29th December, 1948.
7. If the allotment of units is accepted, it is requested that immediate action should be taken by you to allot these units to Colleges and Schools. Please see paras 17 and 18 of the pamphlet "Object and Organisation of the National Cadet Corps" for principles to be observed in allotting units. Engineer and Medical units MUST be allotted to Engineering and Medical Colleges, while E.M.E. units must be allotted to such Colleges, where electrical & mechanical engineering is taught. (5 Copies of the pamphlet are attached for States/States Unions newly raising units).

8. The Colleges and Schools allotted units should be asked to nominate members of their teaching staffs for selection as officers of the units. Points to be observed in nominating these persons are shown in paras 14 and 15 of the pamphlet "Object and Organisation of the National Cadet Corps". The nominees should then appear before a Civil-Army Selection Board, which shall consist of the Vice-Chancellor or D.P.I. (Chairman), a Regular Army Officer to be nominated by the Commander of the Sub-Area or States Forces and a non-official, to be nominated by the Provincial/State Government. Provinces and States who raised units in 1948 and have NOT got the complete quota of officers for those units, should select these officers at the same time.

... The

9. The total number of teaching staff members to be trained by Army units, shown separately for each Division and by units for the Senior Division, should be sent to this Directorate by 15th February 1949. States Forces will in certain cases be asked to train officers for the States being allotted units and this will be taken up directly with them. It is proposed that the training of the officer trainees should start between 1st and 15th April 1949.

10. It had been suggested that a bulk allotment of arms and equipment should be made to Colleges raising units. The N.C.C. Committee and Provinces had, however, stated that sufficient arms and equipment, especially one rifle per cadet, should be provided to enable efficient training to be given to the cadets. Experience has also shown that a bulk allotment is not satisfactory. Therefore, arms and equipment will be provided to each unit, according to the scale laid down, copies of which have already been sent to you. (3 copies are attached for States/States Unions newly raising units).

G.G. Bewoor
Colonel,
(G.G. Bewoor)
Director, National Cadet Corps.

The Vice-Chancellor, Annamalai University,
Annamalai Nagar.
(with enclosure)

Sir,
National Cadet Corps - Senior Division - Allotment
of units in 1949.

I am directed to enclose for your information
a copy of the letter from the Director rec no 0179/48 27-12-48
on the above subject and to say that as already proposed,
the Director rec will be requested to allot one Infantry
Battalion of two companies for the Andhra University
and one Independent Infantry company to the Annamalai
University and one Mad Unit to the Mad College, at Madras
in the Madras University. It is also proposed to agree

9

(18) 10/13

to the allotment of three technical units in addition, viz

One Artillery Unit. One Signals unit and One Electrical & Mechanical Engineers Unit.

~~I am directed to enquire whether it will be possible to raise~~

any of these technical units in the colleges under the University

and if so to specify the unit which the University is willing

to raise in 1949-50 and the College to which the Unit will be

allotted. In selecting the specified unit, the feasibility

of deputing teachers for undergoing training for the specified

period and the possibility of appointing substitutes in the

place of teachers to be sent up for training should be taken

into account. As the Director NCC wants a reply by the

29th December, I am to request that you to ~~send~~ send

your reply to this letter by as soon as possible - expeditiously.

Yours faithfully,

Letter No. 92017-B1/48-3 E in D 27/12/48
Ref.

To
The Director, National Cadet Corps,
Ministry of Defence, Govt of India,
New Delhi.

Sir
National Cadet Corps - Allotment of Units
in 1949.

Reference your letters No 0179/48 N.C.C. dated 7-12-48 and 21-12-48

I am directed to state that instead of one Infantry battalion of four companies proposed to be allotted to this Province in 1949 -one Infantry battalion of two companies to be raised in the Andhra University and one Independent Company to be raised in the Annamalai University may be allotted, as the Universities have already been consulted and they have agreed to the raising of these units- Vide in this connection the correspondence ending with your letter No 0048/48 N.C.C. dated 14-9-48.

In regard to specialist units, as already intimated in my letter No 82373-B1/48 dated 15-11-48, the medical unit now proposed to be allotted will be raised in the Medical Colleges at Madras. In addition, this Govt propose to raise one Artillery, one Signals, and one Electrical and Mechanical Engineering units making a total of four specialist units in 1949. The Vice-chancellors of the three Universities in this Province have been consulted as to which of the specialist units they desire to raise in 1949 and to specify the colleges in which the unit selected by them ^{should be allotted} ~~will be raised~~ and their reply is awaited- A further communication will be sent as soon as their replies ^{are received} ~~are received~~ in regard to this Govt's final decision in the matter. It is regretted that in the short time allowed to give a reply, it is ^{has been} ~~is~~ not possible to make the necessary consultation with the ^{date} ~~date~~ and give the final decision.

2. As already intimated, this Govt have decided to limit the total number of cadets to be enrolled for the senior division to 2,000 and it is possible to raise within this limit only four specialist units in addition to the Infantry Units referred to in para 1 above. The Vice chancellor, Madras University is being consulted in regard to the raising of the E.M.E Unit in the Engineering College, Guindy, as suggested in your letter No 0048/48 dated 21-12-48 and a reply will be sent as ^{soon as} his views are ~~ascertained~~ ^{communicated}.

