G.O. No. 1321, 29th April 1949

Establishment—Secondary schools under local bodies and private managements—Music Instructors—Revision of scales of pay—Orders passed.

READ—the following papers :—

G. O. No. 975, Education, dated 10th May 1947.

From the Director of Public Instruction, dated 19th April 1948, 31st July 1948 and 3rd February 1949, No. 443 G-1/48.

Order—No. 1321, Education, dated 29th April 1949.

Prior to the introduction of the revised scales of pay from 1st January 1947, Music Instructors in secondary schools under local bodies were divided into two grades and their scales of pay were fixed as shown below :—

(1). Those with a Diploma in Indian Music of the University of Madras or the Sangeetha Bhushana title of the Annamalai University Rs. 30—2/2—50.

(2). Those with a pass in the Government Technical Examination in Indian Music of the higher grade—Rs. 25—2/2—45.

When the scales of pay were revised from 1st January 1947 the scale of pay for Music Instructors on Rs. 30—2/2—50 was revised as Rs. 40—1 1/2—70, but the lower scale of Rs. 25—2/2—45 was not specifically revised and fixed as in the case of other instructresses. Further the revision affected adversely Instructors with the University diploma qualification inasmuch as they were not allowed the scale

of pay of Rs. 45—2—85 fixed for secondary grade teachers who were on the old scale of Rs. 30—2/2—50. The revised scale of pay of Rs. 40—1 1/2—70 fixed for them was not attractive. Representations have been made that the scales of pay for the University Diploma holders should be revised. The Government have considered the question and have decided that the qualifications and scales of pay for Music Instructors in secondary schools under local bodies should be revised and fixed as shown below ;—

Grade I.—Those with a Diploma in Indian Music of the Madras University or the title of Sangeetha Bhushana of the Annamalai University and a Technical Teachers certificate of the higher grade Rs. 45—2—85.

Grade II.—Those with a pass in Government Technical Examination in Indian Music in the higher grade and a Technical Teacher's certificate of higher grade Rs. 40—1 1/2—70.

No. 1321, EDUCATION, 21st APRIL 1949.

The Grade I scale of pay will be admissible only to Music Instructors with the requisite qualifications employed in high schools for girls and in high schools for boys where music is introduced as one of the bifurcated courses of studies under the scheme for the reorganization of secondary education or where music is taught as an optional subject under the old scheme. Grade II will be common to both high schools and middle schools. The revised scales of pay will take effect from 1st April 1949.

2. The existing qualified teachers will be required to obtain under the provisions of rule 147 of the Madras Education Rules the Technical Teacher's Certificate of the higher grade newly prescribed, from the Commissioner for

Government Examinations. In the case of others no increment will be allowed in the revised scale until they acquire the prescribed qualification. The existing incumbent with the University Diploma qualifications employed in the Board High School, Tiruppattur, will be eligible for the revised scale of pay of Rs. 45-2-85 from 1st April 1949.

3. The revised scales of pay for Music instructors now fixed will be applicable to those employed in aided secondary schools under private managements also. The Director of Public Instruction is requested to communicate the orders to the managements of aided secondary schools.

The scale of pay of a music instructor or instructress with Sangeetha Bhusana title, fixed in G.O.No.585 Edn. dated 17-3-37, was on a par with that of a Secondary grade teacher

i.e. 30-2/2-50. But in the revised scale of pay, fixed in G.O.No. 975 Edn. dated 10-5-47, the scale of pay of a secondary grade Trained teacher is, 45-2-85 whereas that of a Music teacher with Sangeetha Bhusana title is Rs.40-1 $\frac{1}{2}$ -70.

The Music Instructor at N.M.Board High school, Tirupattur is a Sangeetha Bhusana of the Annamalai University. He now requests that he may be granted the scale of pay equal to that of a secondary grade trained teacher as was previously in vogue. I enclose his petition for perusal and return. His request is in my opinion reasonable and may be complied with.

I request early orders of Government on the request of the Music Instructor.

To The Director of Public Instruction,

The Special Officer,

The Headmaster,
N.M. Board High School,
Tirupattur, Ramnad District.

Sir, I beg to bring the following few lines for your honour's kind consideration and favourable orders.

As per office Memorandum Roc.A. 1842/46 dated 26-2-46 I was appointed as Music Instructor in the above School on Rs.30/- in the scale of Rs.30/-2/2-50 plus a dearness allowance of Rs 16/-.

The existing scales of pay and the Revised scales of pay with effect from 1-1-47 for the Music Teachers (or Mistress) are detailed below:-

	Existing	Revised.
(1) Music Teachers with the Govt. Technical Exam (Lower)	Rs. 20-2/2-30	30-1-45
(2) Do (Higher).	Rs. 25-2/2-45.	40-1 $\frac{1}{2}$ -70.