4. In regard to Junior Division, the maximum number of units which this Govt can raise ~~within the limit of 4,000 cadets~~ is 44 troops ^{with 3960 cadets}. Accommodation is reported to be available for keeping the arms and ammunition of the units of the Junior Division in only 8 Police ^{p304 & LF} armouries in the mufassal and the raising of units at the outset has necessarily to be confined to schools at those stations which have agreed to raise units ^{of the junior division at and at other stations} ~~where arrangements can be made for the storage of arms and ammunition like Madras where separate armouries have necessarily to be built before the units are raised.~~ The D.P.I. has already submitted proposals for ^{or thirty three} the raising of thirty units and he has been consulted in regard to the feasibility of raising 44 units and a final reply will be sent shortly. In the meantime it may be presumed ^{p384 chd} that at least 33 units will be raised and 100 teachers will be selected for undergoing training in 1949-50 ^{p384 chd} ^{Hours faithfully.}

Sub: National Cadet Corps - Senior Division -
Allotment of units in 1949.

This University is willing to raise one signals unit or an Artillery Unit in addition to the Independent Infantry Company already proposed to be allotted to it. We could also raise one Unit of Engineers, if there was any provision for this in the scheme. With the restricted admission to the Engineering course, it is not considered possible to raise an E.M.E. unit at present. This University will be glad therefore to have either a signals unit, and if that is not possible, an Artillery unit in 1949. If approved, the necessary members of staff for selection of Officers will be nominated.

72
Ref: Your letter No.92017-B1/48-4 Edn. dated 27th December 1948 to the Vice Chancellor, Madras University and copy to me.
2. Letter No.A.36 dated 4th Jan. 1949 from the Registrar, University of Madras to you, and copy to me.

I confirm the Vice-Chancellor's reply that this College accepts the proposal to have an Electrical and Mechanical Engineering Unit (E.M.E.) from the beginning of the next academic year, 1949-50. The Vice Chancellor, before sending his reply consulted me in the matter and I agreed to the proposal.

In this connection, I wish to point out that there was a Sub Unit of the E.M.E. sanctioned under the 1st Madras Battallion U.O.T.C. and located at the Engineering College, Guindy which was specially sanctioned for recruitment of Officers to the E.M.E. Unit during the last War. Special provision has already been made in the college buildings for accommodation of stores and office. In addition, items of equipment which will be required by this Sub Unit are already being held in charge of the College. Therefore, there would be no difficulty in forming this Unit at the Engineering College, Guindy.

28
It would be necessary to send two Officers for training for this

PTO.

44

-2-

Sub Unit and the names of two Officers will be communicated to the Vice Chancellor for further action in the matter regarding their preliminary training during the summer vacation.

When Col. Bewoor, Director, N.C.C. was in Madras in connection with his visit to the Inter Universities Conference, he called over at the Engineering College, Guindy and I explained to him all the details mentioned above.

in 1949 - Raising of Technical Units.

With reference to your letter No. 92017-B1/48-2.

Edn. dated 20-12-48, I am sending herewith a copy of
letter No. R.O.C. 3-B-49 dated 4-1-49 from the
Principal, College of Engineering, Kakinada for
information.

CR.

R e g i s t r a r

ENCLOSURE

Copy of letter R.O.C.No. 3-B-49 dated 4-1-49 from the Principal,
Copy of Engineering, Kakinada, to the Registrar, Andhra University,
Waltair. 2/4-1-49.

Sub: National Cadet Corps - Senior Division - Allotment of Units in
1949 - Raising of Technical Unit - Remarks offered.

Ref: Your letter C5-2244/48 dated 28-12-48.

In the letter No. 0179/48/NCC dated 7th December, 1948 from the
National Cadet Corps DTS, the technical units mentioned are:
Artillery, Engineer, Signals, Medical and Electrical & Mechanical
Engineers. The Secretary to the Government, Education and Public
Health Department mentions only four of them, leaving out the
Engineer Unit. I presume that the Engineer Unit is the old sapper
and miner unit. I would like to know whether it is the intention
not to allot this Engineer Unit to the Andhra University.

I think it is quite feasible to raise the Electrical and Mecha-
nical Engineers Unit in 1949-50 in this College, but I would like to
point out that it will be much more easy and feasible to start the
Engineer Unit instead, for the following reasons:

- i. It may not be possible always to have the full strength of 60
from amongst the students of the Mechanical and Electrical
branches. The total strength of the Mechanical and Elec-
trical branch boys in this College will be about 60 to 80
and you will agree, that it is difficult to get the full
quota of 60 from amongst them.
- ii. The Engineer branch is a general branch in which students of
all branches i.e. Civil, Mechanical and Electrical can
take part, and it will, therefore, be very much easier to
raise this Unit and maintain it at full strength than the
E.M.E. Unit.
- iii. Very small proportion of the students of the College will be
able to get a chance to join the N.C.C. in the E.M.E. Unit,
whereas for the Engineer Unit, there will be much larger
field for choice of suitable cadets as every student can
join the unit.
- iv. The staff of the Mechanical and Electrical Departments is
very small compared to that of the Civil Engineering Depart-
ment and naturally therefore, it is more easy to get
suitable officers for Engineer Unit than for E.M.E.Unit.

I would, therefore, like you to press on the authorities the
advisability of starting the Engineer Unit in this College in prefer-
ence to E.M.E. but, in case, it is not possible for Government to
accede to our request we are prepared to the E.M.E. Unit in 1949.

No.0177/49/NCC.
National Cadet Corps Directorate,
(Ministry of Defence),
Government of India,
NEW DELHI, 21 MAR '49.

To
Govts. of Madras, Bombay, West Bengal, U.P., Bihar,
East Punjab, C.P., Delhi, Mysore State.

Subject:- NATIONAL CADET CORPS - TRAINING OF N.C.C. OFFICERS FOR
TECHNICAL UNITS OF THE SENIOR DIVISION.

Sir,

I am directed to refer to our letter No.0177/49/NCC dated 28th February 1949 in which was forwarded the number of members of college teaching staffs to be selected by you for the Senior Division units being raised and those already raised. The Indian Army units which will undertake this training and periods of training was shown in para 5 of our letter No.0179/48/NCC dated 7th December 1948.

2. It is necessary that the trainees for Technical units should commence training on the same date. It is proposed that this training should start on 25th April 1949 and the selected applicants for appointment as officers should arrive at the place on 23rd April. It is fully realised that this may not be suitable to all Provinces concerned but it is essential if efficient training is to be given to these trainees. It is presumed that action to allot the technical units to Universities and Colleges has been taken by you and selection of the applicants is already in hand. Army authorities, to whom a copy of, this letter is being sent, are making arrangements for training to start on 25th April. Please inform the Commandant of the Army unit shown in para 3 of the time and train by which these trainees will arrive at their destination.

3. The number of trainees to be sent by you, for which type of units and to which place is as below:-

Serial No.	UNIT.	NUMBER TO BE SENT BY PROVINCES.	TO BE SENT TO.
1.	Armoured Corps.	3: West Bengal 3: U.P.	IAC Centre & School, AHMEDNAGAR.
2.	Artillery	2: Madras 2: Bombay 2: West Bengal 2: U.P. 2: C.P. 2: East Punjab.	Artillery Centre, DEOLALI
3.	Engineers	2: Bombay 2: C.P. 2: Mysore	Bombay Engineer Centre, RIE, KIRKEE.
		4: West Bengal 4: U.P. (Thomason College)	Bengal Engineer Centre, RIE, ROORKEE.
4.	Signals.	2: Madras 2: Bombay 2: U.P. 2: Bihar 2: East Punjab 2: C.P. 2: Delhi.	Signal Corps Centre, JUBBULPORE.

70

- 2 -

5. Medical (4 months) 2: Madras
3: Bombay
3: West Bengal
2: U.P.
2: Bihar.
2: East Punjab. IAMC Centre(South), POONA.
6. E.M.E. (5 months) 2: Madras
2: Bombay
2: West Bengal
2: U.P.
2: Delhi. IEME Centre, JALHALLI,
(Bangalore Rly Stn)

4. I am to draw your attention to Rule 36(2) of the National Cadet Corps Rules. The daily allowances specified therein should be paid to these trainees either direct by Money Orders or through the Commandants of Army units by Bank or Treasury drafts. The trainees for Signal units shall be proceeding from JUBBULPORE to MHOW and for EME units from JALHALLI to KIRKEE after a period of 2 months training. The cost of their rail fares for these journeys should be despatched to the Commandants of the Army units by 7th June 1949 at the latest.

Yours faithfully,

Bewoor

Sir,

National Cadet Corps - Senior Division - Raising of
Technical Units in 1949 - Training of N.C.C.Officers.

Ref:Letter from the Director, N.C.C., No.0177/49/NCC,
dated 21--3--1949.

I am directed to communicate a copy of the letter from the Director, National Cadet Corps, cited above, in continuation of my letter Ref.No.92017-B1/48-13 Edn., dated 8-3-49 and to request you to include necessary provision towards the payment of allowances to N.C.C.Officers of the Signal and E.M.E. Units, with reference to paragraph 4 of the Director's letter, in the estimate of cost called for in my letter referred to above. Pending receipt of reply from the Director, N.C.C. to this Government's letter No.92017-B1/48-18 Edn., dated 24-3-49 the cost of deputing one medical officer for training may also be reported.

Yours faithfully,

for Secretary to Government.

Subject:- NATIONAL CADET CORPS - TRAINING OF N.C.C. OFFICERS
FOR SENIOR DIVISION INFANTRY UNITS AND JUNIOR
DIVISION UNITS.