My present pay was fixed say corresponding to the scale of secondary grade trained teachers, in view of my academic qualifications and proficiency in addition to the teacher's training. I understand that my pay is to be revised to Rs.40/- in the scale of Rs.40-1 $\frac{1}{2}$ -70 which is intended for music teachers. (with Government Tech. Higher Certificate Holder).

But my qualifications are higher than that of Government Technical Higher Certificate Holder. I have undergone four years course in Annamalai University and Obtained Sangeetha Bhusana in April 1943.

In the fitness of things, it is but fair to make it equivalent to L.T.Degree or Oriental Tittle or Vidwan examination and a similar scale of pay adopted to me also.

Under the circumstances, I request your honour to kindly fix me in the revised scale on a par with a secondary grade (Govt Scale) i.e., Rs 45-3-75-2-95 for the present befitting my special qualification with effect from 1-1-47, as my present scale corresponds with the secondary gradescale of pay.

Tirupattur,
Dated 17-9-47.

for Music Instructors with University
Degree qualifications to be made equal
to that of the Secondary Grade teachers
Proposals submitted:

REF:- Government Endorsement No. 8769/B.1/48-1
dated the 23rd February 1948.

RESUBMITTED.

2. Prior to the introduction of revised scales of
pay from 1st January 1947, the scales of pay for Music
Instructors were fixed in G.O. No. 585, Education, dated
17th March 1937 in two grades namely: (1) Those with a
University Degree in Indian Music of the University of
Madras or the Sangeetha Bhushana Title of the Annamalai
University - Rs.30--2/2--50: (2) those with a higher
elementary grade trained teachers' Certificate and a
pass in the Government Technical Examination in Indian
Music of the Higher Grade: Rs.25--2/2--45.

Music Instructors with University Degree qualifica-
tions in Music were thus allowed a scale of pay equal to
Secondary Grade Teachers under local bodies. Now, after
the introduction of revised scales of pay the Secondary
Grade teachers are allowed a scale of Rs.45--2/2--85 in
G.O. No. 1154, Education, dated 5th June 1947 while the
Music Instructors whether possessing University Degree
qualifications in Music or Higher Elementary Grade Trained
Teachers' Certificate and a pass in Government Technical
Examination in Higher Grade in Indian Music have been
thrown into one group and are allowed a common scale of
Rs.40--1 1/2--70. Consequent on merging of the two scales,
allowed to music instructors in G.O. No. 585, Education,
dated 17th March 1937 into one under G.O. No. 975, Education
dated 10th May 1947 though with University Degree quali-
fications have a double disadvantage, namely their scales
is lower than that of the Secondary Grade teachers and
they are treated alike for purposes of pay with those
have no University Degree qualifications but possessing
Higher Elementary Grade Teachers' Certificate and a pass
in the Government Technical Examination in Indian Music.

3. In the above circumstances it is recommended that
the following qualifications and scales of pay may be fixed
for Music Instructors.

- (a) Those with a pass in Government Technical
Examination in Indian Music in the Higher
Grade and a Technical Teachers' Certificate
of Higher Grade: Rs. 40--1 1/2--70.
- (b) Those with a Diploma in Indian Music of
the Madras University or a title of the
Sangeetha Bhushana of the Annamalai Uni-
versity and a technical teachers' certi-
ficate of the higher grade: Rs.45-2/2-85.

only if they are employed in (i) High Schools for girls
and in (ii) High schools for boys where music is introduced
as one of the bifurcated courses of study under

under reorganization scheme and where Music is taught as
an optional subject under C. Group under the present scheme.

With reference to the point raised in para 1 of Government Memorandum cited above, I submit that the existing qualified music instructors who do not possess the revised qualification as per G.O.Ms.No.476-Education dated 11.3.1948 may be required to acquire the revised qualification by obtaining the Technical Teachers' Certificate of the Higher grade under the provisions of Rule 147 of the Madras Educational Rules from the Commissioner for Government Examinations to become eligible for the proposed time scale of pay; and in case of others who do not get themselves so qualified, their next increments in the time scale may be withheld till they acquire the revised qualification. I recommend that no separate scale need be prescribed for the latter in the circumstances stated above.