Sir,

I am directed to refer to our letter No. 0177/49/NCC dated 28th February 1949, in which was forwarded the number of members of college and School teaching staffs to be selected for Senior Division INFANTRY units and JUNIOR DIVISION units being raised and already raised. The former are to undergo training for 3 months and the latter for 2 months with Indian Army units, in accordance with Rule 32 of the National Cadet Corps Rules.

2. The dates on which this training can commence varies according to the dates on which you can make College and School teachers available. Please inform the Headquarters of the Command, as shown in para 3, of the date on which these gentlemen can be sent. The training should commence in April if possible but by the 1st week of May, in any case. A copy of your letter may be endorsed to this Directorate. Headquarters of Commands will make arrangements for the training of these gentlemen, and will notify you the Army Training Centre to which they should be despatched for training.

3. The number of trainees to be sent by you, and which Command is responsible for the training is as below:-

COMMAND.	Sr. No.	PROVINCE.	NUMBER TO BE SENT	
			SENIOR DIVISION INFANTRY UNITS.	JUNIOR DIVISION.
SOUTHERN.	1.	Madras	38	107
	2.	Bombay	32	134
	3.	C.P.	36	86
	4.	Coorg.	-	4
WESTERN.	1.	West Bengal	50	161
	2.	U.P.	41	92
	3.	Bihar	31	182
	4.	Orissa	20	58
	5.	Andamans	-	3
	6.	Vindhya Pradesh	15	9
	7.	Tehri Garhwal	-	3
WESTERN.	1.	East Punjab	32	76
	2.	Delhi	16	16
	3.	Ajmere-Merwara	5	7
	4.	Cutch	-	3
	5.	Saurashtra	10	15
	6.	Himachal Pradesh	-	6

4. I am to draw your attention to Rule 36(2) of the National Cadet Corps Rules. The daily allowances specified therein should be paid to these trainees either direct by Money Orders or through the Command of Army units by Bank or Treasury drafts.

5. The Senior Division trainees should also be paid an advance of Rs 100/- (Rupees one hundred) out of their outfit allowance as specified in Rule 35(c) to enable them to make up two suits of uniform for wear at night in the Officers Mess. This will also apply in the case of trainees for Technical units, about whom only certain Provinces were addressed in our letter No.0177/49/NCC dated 21st March 1949.

6. Headquarters of Commands have been sent a copy of this letter.

W. B. B. B.
Colonel,
Director, National Cadet Corps.

It is requested that all communications should be addressed to The Registrar, University of Madras, Triplicane P. O., Madras, and not to any person by name.

No.

Enclosures.

FROM

THE REGISTRAR,

University of Madras.

To

The Secretary to the Government of Madras,
Education and Public Health Department.

Sir,

I am forwarding herewith a copy of my letter to the Commandant, N.C.C. 1st Bn. regarding the Officer Trainee Mr. V. Ganapati of Loyola College who was selected for training but who is unable to undergo the training under the circumstances stated in his letter dated 18-4-49.

It will be observed now that the number of Officer Trainees selected for training will be less by three ~~month~~ as shown below:

1st Bn.	one	- Loyola College, Madras.
2nd Bn.	one	National College, Trichinopoly.
2nd Bn.	one	Government College, Kumbakonam.

As it is now vacation for colleges, it will be very difficult to arrange for a selection of Officer Trainees in the ~~XXXXXX~~ vacancies.

As regard the formation of N.C.C. Artillery Unit for 1949-50, I have to state that it was originally proposed to form the unit in the Madras Christian College, Tambaram, but the Principal of the college has informed me that as it is now difficult, the unit could not be ~~informed~~ ^{formed} for 1949-50.

Yours faithfully,

R. R. R. R.

National Cadet Corps - Senior and Junior Divisions Allotment of Units in 1949

From the Director National Cadet Corps N.C.C. No 0179/48
dated 7-12-48

The Govt have generally approved the scheme for the formation of a National Cadet Corps consisting of a Senior and Junior Division and have decided that the number of cadets to be enrolled for the ^{two} divisions should not exceed 2,000 and 4,000 respectively. This decision has already been communicated to the Director N.C.C. With his approval, the Govt have raised two Infantry battalions of 4 companies, each consisting of 625 cadets and 20 Officers in the Madras University with headquarters at Madras and Tiruchirapalli and one Engineer unit in the Engineering College, Guindy, with 60 cadets and 2 officers. It has been decided that the training of cadets in the current year should be carried out with the ex-U-O-T.C officers who have agreed to serve in the N.C.C. and whom it is proposed to commission in the N.C.C. and that the remaining number of officers to make up the strength should be trained ^{and that in the meantime they should be asked to attend parades} during the summer vacation of 1948-9. The expenditure on raising and ^{maintaining} ~~equipping~~ these units in the current year is

estimated approximately at Rs 6.26 lakhs of which 4.47 lakhs is non-recurring

2. The Govt of India have now proposed to allot the following units to this Province in 1949. The cost of raising and maintaining these units is estimated roughly at Rs 13.20

70 lakhs.				
Senior Division	No of units.	No of cadets.	No of officers.	Cost in lakhs
Artillery	one	60	2	2.33
Infantry	4 Coys	625	20	3.08
Engineers	One	60	2	.64
Signals	One	60	2	.52
Medical	One	60	2	.34
Electrical and Mechanical Engrs	One	60	2	.64
Total Senior Dvn		925	30	7.55

Junior Division each unit of 3 officers and 90 cadets 44 troops and 2 sub units \$020 134 6.35 lakhs

Note for the Cabinet

to put up in another file

proof

199

199

Senior Division. According to the decision already taken, the number of additional cadets that can be enrolled for the senior division in 1949 is 690 (2,000-1,310).

Infantry. For the Colleges in the Madras University, ^{area,} two Infantry battalions of four companies each have been ^{allotted} in the current year and recruitment of cadets is being proceeded with. The additional Units to be raised in the next year may as already proposed be in the Andhra and Annamalai University- One Infantry battalion of two companies in the former and One Independent Coy in the latter with a strength of 315 and 154 cadets respectively.

The Director ^{has} previously agreed to this. He may be informed that instead of one Infantry battalion of four companies, One battalion of two companies and one Independent Coy may be allotted. The Universities concerned have already been consulted and they have agreed to the raising of the units in the next year.

Technical Units. In the ex-U-O-T-C-Madras there was a medical company with a strength of 150. The S.G. who was consulted has reported that it will be possible to raise a medical Unit in the Medical Colleges ^{at} Madras from the next academic year and that one officer and 30 cadets may be allotted for each college.. The allotment of a medical unit may be agreed to. This will be in the Madras University ^{area}.

If three units are raised in the next year as suggested above there will remain 161 cadets that can be enrolled to bring the strength to 2,000. Within this number it will be possible to raise two technical units or One Independent Infantry battalion. As no technical units have been ^{allotted} to colleges outside Madras, it seems that the two additional technical units that can be raised may be in colleges in the mufassal. One medical Unit may be allotted for the Andhra University if it is willing to raise a medical Unit. The remaining technical unit may be an Electrical and Mechanical Engineering Unit or signals unit. This may also be allotted to Andhra University if it is willing to raise it. The Madras and Annamalai Universities may be consulted as to they are willing to raise the unit in the next year. The Director N.C.C. has requested that a reply either of acceptance of the proposed allotment or any changes that the Govt may desire to make in that allotment may

be intimated before the 29 ~~th~~ December. As it may not be possible to get the replies before the Govt should decide ⁱⁿ regard to the two technical units. Junior Division The allotment may be confined to 44 troops with a

strength of 3960 cadets and 132 officers. It does not seem necessary to have two sub-units in addition. The raising of units will depend upon the arrangements that can be made for the safe custody of the arms and ammunition and equipment that will be supplied to the units. It has been reported that accommodation is available in the Police armouries only in eight stations in the mufassal and the raising of units at first will have to be confined to the high schools in those stations and to those in important stations like Madras, ~~Madras~~ Madura and Tiruchirappalli where there are a number of high schools for which a separate armoury may be built ^{immediately before the units are raised.} The D.P.I. has already been asked to submit proposals. A copy

of the ~~Director's~~ letter from the Director N.C.C. may be communicated to the D.P.I. and he may be asked to submit proposals immediately for the allotment of ^{3960 cadets} 4,000 to high schools giving preference to high schools in stations where accommodation is reported to be available for keeping the arms and ammunition of the units in the Police armouries. ~~Regarding the Director's reply the proper allotment of troops to the Junior Division may be agreed to provisionally.~~ The cost of raising and equipping 44 troops according to the Director's estimate works out 6.26 lakhs - This is exclusive of the amount to be spent upon the provision of armouries and on the pay of substitutes if any to be employed in the place of ~~and on railway fares to teachers to be deputed for training~~ teachers to be deputed for training. ~~Further, it has been found that~~ In addition to the items of expenditure provided for in the Director's estimate, it ^{has been found} is necessary to incur expenditure on certain essential items which have not been provided for, for example - rent for buildings, furniture and office equipment etc.

5 The cost of raising and equipping the additional units of the Senior Division will be as shown below:-

Infantry battalion of 2 Coys	Rs 1.57 lakhs
Infantry Ind Company	.79 lakhs
Medical Unit	.34 lakhs
Additional Medical Unit for Andhra University	.34 lakhs
Engineer Electrical and Mechanical or signals	.64 lakhs

Providing for some additional unforeseen expenditure, it ma

safely be taken that the expenditure on raising additional Units for the senior Division may be 4 lakhs and for the Junior Division 1 lakhs ^{Rs} ~~excluding the non-recurring expenditure on construction of armours, the Director~~ ~~has already reported that it will not be possible to make any provision of the~~ ~~taxation and the necessity to make satisfactory arrangements~~ ~~non-recurring expenditure on arms, equipment & clothing to be newly supplied~~ for the safe custody of arms and equipment and provision of accommodation for the instructional staff to be detailed by the Army authorities it is ^{Hm's order} ~~necessary to make preliminary arrangements - for then in view of the present financial stringency~~ ^{is for consideration whether the raising of the Junior troops may be} spread over two years and the allotment for 1949- may be restricted to say 25 troops.