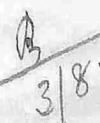

2. With regard to para 2 of the memorandum it is submitted that on a perusal of the replies received from the Executive authorities of the Municipal Councils and District Boards, it is found that music teachers are employed in middle schools under the Municipal Council, Pollachi, Municipal Council, Nagapattinam, District Board, West Godavari and Municipal Council, Cochin, only. As for the scale of to be allowed to those music instructors in middle schools, I recommend that the scale of Rs. 40-1½-70 proposed to those in High schools in my endorsement R.C. 443-G1/48 dated 19.4.1948 may be allowed to fully qualified instructors in middle schools also; for the reasons, that there may not be many middle schools in the province; and that any scale of pay less than the proposed one will not attract qualified instructors.

Rc.No.443 G1/48 dated 3--2--1949.

Sir,

Sub: Schools - Secondary - Local bodies and
private managements - Music Instructors - Revision
of scales of pay - Extra cost.

Ref: Telephonic Message from Government dated 13-8-1948.

From a perusal of the replies received from the Special
Officers of District Boards and Commissioners of Municipalities
it is observed that there are only two middle schools and twelve
high schools under their management which have employed music
instructors. Of these, ten are High schools for girls, two are
middle schools for girls and two are high school for boys.
In this connexion, attention is invited to my letter Rc.443 G1/48
dated 31-7-48. Of the four middle schools, referred to therein
two have since developed into High Schools.

2. Of these fourteen institutions wherein music instructors
have been employed it is only in Board High School, Tirupattur
in Ramnad District, that a university diploma holder is working
and who could be considered entitled to the proposed higher
scale of Rs.45-2-85.

3. But it is a point to note that the subject is not taught
in the Board High School (a Boys High School) Tirupathur either
as a subject under Bifurcated courses of studies or under Group 'C'
in form V and above. With reference to the note submitted under
para 3 of Director's endorsement Rc.443 G1/48 dated 19-4-48,
the instructor, though a university diploma holder, cannot be
entitled to the higher scale. The extra cost to Government is
therefore "NIL" at present, so far as secondary schools under
the management of local bodies are concerned.

In the case of aided secondary schools, it is observed that
definite scales have not been fixed in many of the schools. Pay
now given in most of the cases is generally higher than the scales
proposed. The introduction of the proposed scales may however in-
volve an extra cost of Rs.1358/- annually to state in the shape
of teaching grant.

G.O. No. 1321, 29th April 1949

Establishment—Secondary schools under local bodies and private managements—Music Instructors—Revision of scales of pay—Orders passed.

READ—the following papers :—

G. O. No. 975, Education, dated 10th May 1947.

From the Director of Public Instruction, dated 19th April 1948, 31st July 1948 and 3rd February 1949, No. 443 G-1/48.

Order—No. 1321, Education, dated 29th April 1949.

Prior to the introduction of the revised scales of pay from 1st January 1947, Music Instructors in secondary schools under local bodies were divided into two grades and their scales of pay were fixed as shown below :—

(1). Those with a Diploma in Indian Music of the University of Madras or the Sangeetha Bhushana title of the Annamalai University—Rs. 30—2/2—50.

(2). Those with a pass in the Government Technical Examination in Indian Music of the higher grade—Rs. 25—2/2—45.

When the scales of pay were revised from 1st January 1947, the scale of pay for Music Instructors on 30—2/2—50 was revised as Rs. 40—1½—70, but the lower scale of Rs. 25—2/2—45 was not specifically revised and fixed as in the case of other instructresses. Further the revision affected adversely Instructors with the University diploma qualification in as much as they were not allowed the scale

of pay of Rs. 45—2—85 fixed for secondary grade teachers who were on the old scale of Rs. 30—2/2—50. The revised scale of pay of Rs. 40—1½—70 fixed for them was not attractive. Representations have been made that the scales of pay for the University Diploma holders should be revised. The Government have considered the question and have decided that the qualifications and scales of pay for Music Instructors in secondary schools under local bodies should be revised and fixed as shown below :—

Grade I.—Those with a Diploma in Indian Music of the Madras University or the title of Sangeetha Bhushana of the Annamalai University and a Technical Teachers certificate of the higher grade—Rs. 45—2—85.

Grade II.—Those with a pass in Government Technical Examination in Indian Music in the higher grade and a Technical Teacher's certificate of higher grade Rs. 40—1½—70.

The Grade 1 scale of pay will be admissible only to Music Instructors with the requisite qualifications employed in high schools for girls and in high schools for boys where Music is introduced as one of the bifurcated courses of studies under the scheme for the reorganization of secondary education or where music is taught as an optional subject under the old scheme. Grade II will be common to both high schools and middle schools. The revised scales of pay will take effect from 1st April 1949.

2. The existing qualified teachers will be required to obtain under the provisions of rule 147 of the Madras Education Rules the Technical Teacher's Certificate of the higher grade newly prescribed, from the Commissioner for

Government Examinations. In the case of others no increment will be allowed in the revised scale until they acquire the prescribed qualification. The existing incumbent with the University Diploma qualifications employed in the Board High School, Tiruppattur, will be eligible for the revised scale of pay of Rs. 45-2-85 from 1st April 1949.