Orders of H.M. (Education) may be taken before a reference is made to the Registrars of the Universities and the D.P.I. It is necessary to come to a decision immediately as ^{the} number and strength of the units to be raised in the next year as provision has to be made in Part I of the estimates for the additional units to be raised in the next year.

Finance was sent prior to circulation.

Please see the note of E.H.H. from page 1 above. The Govt have generally approved the scheme for the formation of a National Cadet Corps, consisting of a Senior and Junior Division and have decided that the number of cadets to be enrolled for the two divisions should not exceed 2,000 and 4,000 respectively. According to this decision, the Govt have raised two Infantry battalions of 4 Companies, each consisting of 625 cadets in the Madras University with Headquarters at Madras and Tiruchirappalli and one Engineer Unit with 60 cadets in the Engg. College, in the current year. The number of add cadets that can be enrolled for the Senior division in 1949 is 690 (2,000 - 1,310).

The present proposals relate to the raising of add units in the next year out of the 690 remaining strength of 690. Of this it is proposed to raise one Infantry battalion of two companies with a strength of 315 in the ^{Madras} ~~Madras~~ and one independent company with a strength

(with report of the committee for the organization of the NCC)
92017 18/12/48
106386
13 DEC 1948
FINANCE DEPARTMENT

of 154 Cadets in the Annamalai University. It is also proposed to allot a medical unit with a strength of 30 cadets for each of the Medical College Madras and Stanley Medical College. After the raising of these units, there will remain 161 cadets. E.H.H. have proposed that 3 specified units like one artillery, one Signals and one Electrical and Mechanical Engg, with a strength of 60 cadets each, may be raised to absorb these 161 cadets. But this exceeds the prescribed number of 2000 cadets by the Govt, by 19. As the add expenditure on account of this ~~small~~ add number of cadets viz 19 is not likely to be considerable, the proposal of E.H.H. may be agreed to.

As regards the Junior Division E.H.H. dept propose to ask the D.P.S. to submit proposals for the allotment of 3960 cadets to high schools, which is within the limit of 4000 cadets approved by the Govt.

16/12 E-PH
Fin. W 106386 E.H.H. 16/12/48

17 DEC 1948
DEPT.

Please see the Finance Dept's note above. They have agreed to the proposals of this Dept in regard to the raising of additional units of the Senior Div in 1949-50 and the raising of 44 ^{troops} ~~units~~ for the Junior Division to be newly formed in 1949-50. In regard to the Junior Div, the D.P.S. has submitted proposals for the raising of 30 units in 1949-50 having regard to the status where accommodation is available in the Police Armours.

for the storage of arms & ammunition of the NCC & the Director has already included in his proposals, the High Schools in the city of Madras for which armoury has to be built. before the units allotted to those schools are raised. The Director is being asked to report whether it will be possible to raise additional units above 30.

3. The file may be circulated to M (Edu) for orders with reference to para 2-1c anti.

Please see notes in the linked file.

A draft letter to the Vice-Chancellors of the Universities is submitted below for approval. A draft reply to the Director NCC will be put up after waiting for the replies of the Universities till the 27th.

From the Director NCC no 0048/48 NCC 3. 21.12.48 p 25 cf

Please see the letters from the Director NCC on pp 24-25 of 280 replies have been received to the reference on p 22 cf. An interim reply may be sent to the Director NCC.

Three draft letters are subd. below for approval.

[Letter no 92017-18/48 - 3 Eon 3 27.12.48] p 26 cf
[Letter no 92017-18/48 - 4 Eon 3 27.12.48]

Please see the letter from the S.G. on pp 3-4 of. In the case of the senior Division Units raised in the current year, certain ex-920 T.C. officers who were willing to serve in the NCC have been commissioned into the NCC without undergoing regular training with Army Units. Of the two medical officers who had served in the ex-920 T.C., the S.G. has selected only one of them for the unit to be newly raised viz Dr K.P. Sarathy. The S.G. may be asked to ascertain & report whether he is willing to serve in the NCC and also to report the date of his Commission. He may also be asked to report whether Rao Sahib Capt. D. Siva Subramania Mudaliyar is not now as Vice Principal employed in the medical colleges at Madras & therefore considered to be not available for appointment in the NCC.

A draft memo is subd. below for approval.

p 34 cf. From the Registrar Andhra University no C2.2249/48
p 36 cf. From the Registrar Annamalai University 331.12.48

Please see the replies from the three Universities on pp 33-36 of.

2 In this Govt's letter no 92017 18/48 - 3 Edu 3 27.12.48, the Director N.C.C. has been requested to make the following allotment.

- (1) Infantry - One battalion of 2 Coys. Andhra University
One Independent Coy. Annamalai University
- (2) Medical - One Unit - Madras University - Medical College at Madras.

A decision has now to be taken in regard to

allotment of the following remaining specialist units.

(1) Electrical & Mechanical Engineering Unit. The Vice-Chancellor Annamalai University has reported that it is not possible to raise this unit at present. The Registrar-in-charge - Annamalai University has addressed the Principal Engineering College Kakinada and he has left the question whether an EME Unit should be raised in this Govt College for the decision of Govt. From the letter of the Director N.C.C. sup 25 cf, it would seem desirable to allot the EME Unit to the Engineering College, Guindy - there is already an Engineering Unit in this College which was raised in the current year. The Vice-Chancellor Madras University has reported that the University will be prepared to organise the E.M.E. Unit in the Engineering College Guindy.

(2) Signals Unit. The Annamalai University is willing to raise a signals unit and it seems to prefer a Signals Unit to an Artillery Unit. The Vice-Chancellor Madras University has proposed the allotment of this unit to the Presidency College Madras. As it is not desirable to allot all the specialist units to the ~~Madras~~ colleges under the Madras University, it is for consideration whether the signals unit may be allotted to the Annamalai University.

(3) Artillery Unit.

This may be allotted to the Madras Xian College as proposed by the Vice-Chancellor Madras University.

The file may be circulated to W.M. (Con) for orders on the question of allocation of units before sending a final reply to the Director N.C.C. This file may be submitted to W.M. (Con) soon after his return from tour.

A draft letter is submitted below for approval.

In view of this letter, this unit may be allotted to the Engineering College, Guindy.

This may be done.

	One Signal Unit.	2
Andhra.	One Inf. Bn. of 2 Coys.	10
Total.		46
JUNIOR DIVISION.		
35 troops and 2 sub-units (allotted to various schools in the Province).		107.

2. The University of Madras has addressed the
H.Q., Madras Sub-Area ^{for} the constitution of a Joint Civil
Army Selection Board for the selection of officer trainees
required to man the NCC units ^(already to be raised) in its area. It is
proposed to address the Registrar, Annamalai and Andhra
Universities to convene the Selection Board in consulta-

tion with the H.Q., Madras Sub-Area and to arrange for the selection of the NCC officers at an early date. A copy of the letter from the Director, NCC, on pages 58-9 c.f. may be communicated to the Registrars of the Universities ~~and the D.P.I.~~ and they may be asked to arrange for the selection of the required number of officer trainees for the NCC units immediately and submit the names of candidates selected so that the Director, NCC may be addressed for making necessary arrangements for their training with the Army H.Qrs. In reg. to the selection of officers for the Junior Division units, the Director of Public Instruction is proposed to be asked to convene the Selection Board - Vide the linked file. A copy of the letter from the Director, NCC, may be commd. to the D.P.I. in that connection.

3. The Director, NCC, may be informed that necessary arrangements for the selection of Officer Trainees for the Senior ~~Div~~ units already raised in the current year and for the units of the Senior and Junior Divisions to be raised in the next year are being made, that it is not possible, at present, to state definitely whether the trainees will be able to proceed to the training with Army Units by 15-4-1949, and that a further communication in the matter will be sent to him as soon as the selection of trainees ~~is~~ completed.

4. The drafts below are for approval.

From the Registrar, Annamalai University,

no. 22720-A1/49 dated 1.4.49.

Copy of letter from GC, 2nd Madras Bn., to Regr., Uni.

University of Madras no 231/100 dt 2.4.1949.

Please see the letter from the Dir, NCC, on page 95 of, the letter from the Registrar, Annamalai University on p 99 of the copy of the letter from the GC, 2nd Madras Bn., NCC, to the Registrar, University of Madras on pp 100-101 of. The Dir, NCC, has reported that no further training is necessary for Dr. Anantamayya anan. A copy of the Dir's letter on page 95 of may be commd. to the Surgeon General & he may be requested to furnish the information required in para 2 of the letter.

2. Gen. Pr. has intimated that the question of raising the additional units to be raised in 1949 may be decided by his successor. The expense on the payment of L.A. & D.A. to the NCC officers to be sent up for training may be sanctioned after a decision is reached on the question.

3. The training for the NCC officers of the Infantry Battalions is to commence during this month or at the latest by the 1st of May next. The NCC officers required to complete the full complement of officers for the 1st & 2nd Madras Bn., NCC, raised in 1948-9 will have to be trained even in spite of the decision on the question referred to in para 2 above. The no. of officers to be sent up for training for both the units is 24. The Registrar, University of Madras has not yet reported the date by which the officers

p 86 of

Can be sent up for training. The Officer Commanding has now sent a copy of his letter to the Regr., University of Madras for sanctioning the estimate of cost towards the payment of allowances to be paid to 11 NCC officers of his battalion to be sent up for training & he has also reported that they can be sent up for the training by 15.4.49. The cost so far as the NCC officers of the 2nd Madras Bn. and (on the presumption that the 1st Bn. will be at Wellington) concerned works out to Rs. 9,125 & 8 p. The amount nearly the same amount will have to be sanctioned for the 11 NCC officers to be sent for training from the 1st Madras Battalion. The expenditure may be met from the lump sum provision of Rs. 9,16,500/- made for the Director in the B.C. for 1948-50. The amount may be sanctioned to the G.C. of the 1st & 2nd Madras Bn. may be authorised to draw the amount & disburse the amount to the NCC officers.