3. The revised scales of pay for Music instructors now fixed will be applicable to those employed in aided secondary schools under private managements also. The Director of Public Instruction is requested to communicate the orders to the managements of aided secondary schools.

Establishment - Secondary schools under local bodies

Music Instructors - Revision of the scales of pay.

for Instructors with-University ^{diploma} ~~degree~~ qualifications

From the S.O, Dt Bd Ramnad R.O.C.No 9 18802/47 dated 3-2-47 and 4-4-48

From the D.P.I, Endt No 443 G.1/48 dated 19-4-48, and 31-7-48, 3-2-49

Prior to the introduction of the revised scales of pay from 1-1-47, Music Instructors in secondary schools under local bodies were divided into two grades and their scales of pay were fixed as shown below:-

1. Those with a ^{diploma} ~~University degree~~ in Indian Music of the University of Madras or the Sangeetha Bhushana title of the Annamalai University -- Rs 30-2/2-50

2. Those with a ~~higher elementary grade~~ ^{diploma} ~~trained teachers' certificate~~ and a pass in the Govt Technical Examination in Indian Music of the Higher Grade Rs 25-2-45

The scale of pay of Grade 1 was equal to that of secondary grade teachers under local bodies.

When the revised scales of pay were fixed from 1-1-47 the scale of pay for Music Instructors on 30-2/2-50 was revised as 40-1½-70 but no corresponding revision was made for the scale of 25-2-45. In the case of Physical Training Instructors and others on the scale of Rs 25-2/2-45 the scale of pay was revised as 30-1-50, but as music instructors ^{were} ~~are~~ not specifically mentioned in the entry, it is presumed that there is only one grade now carrying a scale of pay of Rs 40-1½-70-Vide Directors letter on page 5 C.F. The revision affected adversely the Instructors with University qualifications in as much as they were not allowed the revised scale of pay of Rs 45-2-85 fixed for secondary grade teachers and the scale of pay fixed ^(Rs 40-1½-70) ~~for~~ ^{there was} ~~is~~ not attractive. Representations have been made that their scale of pay should be raised to that of secondary grade teachers.

2. The D-P-I- has recommended that the following qualifications and scales of pay may be fixed for

Music Instructors

Grade 1 - Those with a Diploma in Indian Music of the Madras University or the title of the Sangeetha Bhushana of the Annamalai University and a technical teachers certificate of the higher grade

Rs 45-2-85

(old scale 30-2-50)

Grade II These with a pass in Govt Technical Examination in Indian Music in the Higher Grade and a Technical Teachers certificate of higher grade

Rs 40-1½-70

(old scale 25-2-45)

The Director recommends that grade 1 scale of pay may be allowed

in high schools for girls and in high schools for boys where

Music is introduced as one of the bifurcated courses of studies under the reorganisation scheme and where music is taught as an

optional subject under C. Group under the old scheme. The

Director recommends that Grade II may be common for both high

schools and middle schools as the number of middle schools

where music is taught is small and it will not be attractive

if a lower scale of pay is fixed for middle schools. The

qualifications proposed are based upon the qualifications

prescribed in G.O. No 476 Edn dated 11-3-48 for Govt schools

and may be accepted. The revised scales of pay proposed may also be accepted.

3. The Technical Teachers Certificate of a higher grade for those in Grade I and II is a qualification newly proposed.

The D.P.I. was therefore asked whether the existing

incumbents who do not possess those qualifications should

be allowed the revised scale of pay or whether a separate scale of

pay may be fixed for them. He suggests that the existing qualified

teachers may be required to obtain the revised qualification by

obtaining the Technical Teachers Certificate of the Higher Grade

from the Commissioner for Govt Examinations and in the case of others

no increment need be allowed in the revised until they acquire

the prescribed qualification. He is of opinion that no separate

scale need be prescribed for such class of teachers. The Director's

recommendation may be accepted.

4. The Director reports that there will be no extra cost on account of the revision of the scales of pay in respect of those employed

in secondary schools under local bodies while in the case of schools

under private managements the extra cost will be Rs 1858 annually.

As the extra cost involved is small, the new service procedure need not

only one teacher with the minimum diploma is employed at Timpattur (pays 3 + 244)

followed. The revised scales of pay proposed may be

given effect to from 1-4-49. The two existing incumbents with University qualifications may be allowed the revised scale. The remarks of Finance may be invited u.o.

of Rs 45-2-85 without any reservation in the case of the teacher employed in the Board High School Timpattur.