4. The question of finance may be intimated to the Regr., University of Madras.

5. The question as to how the allowances due to the officer trainees should be paid has to be decided. In his letter on page 83 of, the Director N.C.C. has pointed out that the amount should be paid to the trainees either direct by money orders or through the Commandants of Army units by Bank or Treasury drafts. The Officer Commanding the 2nd Madras Bn. has pointed out that as there may be some delay in handing over the money to the individuals, the total amount may be sent to the Officer Commanding Madras Regimental Centre Wellington.

for disbursement to the individuals concerned. The simplest course seems to be to authorize the officers commanding the Infantry Battalions to draw the amounts required to meet the travelling & daily allowance for a period of one month and advance it allowance & disburse the amounts to the officers concerned. If the training centre is Wellington the trainees will have to travel through Madras or Tenchirapalli and they may receive the amount at the headquarters of the battalion or if the officers so desire the amount may be remitted. After the officers join the training centre, further payments to them may be made through the Commandants of Army units. In any event the officers commanding the Bns. should be made responsible for the payments. The remarks of Finance may be inserted. They may be requested to treat the reference as specially urgent.

Finance

Finance (CSR.)

(Previous Finance notes on pp.4-5 above)

It is proposed to sanction an expenditure of Rs 9127-8-0 towards the T.A. and daily allowance of 11 N.C.C. officers of the 2nd Madras Battalion for training. A similar expenditure will have to be incurred for sending 11 N.C.C. officers for training the 1st Madras Battalion. It is reported that the expenditure can be met from the lump sum provision of Rs 9,16,500 made in the B.E. for 1949-50. Finance may agree.

Para 4 on pp 21-22 above. The course suggested at A above may be agreed to in Finance. It is presumed that the amounts will be disbursed as advances and adjusted subsequently.

The Registrar, Annamalai University has estimated the cost on acct of payment of L.A. & d.a. to the seven officers (4 for the Independent Infantry Coy & two for the Signals Unit) to be sent to undergo training at Rs. 6,600. As the place of training for the officers of the Infantry Coy is not known, a lump sum provision of Rs. 6,600/- has been made towards the payment of L.A. for the four officers. This may be allowed, as the expenditure is to be sanctioned as advance and should be adjusted later. The Registrar Andhra University has not yet submitted the estimate of cost for the training of the officers for the Infantry Battalion of two Coys to be raised in 1949-50.

2. The Registrars of the Universities have addressed the H.A. Madras Sub Area for the nomination of a Regular Army Officer to the Jt. Civilian Army Selection Board and the Board has not yet been constituted. In the circumstances, orders in regard to the payment of L.A. & d.a. for the officers maybe sanctioned after the officers are selected by the Board and after the estimate of cost is received from the Registrar Andhra University.

pp 118

The letter from the Dir, NCC, on page 117 is submitted for perusal. The Dir has also

26
CSO
been informed of the decision to ~~now~~ raise the
ncc units as previously approved. Vide the
letter on pp. 115-116 of.

2. The Director of Public Instruction has
estimated the cost on payment of t.a and
d.a. to the 107 officers to be sent for the training
to man the 35 units & 2 sub. units proposed
to be raised in 1949-50. The t.a. has been
calculated at the rate of Rs 25/- per officer, as
the place of training has ^{not} ~~yet been fixed by~~
~~the Southern Command~~. This may be
sanctioned as the expenditure will have to be
adjusted later by presenting detailed ^{T.A.} bills.

3. The ^{DPJ} ~~Director~~ has been asked to
convene the Ft. Civilian Army Board and to
select the officers for the training: ~~and he~~ has
reported that the training may commence from
1st ^{week of} May 1949 on the expectation that the selec-
tion of officers will be completed before then
and the officers will be able to ~~join~~ ^{go to} the training centre.
~~on that date~~. The Southern Command may be
addressed and they may be requested to make
^(arrangement) necessary for the training of the officers and
to intimate the place of training.

19/4/49

Please see the letter from the Registrar, Anna-
malai University on page 123 of for furnishing the names
of the officers selected for undergoing training with
Regular Army units for Independent Infantry Company
and Signals unit to be raised in that University
in 1949-50. Out of the 7 officers selected (5 for the
Infantry Coy and 2 for the Signals unit), one officer,
namely, Sri G. Gopalakrishnan has been already
accepted for Commission into the NCC and the Dir, NCC,
has reported that he will be commissioned when
the Infantry Coy is formed in 1949-50. The ^{number of} officers
to be sent up for the training is six - four for the
Infantry Coy and two for the Signals unit. The
Registrar has already furnished the estimate of
cost on acct. of the payment of t.a, d.a, etc., to the
officers for undergoing the training. Vide in this
connection the notes on page 25 ante. The expendi-
ture, namely, Rs 6,600/- may be sanctioned.

2. In respect of the training of the two officers
for the Signals unit at the Signals Corps Centre,
Tutukopur, the Commandant of the Centre should
be informed of the time and train by which the
trainees will arrive at the centre. The Registrar
may be asked to do this. The Headquarters,
